144.070. 1. At the time the owner of any new or used motor vehicle, trailer, boat, or outboard motor which was acquired in a transaction subject to sales tax under the Missouri sales tax law makes application to the director of revenue for an official certificate of title and the registration of the motor vehicle, trailer, boat, or outboard motor as otherwise provided by law, the owner shall present to the director of revenue evidence satisfactory to the director of revenue showing the purchase price exclusive of any charge incident to the extension of credit paid by or charged to the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, or that no sales tax was incurred in its acquisition, and if sales tax was incurred in its acquisition, the applicant shall pay or cause to be paid to the director of revenue the sales tax provided by the Missouri sales tax law in addition to the registration fees now or hereafter required according to law, and the director of revenue shall not issue a certificate of title for any new or used motor vehicle, trailer, boat, or outboard motor subject to sales tax as provided in the Missouri sales tax law until the tax levied for the sale of the same under sections 144.010 to 144.510 has been paid as provided in this section or is registered under the provisions of subsection 5 of this section.

2. [As used in subsection 1 of this section, the term "purchase price" shall mean the total amount of the contract price agreed upon between the seller and the applicant in the acquisition of the motor vehicle, trailer, boat, or outboard motor, regardless of the medium of payment therefor.

3.] In the event that the purchase price is unknown or undisclosed, or that the evidence thereof is not satisfactory to the director of revenue, the same shall be fixed by appraisalment by the director.

[4.] 3. The director of the department of revenue shall endorse upon the official certificate of title issued by the director upon such application an entry showing that such sales tax has been paid or that the motor vehicle, trailer, boat, or outboard motor represented by such certificate is exempt from sales tax and state the ground for such exemption.

[5.] 4. Any person, company, or corporation engaged in the business of renting or leasing motor vehicles, trailers, boats, or outboard motors, which are to be used exclusively for rental or lease purposes, and not for resale, may apply to the director of revenue for authority to operate as a leasing company. Any company approved by the director of revenue may pay the tax due on any motor vehicle, trailer, boat, or outboard motor as required in section 144.020 at the time of registration thereof or in lieu thereof may pay a sales tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A sales tax shall be charged to and paid by a leasing company which does not exercise the option of paying in accordance with section 144.020, on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in this state. Any motor vehicle, trailer, boat, or outboard motor which is leased as the result of a contract executed in this state shall be presumed to be domiciled in this state.

[6.] 5. Any corporation may have one or more of its divisions separately apply to the director of revenue for authorization to operate as a leasing company, provided that the corporation:

- (1) Has filed a written consent with the director authorizing any of its divisions to apply for such authority;
- (2) Is authorized to do business in Missouri;
- (3) Has agreed to treat any sale of a motor vehicle, trailer, boat, or outboard motor from one of its divisions to another of its divisions as a sale at retail;

However, when the transfer of a motor vehicle, trailer, boat or outboard motor occurs within a corporation which holds a license to operate as a motor vehicle or boat dealer pursuant to sections 301.550 to 301.573 the provisions in subdivision (3) of this subsection shall not apply.

[7.] 6. If the owner of any motor vehicle, trailer, boat, or outboard motor desires to charge and collect sales tax as provided in this section, the owner shall make application to the director of revenue for a permit to operate as a motor vehicle, trailer, boat, or outboard motor leasing company. The director of revenue shall promulgate rules and regulations determining the qualifications of such a company, and the method of collection and reporting of sales tax charged and collected. Such regulations shall apply only to owners of motor vehicles, trailers, boats, or outboard motors, electing to qualify as motor vehicle, trailer, boat, or outboard motor leasing companies under the provisions of subsection 5 of this section, and no motor vehicle renting or leasing, trailer renting or leasing, or boat or outboard motor renting or leasing company can come under sections 144.010, 144.020, 144.070 and 144.440 unless all motor vehicles, trailers, boats, and outboard motors held for renting and leasing are included.

[8.] 7. Beginning July 1, 2010, any motor vehicle dealer licensed under section 301.560 engaged in the business of selling motor vehicles or trailers may apply to the director of revenue for authority to collect and remit the sales tax required under this section on all motor vehicles sold by the motor vehicle dealer. A motor vehicle dealer receiving authority to collect and remit the tax is subject to all provisions under sections 144.010 to 144.525. Any motor vehicle dealer authorized to collect and remit sales taxes on motor vehicles under this subsection shall be entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax pursuant to section 144.140. Any amount of the tax collected under this subsection that is retained by a motor vehicle dealer pursuant to section 144.140 shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers for their role in collecting and remitting sales taxes on motor vehicles. In the event this subsection or any portion thereof is held to violate article IV, section 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and remit sales taxes on motor vehicles under this section. No motor vehicle dealer shall seek compensation from the state of Missouri or its agencies if a court of competent jurisdiction declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and orders the return of such revenues.

144.080. 1. Every person receiving any payment or consideration upon the sale of property or rendering of service, subject to the tax imposed by the provisions of sections 144.010 to 144.525, is exercising the taxable privilege of selling the property or rendering the service at retail and is subject to the tax levied in section 144.020. The person shall be responsible not only for the collection of the amount of the tax imposed on the sale or service to the extent possible under the provisions of section 144.285, but shall, on or before the last day of the month following each calendar quarterly period of three months, file a return with the director of revenue showing the person's gross receipts and the amount of tax levied in section 144.020 for the preceding quarter, and shall remit to the director of revenue, with the return, the taxes levied in section 144.020, except as provided in subsections 2 and 3 of this section. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of sellers, but shall not require any seller to file and pay more frequently than required in this section.

2. [Where the aggregate amount levied and imposed upon a seller by section 144.020 is in excess of two hundred and fifty dollars for either the first or second month of a calendar quarter, the seller shall file a return and pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month.

3.] Where the aggregate amount levied and imposed upon a seller by section 144.020 is less than forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the seller to file a return for a calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

[4.] 3. The seller of any property or person rendering any service, subject to the tax imposed by sections 144.010 to 144.525, shall collect the tax from the purchaser of such property or the recipient of the service to the extent possible under the provisions of section 144.285, but the seller's inability to collect any part or all of the tax does not relieve the seller of the obligation to pay to the state the tax imposed by section 144.020; except that the collection of the tax imposed by sections 144.010 to 144.525 on motor vehicles and trailers shall be made as provided in sections 144.070 and 144.440.

[5.] 4. It shall be unlawful for any person to advertise or hold out or state to the public or to any customer directly or indirectly that the tax or any part thereof imposed by sections 144.010 to 144.525, and required to be collected by the person, will be assumed or absorbed by the person, or that it will not be separately stated and added to the selling price of the property sold or service rendered, or if added, that it or any part thereof will be refunded. Any person violating any of the provisions of this section shall be guilty of a misdemeanor.

144.082. 1. The director shall participate in an online registration system that will allow sellers to register in this state and other member states.

2. By registering, the seller agrees to collect and remit sales and use taxes for all taxable sales into this state as well as the other member states, including member states joining after the seller's registration.

Withdrawal or revocation of this state from the agreement shall not relieve a seller of its responsibility to remit taxes previously or subsequently collected on behalf of this state.

3. If the seller has a requirement to register prior to registering under the agreement, such seller shall obtain a retail sales license under section 144.083 and register under section 144.650.

4. Registration with the central registration system and the collection of sales and use taxes in this state shall not be used as a factor in determining whether the seller has nexus with this state for any tax at any time.

144.083. 1. The director of revenue shall require all persons who are responsible for the collection of taxes under the provisions of section 144.080 to procure a retail sales license at no cost to the licensee which shall be prominently displayed at the licensee's place of business, and the license is valid until revoked by the director or surrendered by the person to whom issued when sales are discontinued. The director shall issue the retail sales license within ten working days following the receipt of a properly completed application. Any person applying for a retail sales license or reinstatement of a revoked sales tax license who owes any tax under sections 144.010 to 144.510 or sections 143.191 to 143.261 must pay the amount due plus interest and penalties before the department may issue the applicant a license or reinstate the revoked license. All persons beginning business subsequent to August 13, 1986, and who are required to collect the sales tax shall secure a retail sales license prior to making sales at retail. Such license may, after ten days' notice, be revoked by the director of revenue only in the event the licensee shall be in default for a period of sixty days in the payment of any taxes levied under section 144.020 or sections 143.191 to 143.261. Notwithstanding the provisions of section 32.057 in the event of revocation, the director of revenue may publish the status of the business account including the date of revocation in a manner as determined by the director.

2. The possession of a retail sales license and a statement from the department of revenue that the licensee owes no tax due under sections 144.010 to 144.510 or sections 143.191 to 143.261 shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license which is required for conducting any business where goods are sold at retail. The date of issuance on the statement that the licensee owes no tax due shall be no more than ninety days before the date of submission for application or renewal of the local license. The revocation of a retailer's license by the director shall render the occupational license or the state license null and void.

3. No person responsible for the collection of taxes under section 144.080 shall make sales at retail unless such person is the holder of a valid retail sales license. After all appeals have been exhausted, the director of revenue may notify the county or city law enforcement agency representing the area in which the former licensee's business is located that the retail sales license of such person has been revoked, and that any county or city occupation license of such person is also revoked. The county or city may enforce the provisions of this section, and may prohibit further sales at retail by such person.

4. In addition to the provisions of subsection 2 of this section, beginning January 1, 2009, the possession of a statement from the department of revenue stating no tax is due under sections 143.191 to 143.265 or sections 144.010 to 144.510 shall also be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business where goods are sold at retail. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

[5. Notwithstanding any law or rule to the contrary, sales tax shall only apply to the sale price paid by the final purchaser and not to any off-invoice discounts or other pricing discounts or mechanisms negotiated between manufacturers, wholesalers, and retailers.]

144.084. 1. The director shall promulgate rules and regulations for remittance of returns. Such rules shall:

- (1) Allow for electronic payments by all remitters by both ACH credit and ACH debit;**
- (2) Provide an alternative method for making "same day" payments if an electronic funds transfer fails;**
- (3) Provide that if a due date falls on a legal banking holiday in the state, the taxes shall be due on the next succeeding business day; and**
- (4) Require that any data that accompanies a remittance be formatted using uniform tax type and payment type codes approved by the streamlined sales and use tax governing board.**

2. All model 1, model 2, and model 3 sellers shall file returns electronically. Any model 1, model 2, or model 3 seller shall submit its sales and use tax returns in a simplified format approved by the director at such times as may be prescribed by the director.

144.100. 1. Every person making any taxable sales of property or service, except transactions provided for in sections 144.070 and 144.440, individually or by duly authorized officer or agent, shall make and file a written return with the director of revenue in such manner as he may prescribe.

2. The returns shall be on blanks designed and furnished by the director of the department of revenue and shall be filed at the times provided in sections 144.080 and 144.090. The returns shall [show the amount of gross receipts from sales of taxable property and services by the person and the amount of tax due thereon by that person during and for the period covered by the return] **state:**

- (1) **The name and address of the retailer;**
- (2) **The total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made;**
- (3) **The total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made;**
- (4) **Deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales;**
- (5) **Receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made;**
- (6) **Receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made;**
- (7) **Gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed; and**
- (8) **Such other pertinent information as the director may require.**

3. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by a retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of subsection 2 of this section in case the retailer has included the receipts from such sale in a return made by such retailer and paid taxes on such sale. The retailer shall, at the time of making such return, pay to the director the amount of tax owed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this section for any period not to exceed sixty days under such rules and regulations as the director of revenue may prescribe.

4. **The director shall only require a single tax return for each taxing period and such return shall include only the taxing jurisdictions in which the seller makes sales within the state.** With each return, the person shall remit to the director of revenue the full amount of the tax due.

[3.] 5. In case of charge and time sales the gross receipts thereof shall be included as sales in the returns as and when payments are received by the person, without any deduction therefrom whatsoever.

[4.] 6. If an error or omission is discovered in a return or a change be necessary to show the true facts, the error may be corrected, the omission supplied, or the change made in the return next filed with the director for the filing period immediately following the filing period in which the error was made or the omission occurred, as prescribed by law, except that no refund under this chapter shall be allowed for any amount of tax paid by a seller which is based upon charges incident to credit card discounts. Any other omission or error must be corrected by filing an amended return for the erroneously reported period if the amount of tax is less than that originally reported, or an additional return if the amount of tax is greater than that originally reported. An additional return shall be deemed filed on the date the envelope in which it is mailed is postmarked or the date it is received by the director, whichever is earlier. Any payment of tax, interest, penalty or additions to tax shall be deemed filed on the date the envelope containing the payment is postmarked or the date the payment is received by the director, whichever is earlier. If a refund or credit results from the filing of an amended return, no refund or credit shall be allowed unless an application for refund or credit is properly completed and submitted to the director pursuant to section 144.190.

[5.] 7. The amount of gross receipts from sales and the amount of tax due returned by the person, as well as all matters contained in the return, is subject to review and revision in the manner herein provided for the correction of the returns.

144.104. 1. A seller shall be allowed a deduction from taxable sales for bad debts attributable to taxable sales of such seller that have become uncollectable. Any deduction taken that is attributed to bad debts shall not include interest.

2. The amount of the bad debt deduction shall be calculated pursuant to 26 U.S.C. Section 166(b), as amended, except that such amount shall be adjusted to exclude financing charges or interest, sales, or use taxes charged on the purchase price, uncollectable amounts on property that remain in the possession of the seller until the full purchase price is paid, and expenses incurred in attempting to collect any debt or repossessed property.

3. Bad debts may be deducted on the return for the period during which the bad debt is written off as uncollectable in the seller's books and records and is eligible to be deducted for federal income tax purposes. For purposes of this subsection, a seller who is not required to file federal income tax returns may deduct a bad debt on a return filed for the period in which the bad debt is written off as uncollectable in the seller's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the seller was required to file a federal income tax return.

4. If a deduction is taken for a bad debt and the debt is subsequently collected in whole or in part, the tax on the amount so collected shall be paid and reported on the return filed for the period in which the collection is made.

5. When the amount of bad debt exceeds the amount of taxable sales for the period during which the bad debt is written off, a refund claim may be filed by the seller within the applicable statute of limitations for refund claim; however, the statute of limitations shall be measured from the due date of the return on which the bad debt could first be claimed.

6. Where filing responsibilities have been assumed by a certified service provider, such service provider may claim, on behalf of the seller, any bad debt allowance provided by this section. The certified service provider shall credit or refund the full amount of any bad debt allowance or refund received to the seller.

7. For the purposes of reporting a payment received on a previously claimed bad debt, any payments made on a debt or account shall first be applied proportionally to the taxable price of the property or service and the sales tax thereon, and secondly to interest, service charges, and any other charges.

8. In situations where the books and records of the seller, or certified service provider on behalf of the seller, claiming the bad debt allowance support an allocation of the bad debts among the member states, such an allocation shall be permitted.

144.105. 1. The state shall review software submitted to the streamlined sales and use tax governing board for certification as a certified automated system (CAS) under Section 501 of the streamlined sales and use tax agreement. Such review shall include a review to determine that the program adequately classifies the state's product-based exemptions. Upon completion of the review, the state shall certify to the governing board its acceptance of the classifications made by the system. The state shall relieve a certified service provider (CSP) or model 2 seller from liability to this state and its local jurisdictions for failure to collect sales or use taxes resulting from the CSP or model 2 seller's reliance on the certification provided by the state.

2. The streamlined sales and use tax governing board and this state shall not be responsible for classification of an item or transaction with the product-based exemptions. The relief from liability provided in this section shall not be available for a CSP or model 2 seller that has incorrectly classified an item or transaction into a product-based exemption certified by this state. This subsection shall apply to the individual listing of items or transactions within a product definition approved by the governing board or the state.

3. If the state determines that an item or transaction is incorrectly classified as to its taxability, it shall notify the CSP or model 2 seller of the incorrect classification. The CSP or model 2 seller shall have ten days to revise the classification after receipt of notice from the state of the determination. Upon expiration of the ten days, such CSP or model 2 seller shall be liable for failure to collect the correct amount of sales or use taxes due and owing to the state.

144.123. 1. The director shall provide and maintain a database that describes boundary changes for all taxing jurisdictions and the effective dates of such changes for sales and use tax purposes.

2. The director shall provide and maintain a database of all sales and use tax rates for all taxing jurisdictions. For the identification of counties and cities, codes corresponding to the rates shall be provided according to Federal Information Processing Standards (FIPS) as developed by the National Institute of Standards and Technology. For the identification of all other jurisdictions, codes corresponding to the rates shall be in a format determined by the director.

3. The director shall provide and maintain a database that assigns each five- and nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the zip code area shall apply if the area includes more than one tax rate in any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a seller or a certified service provider (CSP) is unable to determine the

nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For purposes of this section, there shall be a rebuttable presumption that a seller or CSP has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the secretary that makes this designation from the street address and the five-digit zip code applicable to a purchase.

4. The director may provide address-based boundary database records for assigning taxing jurisdictions and associated rates which shall be in addition to the requirements of subsection 3 of this section. The database records shall be in the same approved format as the database records required under subsection 3 of this section and shall meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director develops address-based assignment database records under the agreement, sellers that register under the agreement shall be required to use such database. A seller or CSP shall use such database records in place of the five- and nine-digit zip code database records provided for in subsection 3 of this section. If a seller or CSP is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the seller or CSP may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a seller or CSP is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For the purposes of this section, there shall be a rebuttable presumption that a seller or CSP has exercised due diligence if the seller or CSP has attempted to determine the tax rate and jurisdiction by utilizing software approved by the director and makes the assignment from the address and zip code information applicable to the purchase. If the director has met the requirements of subsection 3 of this section, the director may also elect to certify vendor provided address-based databases for assigning tax rates and jurisdictions. The databases shall be in the same approved format as the database records under this section and meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director certifies a vendor address-based database, a seller or CSP may use such database in place of the database provided for in this subsection.

5. The electronic databases provided for in subsections 1, 2, 3, and 4 of this section shall be in downloadable format as determined by the director. The databases may be directly provided by the director or provided by a vendor as designated by the director. A database provided by a vendor as designated by the director shall be applicable and subject to the provisions of section 144.1031 and this section. The databases shall be provided at no cost to the user of the database. The provisions of subsections 3 and 4 of this section shall not apply when the purchased product is received by the purchaser at the business location of the seller.

6. No seller or CSP shall be liable for reliance upon erroneous data provided by the director on tax rates, boundaries, or taxing jurisdiction assignments.

144.124. 1. The director shall complete a taxability matrix. The state's entries in the matrix shall be provided and maintained by the director in a database that is in a downloadable format.

2. The director shall provide reasonable notice of changes in the taxability of the products or services listed in the taxability matrix.

3. A seller or certified service provider (CSP) shall be relieved from liability to this state or any local taxing jurisdiction for having charged and collected the incorrect amount of state or local sales or use tax resulting from such seller's or CSP's reliance upon erroneous data provided by the director in the taxability matrix.

144.125. 1. (1) Amnesty shall be granted for uncollected or unpaid sales or use tax to a seller who registers to pay or to collect and remit applicable sales or use tax on sales made to purchasers in this state in accordance with the terms of the agreement, provided that the seller was not so registered in this state in the twelve-month period preceding the effective date of this state's participation in the agreement.

(2) Amnesty shall preclude assessment for uncollected or unpaid sales or use tax together with penalty or interest for sales made during the period the seller was not registered in this state, provided registration occurs within twelve months of the effective date of this state's participation in the agreement.

(3) Amnesty shall be provided if this state joins the agreement after the seller has registered.

2. Amnesty shall not be available to a seller with respect to any matter or matters for which the seller received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes. The amnesty shall not be available for sales or use taxes already paid or remitted to this state or to taxes collected by the seller.

3. Amnesty provided under this section shall be fully effective, absent the seller's fraud or intentional misrepresentation of a material fact, as long as the seller continues registration and payment or collection and remittance of applicable sales or use taxes for a period of at least thirty-six months. The statute of limitations applicable to asserting a tax liability during this thirty-six month period shall be tolled.

4. Amnesty provided under this section shall be applicable only to sales or use taxes due from a seller in its capacity as a seller and not to sales or use taxes due from a seller in its capacity as a purchaser.

5. The provisions of this section shall become effective as of the date that the state joins and becomes a member state of the agreement.

144.140. **1. From every remittance to the director of revenue made on or before the date when the same becomes due, the person required to remit the same shall be entitled to deduct and retain an amount equal to two percent thereof.**

2. If the director of the department of revenue enters into the streamlined sales and use tax agreement under section 32.070, the director shall provide a monetary allowance from the taxes collected to each of the following:

(1) A certified service provider, in accordance with the agreement and under the terms of the contract signed with the provider, provided that such allowance shall not exceed two percent of the amount collected;

(2) Any vendor registered under the agreement that selects a certified automated system to perform part of its sales or use tax functions;

(3) Any vendor registered under the agreement that uses a proprietary system to calculate taxes due and has entered into a performance agreement with states that are members to the streamlined sales and use tax agreement.

3. The monetary allowance provided for vendors in subdivision (2) or (3) of subsection 2 of this section shall be in an amount equal to two percent of the taxes collected.

4. Any vendor receiving an allowance under subsection 2 of this section shall not be entitled simultaneously to deduct the allowance provided for in subsection 1 of this section.

144.210. **1. The burden of proving that a sale of tangible personal property, services, substances or things was not a sale at retail shall be upon the person who made the sale, except that with respect to sales, services, or transactions provided for in section 144.070. [The seller shall obtain and maintain exemption certificates signed by the purchaser or his agent as evidence for any exempt sales claimed; provided, however, that before any administrative tribunal of this state, a seller may prove that sale is exempt from tax under this chapter in accordance with proof admissible under the applicable rules of evidence; except that when a purchaser has purchased tangible personal property or services sales tax free under a claim of exemption which is found to be improper, the director of revenue may collect the proper amount of tax, interest, additions to tax and penalty from the purchaser directly. Any tax, interest, additions to tax or penalty collected by the director from the purchaser shall be credited against the amount otherwise due from the seller on the purchases or sales where the exemption was claimed.]**

2. If the director of revenue is not satisfied with the return and payment of the tax made by any person, he is hereby authorized and empowered to make an additional assessment of tax due from such person, based upon the facts contained in the return or upon any information within his possession or that shall come into his possession.

3. The director of revenue shall give to the person written notice of such additional or revised assessment by certified or registered mail to the person at his or its last known address.

144.212. 1. In addition to all other provisions of law provided for exemptions, when an exemption is claimed by a purchaser:

(1) The seller shall obtain identifying information of the purchaser and the reason for claiming a tax exemption at the time of the purchase;

(2) A purchaser shall not be required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used;

(3) The seller shall use the standard form for claiming an exemption electronically prescribed by the director of the department of revenue and acceptable to the streamlined sales and use tax governing board;

(4) The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred;

(5) The seller shall maintain proper records of exempt transactions and provide such records to the director of the department of revenue or the director's designee upon request;

(6) In the case of drop shipment sales, a third-party vendor, such as a drop shipper, may claim a resale exemption based on an exemption certificate provided by its customer or any other acceptable information available to the third-party vendor evidencing qualification for a resale exemption, regardless of whether the customer is registered to collect and remit sales and use tax in the state where the sale is sourced.

2. Sellers that comply with the requirements of this section shall be relieved from collecting and remitting tax otherwise applicable if it is determined that the purchaser improperly claimed an exemption and such purchaser shall be liable for the nonpayment of tax. Relief from liability provided under this section shall not apply to a seller who fraudulently fails to collect tax; to a seller who solicits purchasers to participate in the unlawful claim of an exemption; to a seller who accepts an exemption certificate when the purchaser claims an entity-based exemption when the subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller and the state in which that location resides provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in such state; or to a seller who accepts an exemption certificate claiming multiple points of use for tangible personal property other than computer software for which an exemption claiming multiple points of use not available in such state.

(1) A seller shall be relieved from collecting and remitting tax otherwise applicable if the seller obtains a fully completed exemption certificate or captures the relevant data elements required under the agreement within ninety days subsequent to the date of sale.

(2) If a seller fails to obtain an exemption certificate or all relevant data elements as provided in this section, the seller may, within one hundred twenty days subsequent to a request for substantiation by the director of the department of revenue or the director's designee, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

3. Nothing in this section shall affect the ability of the director of the department of revenue or the director's designee to require purchasers to update exemption certificate information or to reapply with the state to claim certain exemptions.

4. Notwithstanding the provisions of subsection 2 of this section to the contrary, the director shall relieve a seller of the tax otherwise applicable if the seller obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The director shall not request from the seller renewal of blanket certificates or updates of exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this section, a recurring business relationship exists when a period of no more than twelve months elapses between sales transactions.

144.285. 1. [In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the director of revenue shall establish brackets, showing the amounts of tax to be collected on sales of specified amounts, which shall be applicable to all taxable transactions] **When the seller is computing the amount of tax owed by the purchaser and remitted to the state:**

(1) Tax computation shall be carried to the third decimal place; and

(2) The tax shall be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four.

2. [In all instances where statements covering taxable purchases are rendered to the taxpayer on a monthly or other periodic basis, the amount of tax shall be determined by applying the applicable tax rate to the taxable purchases represented on the statement, rounded to the nearest whole cent, or by application of the brackets established by the director of revenue, at the option of the retail vendor] **Sellers may elect to compute the tax due on a transaction on an item or an invoice basis. The provision of this subsection may be applied to the aggregated state and local taxes.**

3. No vendor or seller shall knowingly charge or receive from a purchaser as a sales tax any sum in excess of the sums provided for in this section.

4. [A vendor may, at his option, determine the amount charged to and received from each purchaser by use of a formula which applies the applicable tax rate to each taxable purchase, rounded to the nearest whole cent. The formula shall be uniformly and consistently applied to all purchases similarly situated.

5.] Amounts which a vendor charges to and receives from the purchaser in accordance with this section shall not be includable in his gross receipts if the amounts are separately charged or stated.

[6.] 5. If sales tax for one or more local political subdivisions is owed by a taxpayer pursuant to chapter 66, 67, 92, or 94 and that taxpayer remits less than all sales tax due for a filing period specified in section 144.080, the director of revenue shall deposit the tax remitted proportionately to each taxing jurisdiction in accordance with the

percentage that each such jurisdiction's share of the tax due for the filing period bears to the total tax due from such taxpayer for such period. The unpaid balance due along with penalties and interest shall be similarly prorated among the state and all local jurisdictions for which tax was due during the filing period for which an underpayment occurs. The provisions of this subsection shall apply to all returns or remittances relating to sales made on or after January 1, 1984.

144.526. 1. This section shall be known and may be cited as the "Show Me Green Sales Tax Holiday".

2. [For purposes of this section, the following terms mean:

(1) "Appliance", clothes washers and dryers, water heaters, trash compactors, dishwashers, conventional ovens, ranges, stoves, air conditioners, furnaces, refrigerators and freezers; and

(2) "Energy star certified", any appliance approved by both the United States Environmental Protection Agency and the United States Department of Energy as eligible to display the energy star label, as amended from time to time.

3.] In each year beginning on or after January 1, 2009, there is hereby specifically exempted from state sales tax law all retail sales of any [energy star certified] new appliance **that is an energy star qualified product**, up to one thousand five hundred dollars per appliance, during a seven-day period beginning at 12:01 a.m. on April nineteenth and ending at midnight on April twenty-fifth.

4. A political subdivision may allow the sales tax holiday under this section to apply to its local sales taxes by enacting an ordinance to that effect. Any such political subdivision shall notify the department of revenue not less than forty-five calendar days prior to the beginning date of the sales tax holiday occurring in that year of any such ordinance or order.

5. This section may not apply to any retailer when less than two percent of the retailer's merchandise offered for sale qualifies for the sales tax holiday. The retailer shall offer a sales tax refund in lieu of the sales tax holiday.]; and

Further amend said bill, Page 16, Section 144.605, Line 121, by inserting after all of said line the following:

"144.655. 1. Every vendor, on or before the last day of the month following each calendar quarterly period of three months, shall file with the director of revenue a return of all taxes collected for the preceding quarter in the form prescribed by the director of revenue, showing the total sales price of the tangible personal property sold by the vendor, the storage, use or consumption of which is subject to the tax levied by this law, and other information the director of revenue deems necessary. The return shall be accompanied by a remittance of the amount of the tax required to be collected by the vendor during the period covered by the return. Returns shall be signed by the vendor or the vendor's authorized agent. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of vendors, but shall not require any vendor to file and pay more frequently than required in this section.

2. Where the aggregate amount of tax required to be collected by a vendor is in excess of two hundred and fifty dollars for either the first or second month of a calendar quarter, the vendor shall pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month. The amount so paid shall be allowed as a credit against the liability shown on the vendor's quarterly return required by this section.

3. Where the aggregate amount of tax required to be collected by a vendor is less than forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the vendor to file a return for a calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

4. Except as provided in subsection 5 of this section, every person purchasing tangible personal property, the storage, use or consumption of which is subject to the tax levied by sections 144.600 to 144.748, who has not paid the tax due to a vendor registered in accordance with the provisions of section 144.650, shall file with the director of revenue a return for the preceding reporting period in the form and manner that the director of revenue prescribes, showing the total sales price of the tangible property purchased during the preceding reporting period and any other information that the director of revenue deems necessary for the proper administration of sections 144.600 to 144.748. The return shall be accompanied by a remittance of the amount of the tax required by sections 144.600 to 144.748 to be paid by the person. Returns shall be signed by the person liable for the tax or such person's duly authorized agent. For purposes of this subsection, the reporting period shall be determined by the director of revenue and may be a calendar quarter or a calendar year. Annual returns and payments required by the director pursuant to this subsection shall be due on or before April fifteenth of the year for the preceding calendar year and quarterly returns and payments shall be due on or before the last day of the month following each calendar period of three months. Upon the taxpayer's request, the director may allow the filing of such returns and payments on a monthly basis. If a taxpayer elects to file a monthly return and payment, such return and payment shall be due on or before the twentieth day of the succeeding month.

5. Any person purchasing tangible personal property subject to the taxes imposed by sections 144.600 to 144.748 shall not be required to file a use tax return with the director of revenue if such purchases on which such taxes were not paid do not exceed in the aggregate two thousand dollars in any calendar year.

6. Nothing in subsection 5 of this section shall relieve a vendor of liability to collect the tax imposed pursuant to sections 144.600 to 144.748 on the total gross receipts of all sales of tangible personal property used, stored or consumed in this state and to remit all taxes collected to the director of revenue in accordance with the provisions of this section nor shall it relieve a purchaser from paying such taxes to a vendor registered in accordance with the provisions of section 144.650.

7. Any out-of-state seller which is not legally required to register for use tax in this state but chooses to collect and remit use tax under sections 144.600 to 144.761 shall file a return for the calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year. In the event that any out-of-state seller which is not legally required to register for use tax in this state but chooses to collect and remit use tax under sections 144.600 to 144.761 has accumulated state and local use tax funds in an amount equal to one thousand dollars or more, such vendor shall file a return and remit the amount due for the month in which the accumulated state and local use tax funds equal or exceed one thousand dollars.

144.710. [From every remittance made by a vendor as required by sections 144.600 to 144.745 to the director of revenue on or before the date when the remittance becomes due, the vendor may deduct and retain an amount equal to two percent thereof.] **Sections 144.210 and 144.212, pertaining to the allowance for timely remittance of payment, are applicable to the tax levied by this law.**

184.845. 1. The board of the district may impose a museum district sales tax by resolution on all retail sales made in such museum district which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Such museum district sales tax may be imposed for any museum purpose designated by the board of the museum district. If the resolution is adopted the board of the district may submit the question of whether to impose a sales tax authorized by this section to either the legal voters of the district and/or to the owners of real property within the district who shall have the same voting interests as with the election of members of the board of the district.

2. The sales tax authorized by this section shall become effective on the first day of the second calendar quarter [following adoption of the tax by the qualified voters] **after the director of revenue receives notification of the adoption of the local sales tax.**

3. In each museum district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the museum district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

4. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the museum district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.825.

5. All revenue received by a museum district from the tax authorized by this section which has been designated for a certain museum purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. All funds remaining in the special trust fund shall continue to be used solely for such designated museum purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other museum district funds.

6. The sales tax may be imposed at a rate of one-half of one percent, three-fourths of one percent or one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the museum district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any museum district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

7. On and after the effective date of any tax imposed pursuant to this section, the [museum district] **director of revenue** shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the [museum district] **director**.

8. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax, sections 32.085 [and] to 32.087, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section[, except as modified in this section].

9. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

10. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the museum district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

12. For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order shall be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

13. All sales taxes collected by the museum district shall be deposited by the museum district in a special fund to be expended for the purposes authorized in this section. The museum district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection by the officers and directors of each museum district and the Missouri department of revenue. Tax returns filed by businesses within the district shall otherwise be considered as confidential in the same manner as sales tax returns filed with the Missouri department of revenue.

14. No museum district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued to finance any project or projects.

221.407. 1. The commission of any regional jail district may impose, by order, a sales tax in the amount of one-eighth of one percent, one-fourth of one percent, three-eighths of one percent, or one-half of one percent on all retail sales made in such region which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525 for the purpose of providing jail services and court facilities and equipment for such region. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no order imposing a sales tax pursuant to this section shall be effective unless the commission submits to the voters of the district, on any election date authorized in chapter 115, a proposal to authorize the commission to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the regional jail district of (counties' names) impose a region-wide sales tax of
(insert amount) for the purpose of providing jail services and court facilities and equipment for the region?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of the proposal, then the order and any amendment to such order shall be in effect on the first day of the second **calendar** quarter [immediately following the election approving the proposal] **after the director of revenue receives notification of adoption of the local sales tax**. If the proposal receives less than the required majority, the commission shall have no power to impose the sales tax authorized pursuant to this section unless and until the commission shall again have submitted another proposal to authorize the commission to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters of the district voting on such proposal; however, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last submission of a proposal pursuant to this section.

3. All revenue received by a district from the tax authorized pursuant to this section shall be deposited in a special trust fund and shall be used solely for providing jail services and court facilities and equipment for such district for so long as the tax shall remain in effect.

4. Once the tax authorized by this section is abolished or terminated by any means, all funds remaining in the special trust fund shall be used solely for providing jail services and court facilities and equipment for the district. Any funds in such special trust fund which are not needed for current expenditures may be invested by the commission in accordance with applicable laws relating to the investment of other county funds.

5. All sales taxes collected by the director of revenue pursuant to this section on behalf of any district, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "Regional Jail District Sales Tax Trust Fund". The moneys in the regional jail district sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of officers of each member county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district which levied the tax. Such funds shall be deposited with the treasurer of each such district, and all expenditures of funds arising from the regional jail district sales tax trust fund shall be paid pursuant to an appropriation adopted by the commission and shall be approved by the commission. Expenditures may be made from the fund for any function authorized in the order adopted by the commission submitting the regional jail district tax to the voters.

6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such districts. If any district abolishes the tax, the commission shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such district, the director of revenue shall remit the balance in the account to the district and close the account of that district. The director of revenue shall notify each district in each instance of any amount refunded or any check redeemed from receipts due the district.

7. Except as provided in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

8. The provisions of this section shall expire September 30, 2015.

238.235. 1. (1) Any transportation development district may by resolution impose a transportation development district sales tax on all retail sales made in such transportation development district which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of [motor vehicles, trailers, boats or outboard motors nor to all sales of electricity or electrical current, water and gas, natural or artificial, nor to sales of service to telephone subscribers, either local or long distance] **fuel used to power motor vehicles, aircraft, locomotives, or watercraft, or to electricity, piped natural or artificial gas, or other fuels delivered by the seller, and the retail sale or transfer of motor vehicles, aircraft, watercraft, modular homes, manufactured homes, or mobile homes.** Such transportation development district sales tax may be imposed for any transportation development purpose designated by the transportation development district in its ballot of submission to its qualified voters, except that no resolution enacted pursuant to the authority granted by this section shall be effective unless:

(a) The board of directors of the transportation development district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of this section; or

(b) The voters approved the question certified by the petition filed pursuant to subsection 5 of section 238.207.

(2) If the transportation district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of paragraph (a) of subdivision (1) of this subsection, the ballot of submission shall contain, but need not be limited to, the following language:

Shall the transportation development district of (transportation development district's name) impose a transportation development district-wide sales tax at the rate of (insert amount) for a period of (insert number) years from the date on which such tax is first imposed for the purpose of (insert transportation development purpose)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) [The sales tax authorized by this section shall become effective on the first day of the second calendar quarter after the department of revenue receives notification of the tax.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation development district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

(6)] All revenue received by a transportation development district from the tax authorized by this section which has been designated for a certain transportation development purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the qualified voters pursuant to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant to subsection 6 of this section, all funds remaining in the special trust fund shall continue to be used solely for such designated transportation development purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other transportation development district funds.

[(7)] (4) The sales tax may be imposed in increments of one-eighth of one percent, up to a maximum of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the transportation development district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to public utilities. Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. [On and after the effective date of any tax imposed pursuant to this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of Missouri shall be collected together and reported upon such forms and pursuant to such administrative rules and regulations as may be prescribed by the director of revenue.

4. (1) All applicable provisions contained in sections 144.010 to 144.525, governing the state sales tax, sections 32.085 and 32.087 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation

development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

5.] All sales taxes received by the transportation development district shall be deposited by the director of revenue in a special fund to be expended for the purposes authorized in this section. The director of revenue shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

[6.] 4. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with any amendments thereto, shall remain in effect.

[7.] 5. Notwithstanding any provision of sections 99.800 to 99.865 and this section to the contrary, the sales tax imposed by a district whose project is a public mass transportation system shall not be considered economic activity taxes as such term is defined under sections 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of section 99.845, or subsection 4 of section 99.957.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

238.410. 1. Any county transit authority established pursuant to section 238.400 may impose a sales tax of up to one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax imposed under the provisions of this section shall be effective unless the governing body of the county, on behalf of the transit authority, submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the transit authority to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the Transit Authority impose a countywide sales tax of (insert amount) in order to provide revenues for the operation of transportation facilities operated by the transit authority?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the tax shall become effective on the first day of the second calendar quarter following notification to the department of revenue of adoption of the tax. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the transit authority shall have no power to impose the sales tax authorized by this section unless and until another proposal to authorize the transit authority to impose the sales tax authorized by this section has been submitted and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by the transit authority from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely by the transit authority for construction, purchase, lease, maintenance and operation of transportation facilities located within the county for so long as the tax shall remain in effect. Any funds in such special trust fund which are not needed for current expenditures may be invested by the transit authority in accordance with applicable laws relating to the investment of county funds.

4. No transit authority imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment is submitted to and approved by the voters of the county in the same manner as provided in subsection 1 of this section for approval of such tax. Whenever the governing body of any county in which a sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the registered voters of such county voting in the last gubernatorial election, calling for an election to repeal such sales tax, the governing body shall submit to the voters of such county a proposal to repeal the sales tax imposed under the provisions of this section. If a majority of the votes cast on the proposal by the registered voters voting thereon are in favor of the proposal to repeal the sales tax, then such sales tax is repealed. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal the sales tax, then such sales tax shall remain in effect.

5. The sales tax imposed under the provisions of this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate approved pursuant to this section. The amount reported and returned to the director of revenue by the seller shall be computed on the basis of the combined rate of the tax imposed by sections 144.010 to 144.525 and the tax imposed by this section, plus any amounts imposed under other provisions of law.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the applicable provisions of section 144.285 shall apply to all taxable transactions.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by this section. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under chapter 144 are hereby allowed and made applicable to any taxes collected under the provisions of this section. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of those sections are hereby made applicable to violations of this section.

8. [For the purposes of a sales tax imposed pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer, except for tangible personal property sold which is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination

and except for the sale of motor vehicles, trailers, boats and outboard motors, which is provided for in subsection 12 of this section. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which he works.

9.] All sales taxes collected by the director of revenue under this section on behalf of any transit authority, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in this section, shall be deposited in the state treasury in a special trust fund, which is hereby created, to be known as the "County Transit Authority Sales Tax Trust Fund". The moneys in the county transit authority sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each transit authority imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the transit authority which levied the tax.

[10.] 9. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any transit authority for erroneous payments and overpayments made, and may authorize the state treasurer to redeem dishonored checks and drafts deposited to the credit of such transit authorities. If any transit authority abolishes the tax, the transit authority shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such transit authority, the director of revenue shall authorize the state treasurer to remit the balance in the account to the transit authority and close the account of that transit authority. The director of revenue shall notify each transit authority of each instance of any amount refunded or any check redeemed from receipts due the transit authority. The director of revenue shall annually report on his management of the trust fund and administration of the sales taxes authorized by this section. He shall provide each transit authority imposing the tax authorized by this section with a detailed accounting of the source of all funds received by him for the transit authority.

[11.] 10. The director of revenue and any of his deputies, assistants and employees who shall have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of this section shall enter a surety bond or bonds payable to any and all transit authorities in whose behalf such funds have been collected under this section in the amount of one hundred thousand dollars; but the director of revenue may enter into a blanket bond or bonds covering himself and all such deputies, assistants and employees. The cost of the premium or premiums for the surety bond or bonds shall be paid by the director of revenue from the share of the collection retained by the director of revenue for the benefit of the state.

[12.] 11. Sales taxes imposed pursuant to this section and use taxes on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a county where a sales tax is imposed under this section. The amounts so collected, less the one percent collection cost, shall be deposited in the county transit authority sales tax trust fund. The purchase or sale of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the address of the applicant. As used in this subsection, the term "boat" shall only include motorboats and vessels as the terms "motorboat" and "vessel" are defined in section 306.010.

[13.] 12. In any county where the transit authority sales tax has been imposed, if any person is delinquent in the payment of the amount required to be paid by him under this section or in the event a determination has been made against him for taxes and penalty under this section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under this section, the director of revenue shall notify the transit authority to which delinquent taxes are due under this section by United States registered mail or certified mail at least ten days before turning the case over to the attorney general. The transit authority, acting through its attorney, may join in such suit as a party plaintiff to seek a judgment for the delinquent taxes and penalty due such transit authority. In the event any person fails or refuses to pay the amount of any sales tax due under this section, the director of revenue shall promptly notify the transit authority to which the tax would be due so that appropriate action may be taken by the transit authority.

[14.] 13. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by this section, the director of revenue shall permit the transit authority to join in any sale of property to pay the delinquent taxes and penalties due the state and to the transit authority under this section. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such transit authority under this section.

[15. The transit authority created under the provisions of sections 238.400 to 238.412 shall notify any and all affected businesses of the change in tax rate caused by the imposition of the tax authorized by sections 238.400 to 238.412.

16.] 14. In the event that any transit authority in any county with a charter form of government and with more than two hundred fifty thousand but fewer than three hundred fifty thousand inhabitants submits a proposal in any election to increase the sales tax under this section, and such proposal is approved by the voters, the county shall be reimbursed for the costs of submitting such proposal from the funds derived from the tax levied under this section.

15. Except as provided in sections 238.400 to 238.412, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under sections 238.410 to 238.412.

644.032. 1. The governing body of any municipality or county may impose, by ordinance or order, a sales tax in an amount not to exceed one-half of one percent on all retail sales made in such municipality or county which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section and section 644.033 shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section and section 644.033 shall be effective unless the governing body of the municipality or county submits to the voters of the municipality or county, at a municipal, county or state general, primary or special election, a proposal to authorize the governing body of the municipality or county to impose a tax[, provided, that the tax authorized by this section shall not be imposed on the sales of food, as defined in section 144.014, when imposed by any county with a charter form of government and with more than one million inhabitants].

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the municipality (county) of impose a sales tax of (insert amount) for the purpose of providing funding for (insert either storm water control, or local parks, or storm water control and local parks) for the municipality (county)?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter after the director of revenue receives notice of adoption of the tax. (5) The agreement should provide for reduction of the burdens of complying with local sales and use taxes through the following so long as they do not conflict with the provisions of section 144.1012:

(a) Restricting variances between the state and local tax bases;

(b) Requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions;

(c) Restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes; and

(d) Providing notice of changes in local sales and use tax rates and of changes in the boundaries of local taxing jurisdictions;

(6) The agreement should outline any monetary allowances that are to be provided by the states to sellers or certified service providers. The agreement must allow for a joint public and private sector study of the compliance cost on sellers and certified service providers to collect sales and use taxes for state and local governments under various levels of complexity to be completed by July 1, 2003;

(7) The agreement should require each state to certify compliance with the terms of the agreement prior to joining and to maintain compliance, under the laws of the member state, with all provisions of the agreement while a member, only if the agreement and any amendment thereto complies with the provisions of section 144.1012;

(8) The agreement should require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information; and

(9) The agreement should provide for the appointment of an advisory council of private sector representatives and an advisory council of nonmember state representatives to consult with in the administration of the agreement.]

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FORTY-FIFTH DAY, WEDNESDAY, APRIL 3, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Pastor Paul Meinsen.

O LORD our God, there is much to know, much to learn and there is much to pray for each one of us from the Proverbs of Your servant, King Solomon.

I pray, O Father, that each one will be humble in heart for “It is not good to eat much honey, nor is it glory to search out one’s own glory” (*Proverbs 25:27*).

I pray that each will surround himself or herself with good counselors as “He who walks with wise men will be wise, but the companion of fools will suffer harm” (*Proverbs 13:20*) and “If a ruler listens to falsehood, all his officials will become wicked” (*Proverbs 29:12*).

Lord, may each guard his or her words. May truth be spoken for “Excellent speech is not fitting for a fool, much less are lying lips to a prince” (*Proverbs 17:7*). And may each of us speak with much gentleness, “A gentle answer turns away wrath, but a harsh word stirs up anger. The tongue of the wise makes knowledge acceptable, but the mouth of fools spouts folly” (*Proverbs 15:1-2*).

May we all seek wisdom for You have commanded to “Acquire wisdom! Acquire understanding! Do not forsake her, and she will guard you; love her and she will watch over you” (*Proverbs 4:5a-6*).

I pray that we will all pursue righteousness for “Righteousness exalts a nation...” (*Proverbs 14:34a*) and “It is an abomination for kings to commit wicked acts for a throne is established on righteousness” (*Proverbs 16:12*).

May we fear You and You alone; for “The fear of the LORD is the beginning of knowledge; Fools despise wisdom and instruction” (*Proverbs 1:7*).

Draw each one unto Yourself.

We call upon You in this prayer. Please answer and be glorified. For You are good and Your love endures forever.

To the honor of Your name, O Lord, I pray in Your Son’s name. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: John Kempker, Tucker Bernskoetter, Olivia Montgomery, Ethan Montgomery, Jared Boyer, John Mayorga, Gabe Osborn, Connor McClintock, Hunter McClintock, Logan McClintock, Nate Leesmann, Nick Leesmann, Eurelia Leesmann, Austin Bear, Cameron Wiss and Keegan Wiss.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FORTY-SIXTH DAY, THURSDAY, APRIL 4, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Do not be overcome by evil, but overcome evil with good. (Romans 12:21)

Our God, open to us the gates of the morning and reveal to us the glory of a new day as we pause a minute at the altar of prayer. We are facing full days and living through interesting times. For this we need courage and strength and an inner stability of spirit. Grant unto us now the grace of a quiet mind, a steady faith, and a strong will, which will make us more than a match for the mood of this moving moment.

Help us to stand up for the rights of all, for obedience to the laws of our state, and for the principles of good government—believing that Your spirit will guide us, Your power will strengthen us, and Your presence will bless us as we do what we firmly believe to be right. We pray also that the people of Missouri may seek to do what is right and good for all and that we may learn to live together in peace.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Megan Saleny, Breycin Dysart, Dillon Cardwell and Jacob Haley.

The Journal of the forty-fifth day was approved as corrected.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FORTY-SEVENTH DAY, MONDAY, APRIL 8, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Representative Doug Funderburk.

Father, we come before You to claim Your promise in *2 Chronicles 7:14*:

If My people, who are called by My name shall humble themselves, pray, and seek My face and turn from their wicked ways, then will I hear from heaven, forgive their sin, and heal their land.

Father of Abraham, Isaac and Jacob, we are Your people, called by Your name. Thank You for hearing our prayers and moving by Your Spirit in our land.

There are disasters and violence occurring throughout this nation. Men's hearts are failing them because of fear.

Father, we humble ourselves before You. Search us, O God, and know our hearts; try us, and know our thoughts. See if there is any wicked way in us, and lead us in the way everlasting.

Touch our lips with coals from Your altar that we may pray prayers that avail much for all men and women everywhere.

Lord, we desire that You release rivers of living water for the healing of our land.

In the name of Jesus, Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Molly French.

HOUSE CONCURRENT RESOLUTIONS

HCR 11 - Walton Gray

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FORTY-EIGHTH DAY, TUESDAY, APRIL 9, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He looked for a city which hath foundations, whose builder and maker is God. (Hebrews 11:10)

Almighty God, may the spirit of wisdom and compassion move our hearts and our hands as we wait upon You at the altar of prayer. Day after day we pray, night after night we lift our hearts to You, knowing that often our words are without wings and that at times we say what we do not mean. Yet in the midst of the pressure of persistent problems, may we feel the touch of Your healing hand, receive the guidance of Your wise providence and become one with You in the adventure of making Missouri a better place in which to live.

Purge our minds of all prejudice, cleanse our hearts of all cynicism, remove far from us all ill will, and make us builders of the bridges of understanding and good will, which span the differences between people and unite them in the shining endeavor to create a state in which righteousness reigns, peace prevails, and the welfare of all is the desire of every heart.

And the House says, "Amen!"

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FORTY-NINTH DAY, WEDNESDAY, APRIL 10, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Trust ye in the Lord forever; for in the Lord God is everlasting strength. (Isaiah 26:4)

O Lord everlasting, we humbly beseech You that we may always prove ourselves a people mindful of Your favor and glad to do Your will. Bless our state, our people and our leaders, that under the guidance of Your wise and good spirit we may not grow weary in working nor wavering in worship.

Save us from violence and confusion, from pride and prejudice, and from every evil way. Fashion us into one people, united in purpose and spirit, faithful to You and fruitful in all good works as we seek the welfare of all. Endow with wisdom and charity these representatives of Missouri that there may be justice at home and peace in our state. In the time of prosperity fill our hearts with gratitude and in the day of trouble let not our trust in them fail.

And the House says "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Haquan Perkins, Stacy Spencer and Breanna Davison.

(2) "Degradation", the actual or deemed reduction in the useful life of the public right-of-way resulting from the cutting, excavation or restoration of the public right-of-way;

(3) "Emergency", includes but is not limited to the following:

(a) An unexpected or unplanned outage, cut, rupture, leak or any other failure of a public utility facility that prevents or significantly jeopardizes the ability of a public utility to provide service to customers;

(b) An unexpected or unplanned outage, cut, rupture, leak or any other failure of a public utility facility that results or could result in danger to the public or a material delay or hindrance to the provision of service to the public if the outage, cut, rupture, leak or any other such failure of public utility facilities is not immediately repaired, controlled, stabilized or rectified; or

(c) Any occurrence involving a public utility facility that a reasonable person could conclude under the circumstances that immediate and undelayed action by the public utility is necessary and warranted;

(4) "Excavation", any act by which earth, asphalt, concrete, sand, gravel, rock or any other material in or on the ground is cut into, dug, uncovered, removed, or otherwise displaced, by means of any tools, equipment or explosives, except that the following shall not be deemed excavation:

(b) The replacement of utility poles and related equipment at the existing general location that does not involve either a street or sidewalk cut; or

(5) "Management costs" or "rights-of-way management costs", the actual costs a political subdivision reasonably incurs in managing its public rights-of-way, including such costs, if incurred, as those associated with the following:

In managing the public right-of-way, a political subdivision may:

(a) Require construction performance bonds or insurance coverage or demonstration of self-insurance at the option of the political subdivision or if the public utility right-of-way user has twenty-five million dollars in net assets and does not have a history of permitting noncompliance within the political subdivision as defined by the political subdivision, then the public utility right-of-way user shall not be required to provide such bonds or insurance;

(b) Establish coordination and timing requirements that do not impose a barrier to entry;

(c) Require public utility right-of-way users to submit, for right-of-way projects commenced after August 28, 2001, requiring excavation within the public right-of-way, whether initiated by a political subdivision or any public utility right-of-way user, project data in the form maintained by the user and in a reasonable time after receipt of the request based on the amount of data requested;

(e) Establish removal requirements for abandoned equipment or facilities, if the existence of such facilities prevents or significantly impairs right-of-way use, repair, excavation or construction;

- (f) Establish permitting requirements for towers and other structures or equipment for wireless communications facilities in the public right-of-way, notwithstanding the provisions of section 67.1832;
- (g) Establish standards for street restoration in order to lessen the impact of degradation to the public right-of-way; and
- (h) Impose permit conditions to protect public safety;
- (7) "Political subdivision", a city, town, village, county of the first classification or county of the second classification;
- (8) "Public right-of-way", the area on, below or above a public roadway, highway, street or alleyway in which the political subdivision has an ownership interest, but not including:

 - (b) Easements obtained by utilities or private easements in platted subdivisions or tracts;
 - (c) Railroad rights-of-way and ground utilized or acquired for railroad facilities; or
 - (d) [Poles,] Pipes, cables, conduits, wires, optical cables, or other means of transmission, collection or exchange of communications, information, substances, data, or electronic or electrical current or impulses utilized by a municipally owned or operated utility pursuant to chapter 91 or pursuant to a charter form of government;
- (9) "Public utility", every cable television service provider, every pipeline corporation, gas corporation, electrical corporation, rural electric cooperative, telecommunications company, water corporation, heating or refrigerating corporation or sewer corporation under the jurisdiction of the public service commission; every municipally owned or operated utility pursuant to chapter 91 or pursuant to a charter form of government or cooperatively owned or operated utility pursuant to chapter 394; every street light maintenance district; every privately owned utility; and every other entity, regardless of its form of organization or governance, whether for profit or not, which in providing a public utility type of service for members of the general public, utilizes pipes, cables, conduits, wires, optical cables, or other means of transmission, collection or exchange of communications, information, substances, data, or electronic or electrical current or impulses, in the collection, exchange or dissemination of its product or services through the public rights-of-way;
- (10) "Public utility right-of-way user", a public utility owning or controlling a facility in the public right-of-way; and
- (11) "Right-of-way permit", a permit issued by a political subdivision authorizing the performance of excavation work in a public right-of-way.

67.1836. 1. A political subdivision may deny an application for a right-of-way permit if:

- (1) The public utility right-of-way user fails to provide all the necessary information requested by the political subdivision for managing the public right-of-way;
- (2) The public utility right-of-way user has failed to return the public right-of-way to its previous condition under a previous permit;
- (3) The political subdivision has provided the public utility right-of-way user with a reasonable, competitively neutral, and nondiscriminatory justification for requiring an alternative method for performing the work identified in the permit application or a reasonable alternative route that will result in neither additional installation expense up to ten percent to the public utility right-of-way user nor a declination of service quality;
- (4) The political subdivision determines that the denial is necessary to protect the public health and safety, provided that the authority of the political subdivision does not extend to those items under the jurisdiction of the public service commission, such denial shall not interfere with a public utility's right of eminent domain of private property, and such denials shall only be imposed on a competitively neutral and nondiscriminatory basis; or
- (5) The area is environmentally sensitive as defined by state statute or federal law or is a historic district as defined by local ordinance.

2. A political subdivision may, after reasonable notice and an opportunity to cure, revoke a right-of-way permit granted to a public utility right-of-way user, with or without fee refund, and/or impose a penalty as established by the political subdivision until the breach is cured, but only in the event of a substantial breach of the terms and material conditions of the permit. A substantial breach by a permittee includes but is not limited to:

- (1) A material violation of a provision of the right-of-way permit;
- (2) An evasion or attempt to evade any material provision of the right-of-way permit, or the perpetration or attempt to perpetrate any fraud or deceit upon the political subdivision or its citizens;
- (3) A material misrepresentation of fact in the right-of-way permit application;
- (4) A failure to complete work by the date specified in the right-of-way permit, unless a permit extension is obtained or unless the failure to complete the work is due to reasons beyond the permittee's control; and

(5) A failure to correct, within the time specified by the political subdivision, work that does not conform to applicable national safety codes, industry construction standards, or local safety codes that are no more stringent than national safety codes, upon inspection and notification by the political subdivision of the faulty condition.

3. Any political subdivision that requires public utility right-of-way users to obtain a right-of-way permit, except in an emergency, prior to performing excavation work within a public right-of-way shall promptly, but not longer than thirty-one days, process all completed permit applications. **If a political subdivision fails to act on an application for a right-of-way permit within thirty-one days, the application shall be deemed approved.** In order to avoid excessive processing and accounting costs to either the political subdivision or the public utility right-of-way user, the political subdivision may establish procedures for bulk processing of permits and periodic payment of permit fees.

67.1838. [1.] A public utility right-of-way user that has been denied a right-of-way permit, has had its right-of-way permit revoked, believes that the fees imposed on the public right-of-way user by the political subdivision do not conform to the requirements of section 67.1840, **believes the political subdivision has violated any provision of sections 67.1830 to 67.1848**, or asserts any other issues related to the use of the public right-of-way, [shall have, upon written request, such denials, revocations, fee impositions, or other disputes reviewed by the governing body of the political subdivision or an entity assigned by the governing body for this purpose. The governing body of the political subdivision or its delegated entity shall specify, in its permit processing schedules, the maximum number of days by which the review request shall be filed in order to be reviewed by the governing body of the political subdivision or its delegated entity. A decision affirming the denial, revocation, fee imposition or dispute resolution shall be in writing and supported by written findings establishing the reasonableness of the decision.

2. Upon affirmation by the governing body of the denial, revocation, fee imposition or dispute resolution, the public utility right-of-way user may, in addition to all other remedies and if both parties agree, have the right to have the matter resolved by mediation or binding arbitration. Binding arbitration shall be before an arbitrator agreed to by both the political subdivision and the public utility right-of-way user. The costs and fees of a single arbitrator shall be borne equally by the political subdivision and the public utility right-of-way user.

3. If the parties cannot agree on an arbitrator, the matter shall be resolved by a three-person arbitration panel consisting of one arbitrator selected by the political subdivision, one arbitrator selected by the public utility right-of-way user, and one person selected by the other two arbitrators. In the event that a three-person arbitrator panel is necessary, each party shall bear the expense of its own arbitrator and shall jointly and equally bear with the other party the expense of the third arbitrator and of the arbitration.

4. Each party to the arbitration shall pay its own costs, disbursements and attorney fees] **may bring an action for review in any court of competent jurisdiction. The court shall rule on any such petition for review within forty-five days of service. The petition for review shall be deemed granted if the court fails to rule within the forty-five-day time period.**

67.1842. 1. In managing the public right-of-way and in imposing fees pursuant to sections 67.1830 to 67.1846, no political subdivision shall:

(1) Unlawfully discriminate among public utility right-of-way users;
 (2) Grant a preference to any public utility right-of-way user;
 (3) Create or erect any unreasonable requirement for entry to the public right-of-way by public utility right-of-way users;

(4) Require a telecommunications company to obtain a franchise or require a public utility right-of-way user to pay for the use of the public right-of-way, except as provided in sections 67.1830 to 67.1846; [or]

(5) Enter into a contract or any other agreement for providing for an exclusive use, occupancy or access to any public right-of-way; **or**

(6) Require any public utility that has legally been granted access to the political subdivision's right-of-way prior to August 28, 2001, to enter into an agreement or obtain a permit for general access to or the right to remain in the right-of-way of the political subdivision.

2. A public utility right-of-way user shall not be required to apply for or obtain right-of-way permits for projects commenced prior to August 28, 2001, requiring excavation within the public right-of-way, for which the user has obtained the required consent of the political subdivision, or that are otherwise lawfully occupying or performing work within the public right-of-way. The public utility right-of-way user may be required to obtain right-of-way permits prior to any excavation work performed within the public right-of-way after August 28, 2001.

3. A political subdivision shall not collect a fee imposed pursuant to section 67.1840 through the provision of in-kind services by a public utility right-of-way user, nor require the provision of in-kind services as a condition of consent to use the political subdivision's public right-of-way; however, nothing in this subsection shall preclude requiring

services of a cable television operator, open video system provider or other video programming provider as permitted by federal law."; and

The applicant or recipient shall continue to receive benefits while participating in the treatment program. The department may test the applicant or recipient for illegal drug use at random or set intervals, at the department's discretion, after such period. If the applicant or recipient tests positive for the use of illegal drugs a second time, then such applicant or recipient shall be declared ineligible for temporary assistance for needy families benefits for a period of three years from the date of the administrative hearing decision. The department shall refer an applicant or recipient who tested positive for the use of a controlled substance under this section to an appropriate substance abuse treatment program approved by the division of alcohol and drug abuse within the department of mental health.

2. Case workers of applicants or recipients shall be required to report or cause a report to be made to the children's division in accordance with the provisions of sections 210.109 to 210.183 for suspected child abuse as a result of drug abuse in instances where the case worker has knowledge that:

- (1) An applicant or recipient has tested positive for the illegal use of a controlled substance; or
- (2) An applicant or recipient has refused to be tested for the illegal use of a controlled substance.

3. Other members of a household which includes a person who has been declared ineligible for temporary assistance for needy families assistance shall, if otherwise eligible, continue to receive temporary assistance for needy families benefits as protective or vendor payments to a third-party payee for the benefit of the members of the household.

4. The department of social services shall promulgate rules to develop the screening and testing provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2011, shall be invalid and void.

5. Notwithstanding the department's screening program developed pursuant to subsection 1, case workers shall be given the ultimate discretion to determine whether there is reasonable cause to believe an applicant or recipient engages in the illegal use of controlled substances. The department is prohibited from promulgating any rule or policy that would prohibit a case worker of applicants or recipients from requiring a test for any applicant or recipient the case worker has reasonable cause to believe engages in the illegal use of controlled substances.

6. Any department employee who prohibits the drug testing of an applicant or recipient when the case worker has reasonable cause to believe the applicant or recipient engages in the illegal use of controlled substances shall be subject to immediate termination of employment."; and

On motion of Representative Wilson, **House Amendment No. 2** was adopted.

Representative Fitzpatrick offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 343, Page 6, Section 208.022, Line 7, by inserting after all of said section and line the following:

"208.042. 1. In households containing recipients of [aid to families with dependent children] **temporary assistance for needy families** benefits, each [appropriate child, relative or other eligible individual] **recipient** sixteen years of age or over, **with the exception of recipients under the age of nineteen who are enrolled full-time in high school**, shall [be referred by the division of family services to the United States Secretary of Labor or his representative for participation in employment, training, work incentive or special work projects when established and operated by the secretary,] **participate in work activities in accordance with federal regulations** to afford such individuals opportunities to work in the regular economy and to attain independence through gainful employment.

2. The [division of family services] **department of social services**, pursuant to applicable federal law and regulations, shall determine the standards and procedures for the referral of individuals for [employment, training, work incentive and special work projects,] **work activities**, which shall not be refused by such individuals without good cause; but no recipient [or other eligible individual in the household] shall be required to participate in such work [programs] **activities** if the person is

3. [The division of family services shall pay to the United States Secretary of Labor or his representative up to twenty percent of the total cost, in cash or in kind, of the work incentive programs operated for the benefit of the eligible persons referred by the division of family services; and the division of family services shall pay an amount to the secretary for eligible persons referred to and participating in special work projects not to exceed the maximum monthly payments authorized under sections 208.041 and 208.150 for recipients of public assistance benefits. An allowance in addition to the maximum fixed by section 208.150 may also be made by the division of family services for the reasonable expenses of any needy child or needy eligible relative which are attributable to his participating in a work training or work incentive program.

4.] If [an eligible child or relative] **a recipient** refuses without good cause to participate in any work [training or work incentive program to which he has been referred, payment to or on behalf of the child or relative] **activity, his or her benefits** may be continued for not more than sixty days thereafter, but in such cases payments shall be made pursuant to subsection 2 of section 208.180. If a [relative] **recipient** has refused to so participate, payments on behalf of the eligible children cared for by the [relative] **recipient** shall be made pursuant to subsection 2 of section 208.180.

[5.] **4.** The [division of family services] **department of social services** is authorized to expend funds to provide child day care services, when appropriate, for the care of children required by the absence of adult persons from the household due to [referral and participation in employment, training, work incentive programs or special work projects] **work activities.**

5. The provisions of this section shall be subject to compliance by the department with all applicable federal laws and rules regarding temporary assistance for needy families."; and

Further amend said bill, Section 208.048, Page 6, Line 10, by inserting after all of said section and line the following:

"208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as defined in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the

term "temporary leave of absence" shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians' services, whether furnished in the office, home, hospital, nursing home, or elsewhere;

(7) Drugs and medicines when prescribed by a licensed physician, dentist, or podiatrist; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, or podiatrist may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

(8) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

(9) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(10) Home health care services;

(11) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in his professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(12) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. 1396d, et seq.);

(13) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(14) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198 shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if her or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(15) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with

a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(16) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. 301, et seq.) subject to appropriation by the general assembly;

(17) Beginning July 1, 1990, the services of a certified pediatric or family nursing practitioner with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(18) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(19) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(20) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(21) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(22) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(24) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the division of medical services, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as defined in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subsection, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (14) and (15) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. 1396, et seq.) and regulations thereunder. When substitution of a generic

drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the Missouri MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. 1396a (a)(13)(C).

10. The MO HealthNet division, may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

12. The MO HealthNet division shall screen all recipients of MO HealthNet benefits to determine if such recipients are eligible to participate in the health insurance premium payment (HIPP) program. All eligible recipients shall participate in the HIPP program if it is determined to be cost effective for the division."; and

Further amend said bill, Page 8, Section 1, Lines 1-11, by deleting all of said lines and inserting in lieu thereof the following:

"Section 1. Notwithstanding any provision of law to the contrary, the department shall establish and implement a welfare-to-work program that requires all recipients of temporary assistance for needy families benefits to make at least twenty job contacts per week. The department shall allow recipients to work as unpaid interns for a governmental entity and shall only require those working as interns to make at least ten job contacts per week. After the first month of making job contacts, any recipient of temporary assistance for needy families

benefits that has not obtained employment that provides on average twenty hours per week of employment shall be required to work as an unpaid intern for a governmental entity and shall only be required to make at least ten job contacts per week. Any county, city or other political subdivision shall be allowed to submit to the department available intern positions in which temporary assistance recipients may be placed. The provisions of this section shall not apply to any recipient under the age of nineteen who is enrolled in high school full-time. The director of the department of social services shall apply for all waivers of requirements under federal law necessary to implement the provisions of this section with full federal participation. The provisions of this section shall be implemented, subject to appropriation, as waivers necessary to ensure continued federal participation are received."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE BILLS WITH SENATE AMENDMENTS

SS HCS HJR 11 & 7, as amended - Reiboldt

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTIETH DAY, THURSDAY, APRIL 11, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed is the man where strength is in thee. (Psalm 84:5)

Eternal God, grant unto us the spirit of understanding and good will as we face the glory of a new day by waiting upon You in this moment of prayer after a long day yesterday. We would be still in Your presence and receive the strength which sustains us, the wisdom which makes us wise and the peace which holds us steady through troubled times.

Forgive our impatience revealed in discouragements, outbursts of temper and hasty words we so often regret. Forgive our impetuosity made known in worried attitudes, careless conversation and hurried actions for which we are so repeatedly sorry. Strengthen us to do our best in this hour of our state's need - to think constructively, to speak courageously, and to act confidently that here in this place people may see democracy in action and democracy at its very best.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Christian Cecil, Paul Wilson, Alexis Leara, Megan Flynn, Braden Harwell and Ben Kniepkamp.

The Journal of the forty-ninth day was approved as corrected.

HOUSE COURTESY RESOLUTIONS OFFERED AND ISSUED

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-FIRST DAY, MONDAY, APRIL 15, 2013

The House met pursuant to adjournment.

Representative Leara in the Chair.

Prayer by Representative Caleb Rowden.

Dear Father, we thank You for the wonderful opportunity You have given us to serve the people of Missouri. It is an honor we do not and will not take for granted. We thank You for the reality of grace that assures us that even in our weakness, You are strong. In our darkness, You are light. And in our chaos, You are peace.

As we begin another day in this great chamber, may we be reminded that our decisions aren't simply about politics, but people. Give us wisdom that surpasses partisan thought, and give us discernment to recognize every consequence, both good and bad, for the decisions we make.

May we see the world the way You see the world...with eyes of compassion. May our hearts be softened to the realities of those who are struggling in our state, and may we all recognize that caring for the least and lowly is more than just something we can do through legislation, but something we can live out every day of our lives, as You have commanded us to do.

May You be glorified in the words that are heard throughout this building today. We thank You for giving us life, and offering us love. May we do the same today.

We pray this in the name of Your son Jesus - Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the fiftieth day was approved as printed.

HOUSE BILLS WITH SENATE AMENDMENTS

SS HCS HJR 11 & 7, as amended - Reiboldt

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-SECOND DAY, TUESDAY, APRIL 16, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

The Lord is nigh unto all them that call upon Him, to all that call upon Him in truth. (Psalm 145:18)

Our God, we bow before You in the quiet peace of this moment. Our hearts are filled with gratitude for all the privileges and opportunities which are ours, as members of this body. Knowing that we can show our thankfulness through lives of usefulness to You, we pray that You will give us courage in the face of temptation, confidence when confronted by difficulties and calmness amid danger with our prayers for the victims of the Boston Marathon bombing. As You have made this world for our use, grant that the trials of life may not, through our grumbling ingratitude, be turned into occasions of unhappiness and misery, but that we may accept with cheerfulness whatever You send our way.

Make us true and just in all our dealings and straightforward in all our conversations. Give us, we pray to You, such quiet strength as will enable us to prevail without loud speaking, and such gentleness of spirit as will enable us to use our strength with due regard for the rights of others. Reveal to us the path we should take, tune our ears to hear Your call, keep us ever in Your way, and be with us as we go.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Gabrielle Brinkley, Semiah Cole, Wisdom Channel, Denaijah Curry, Symyia Dunlap, Riquel Foster, Aja Hasam, Asia Hudson, Fairah Jeffries, Marquia Long, Rashyra McGill, Zayla Montgomery, Mikayla Patterson, Kyra Perry, Ahimina Poe, Samone Sloan, Alexis Ward, Kierra Welch, Grace Kertz, Thomas Vitt, Rory Meister and Alex Huggins.

The Journal of the fifty-first day was approved as corrected.

HB 274, relating to newborn screenings, was taken up by Representative Brattin.

Representative Brattin offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 274, Page 1, Section 191.334, Lines 1 to 14, by deleting all of said section and lines and inserting in lieu thereof the following:

"191.334. 1. This section shall be known and may be cited as "Chloe's Law".

2. Effective January 1, 2014, every newborn infant born in this state shall be screened for critical congenital heart disease in accordance with the provisions of this section.

3. Every newborn delivered on or after January 1, 2014, in an ambulatory surgical center, birthing center, or hospital shall be screened for critical congenital heart disease with pulse oximetry or other manner as directed by the department of health and senior services in accordance with the American Academy of Pediatrics and American Heart Association guidelines prior to discharge of the newborn from the facility. Such facilities shall report the screening results on all newborns to the parents or guardian of the newborn and the department of health and senior services in a manner prescribed by the department for surveillance purposes. Such facilities shall develop and implement plans to ensure that newborns with positive screens receive appropriate confirmatory procedures and referral for treatment as indicated.

4. If a newborn is delivered in a place other than the facilities listed in subsection 3 of this section, the physician or person who professionally undertakes the pediatric care of the newborn shall ensure that critical congenital heart disease newborn screening is performed. Such physicians and persons shall report the screening results on all newborns to the parents or guardian of the newborn, and the department of health and senior services in a manner prescribed by the department for surveillance purposes.

5. The provisions of this section shall not apply if the parents of the newborn object to such testing on the grounds that such tests conflict with their religious tenets and practices. The parent of any newborn who refuses to have the critical congenital heart disease screening test administered after notice of the requirement for such test shall have such refusal documented in writing. Such physicians, persons, or administrators shall obtain the written refusal and make such refusal part of the medical record of the newborn, and shall report such refusal to the department of health and senior services in a manner prescribed by the department.

6. Prior to administering the screening, the physician or person who professionally undertakes the pediatric care of the newborn, and administrators of ambulatory surgical centers, birthing centers, or hospitals may provide to the parents or guardians of newborns a written packet of educational information developed and supplied by the department of health and senior services describing the screening, how it is conducted, available options for confirmatory procedures and treatment, the nature of the critical congenital heart disease, and the possible consequences of treatment and non treatment for critical congenital heart disease.

7. The department of health and senior services shall provide consultation and administrative technical support to facilities and persons implementing the requirements of this section including, but not limited to, assistance in:

(1) Developing and implementing critical congenital heart disease newborn screening protocols based on the American Academy of Pediatrics and American Heart Association guidelines;

(2) Developing and training for facilities and persons on implementation of protocols;

(3) Developing and distributing educational materials for families; and

(4) Implementing reporting requirements.

8. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-THIRD DAY, WEDNESDAY, APRIL 17, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

*The Lord shall preserve thy going out and thy coming in from this time forth and even forevermore.
(Psalm 121:8)*

Eternal God, at the beginning of another day, we pause a moment in Your presence seeking guidance at Your hand, strength for the day and wisdom for the decisions we have to make.

May Your blessings rest upon these Representatives of our citizens - especially our newest member, who will be sworn in today - and may Your spirit move in their hearts as they seek to promote justice in Missouri, good will between our people and cooperation among our leaders. As a result of their endeavors may obedience to law, the rights of the individual and loyalty to our country be firmly established among us. God bless America, God bless Missouri; keep us true to You and free now and forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Andrew Hildebrand, Mikayla Hildebrand and Cameron Newsome.

The Journal of the fifty-second day was approved as printed.

(a) Is presumed to be the father pursuant to the subdivision (1), (2), or (3) of subsection 1 of section 210.822; or

(b) Has filed an action to establish his paternity in a court of competent jurisdiction no later than [fifteen] **sixty** days after the birth of the child and has served a copy of the petition on the mother in accordance with section 506.100; or

(c) Filed with the putative father registry pursuant to section 192.016 a notice of intent to claim paternity or an acknowledgment of paternity either prior to or within [fifteen] **sixty** days after the child's birth, and has filed an action to establish his paternity in a court of competent jurisdiction no later than [fifteen] **sixty** days after the birth of the child; or

(3) The child's current adoptive parents or other legally recognized mother and father. Upon request by the petitioner and within one business day of such request, the clerk of the local court shall verify whether such written consents have been filed with the court.

4. The written consent required in subdivisions (2) and (3) of subsection 3 of this section may be executed before or after the commencement of the adoption proceedings, and shall be acknowledged before a notary public. In lieu of such acknowledgment, the signature of the person giving such written consent shall be witnessed by the signatures of at least two adult persons whose signatures and addresses shall be plainly written thereon. The two adult witnesses shall not be the prospective adoptive parents or any attorney representing a party to the adoption proceeding. The notary public or witnesses shall verify the identity of the party signing the consent.

5. The written consent required in subdivision (1) of subsection 3 of this section by the birth parent shall not be executed anytime before the child is forty-eight hours old. Such written consent shall be executed in front of a judge or a notary public. In lieu of such acknowledgment, the signature of the person giving such written consent shall be witnessed by the signatures of at least two adult persons who are present at the execution whose signatures and addresses shall be plainly written thereon and who determine and certify that the consent is knowingly and freely given. The two adult witnesses shall not be the prospective adoptive parents or any attorney representing a party to the adoption proceeding. The notary public or witnesses shall verify the identity of the party signing the consent.

6. The written consents shall be reviewed and, if found to be in compliance with this section, approved by the court within three business days of such consents being presented to the court. Upon review, in lieu of approving the consent within three business days, the court may set a date for a prompt evidentiary hearing upon notice to the parties. Failure to review and approve the written consent within three business days shall not void the consent, but a party may seek a writ of mandamus from the appropriate court, unless an evidentiary hearing has been set by the court pursuant to this subsection.

7. The written consent required in subsection 3 of this section may be withdrawn anytime until it has been reviewed and accepted by a judge.

8. A consent form shall be developed through rules and regulations promulgated by the department of social services. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. If a written consent is obtained after August 28, 1997, but prior to the development of a consent form by the department and the written consent complies with the provisions of subsection 9 of this section, such written consent shall be deemed valid.

9. However, the consent form must specify that:

(1) The birth parent understands the importance of identifying all possible fathers of the child and may provide the names of all such persons; and

(2) The birth parent understands that if he denies paternity, but consents to the adoption, he waives any future interest in the child.

10. The written consent to adoption required by subsection 3 and executed through procedures set forth in subsection 5 of this section shall be valid and effective even though the parent consenting was under eighteen years of age, if such parent was represented by a guardian ad litem, at the time of the execution thereof.

11. Where the person sought to be adopted is eighteen years of age or older, his written consent alone to his adoption shall be sufficient.

12. A birth parent, including a birth parent less than eighteen years of age, shall have the right to legal representation and payment of any reasonable legal fees incurred throughout the adoption process. In addition, the court may appoint an attorney to represent a birth parent if:

(1) A birth parent requests representation;

(2) The court finds that hiring an attorney to represent such birth parent would cause a financial hardship for the birth parent; and

(3) The birth parent is not already represented by counsel.

13. Except in cases where the court determines that the adoptive parents are unable to pay reasonable attorney fees and appoints pro bono counsel for the birth parents, the court shall order the costs of the attorney fees incurred pursuant to subsection 12 of this section to be paid by the prospective adoptive parents or the child-placing agency."; and

On motion of Representative Torpey, **HB 510, as amended**, was ordered perfected and printed.

Representative Diehl assumed the Chair.

HB 503, relating to the Paperless Documents and Forms Act, was taken up by Representative McCaherty.

Representative McCaherty offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Bill No. 503, Page 2, Section 32.400, Line 25, by inserting after all of said section the following:

"34.040. 1. All purchases in excess of three thousand dollars shall be based on competitive bids, except as otherwise provided in this chapter.

2. On any purchase where the estimated expenditure shall be twenty-five thousand dollars or over, except as provided in subsection 5 of this section, the commissioner of administration shall:

(1) Advertise for bids in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before bids for such purchases are to be opened. Other methods of advertisement, which may include minority business purchase councils, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post a notice of the proposed purchase in his or her office; and

(3) Solicit bids by mail or other reasonable method generally available to the public from prospective suppliers.

All bids for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening bids.

3. The contract shall be let to the lowest and best bidder. The commissioner of administration shall have the right to reject any or all bids and advertise for new bids, or purchase the required supplies on the open market if they can be so purchased at a better price. When bids received pursuant to this section are unreasonable or unacceptable as to terms and conditions, noncompetitive, or the low bid exceeds available funds and it is determined in writing by the commissioner of administration that time or other circumstances will not permit the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this section, provided that each responsible bidder who submitted such bid under the original solicitation is notified of the determination and is given a reasonable opportunity to modify their bid and submit a best and final bid to the state. In cases where the bids received are noncompetitive or the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

4. **The director of the department of revenue shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. No points shall be awarded on a request for proposal for a contract license office to a bidder for a return-to-the-state provision offer.**

5. All bids shall be based on standard specifications wherever such specifications have been approved by the commissioner of administration. The commissioner of administration shall make rules governing the delivery, inspection, storage and distribution of all supplies so purchased and governing the manner in which all claims for supplies delivered shall be submitted, examined, approved and paid. The commissioner shall determine the amount of bond or deposit and the character thereof which shall accompany bids or contracts.

[5] 6. The department of natural resources may, without the approval of the commissioner of administration required pursuant to this section, enter into contracts of up to five hundred thousand dollars to abate illegal waste tire sites pursuant to section 260.276 when the director of the department determines that urgent action is needed to protect public health, safety, natural resources or the environment. The department shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

[6] 7. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise."; and

2. Further amend said bill, Page 2, Section 32.400, Line 25, by inserting after all of said section and line the following:

"620.035. 2. Information restricted under subsection 1 of this section may be disclosed if allowed under 18 U.S.C. Sections 2721 to 2725 as amended, however, such information shall not be disclosed to a business entity except for the purpose of verifying information voluntarily provided to the business.

3. Any person may bring a claim against the department of revenue in a court of proper jurisdiction alleging a violation of this section and asking for civil damages in an amount not to exceed ten thousand dollars, attorney fees and costs, and such injunctive relief as a court deems proper. A violation shall consist of the unauthorized release of information with regard to a particular person, without regard to the type or quantity of information released.

4. If the department of revenue chooses to release information in accordance with subsection 2 of this section, the department shall charge only such actual fees as necessary to process the request for information, but in no case shall the fees charged exceed the amount that is charged for a substantially similar information request under chapter 610."; and

"191.334. 1. This section shall be known and may be cited as "Chloe's Law".

2. Effective January 1, 2014, every newborn infant born in this state shall be screened for critical congenital heart disease in accordance with the provisions of this section.

3. Every newborn delivered on or after January 1, 2014, in an ambulatory surgical center, birthing center, or hospital shall be screened for critical congenital heart disease with pulse oximetry or other manner as directed by the department of health and senior services in accordance with the American Academy of Pediatrics and American Heart Association guidelines prior to discharge of the newborn from the facility. Such facilities shall report the screening results on all newborns to the parents or guardians of the newborn and the department of health and senior services in a manner prescribed by the department for surveillance purposes. Such facilities shall develop and implement plans to ensure that newborns with positive screens receive appropriate confirmatory procedures and referral for treatment as indicated.

5. The provisions of this section shall not apply if a parent or guardian of the newborn objects to such screening on the grounds that it conflicts with their religious tenets and practices. The parent or guardian of any newborn who refuses to have the critical congenital heart disease screening administered after notice of the requirement for such screening shall have such refusal documented in writing. Such physicians, persons, or administrators shall obtain the written refusal and make such refusal part of the medical record of the newborn, and shall report such refusal to the department of health and senior services in a manner prescribed by the department for the purposes of determining the number of newborns whose parent or guardian refused the screening.

7. The department of health and senior services shall provide consultation and administrative technical support to facilities and persons implementing the requirements of this section including, but not limited to, assistance in:

(1) Developing and implementing critical congenital heart disease newborn screening protocols based on the American Academy of Pediatrics and American Heart Association guidelines;

(2) Developing and training facilities and persons on implementation of protocols;

(3) Developing and distributing educational materials for families; and

A request for a review shall be deemed filed when properly addressed and delivered to the United States Postal Service for mailing with postage prepaid. A review officer shall be appointed by the provider to review such claim. In reviewing a claim, any issue that has previously been litigated in a court proceeding shall not be considered by the review officer. If the patient seeks a review of the claim and the review officer finds either that the claim is invalid or the claim does not qualify as an eligible claim under this section, the review officer's determination shall be final and binding on the provider and such provider shall have no right to appeal such determination. If all or part of the claim is found by the review officer to be valid and eligible for setoff under this section, the review officer shall notify the provider and the patient of such fact. Such notice shall:

A decision made after an appeal under this section shall determine whether a claim is owed to the provider, the amount of the claim, and whether the claim is an eligible claim under this section.

(3) Advise the patient that if he or she challenges the appeals committee's determination under this subsection, the provider will not be permitted to setoff the provider's claim against the patient's refund under this section, unless and until the provider files suit against the patient in court seeking a determination that the provider's claim is valid regarding the amount of the claim and that the claim is eligible for setoff under this section, and the court determines that the provider's claim is valid, the amount of the provider's claim, and that provider's claim is eligible for setoff under this section; and

(4) Advise the patient that if the patient does not challenge the appeals committee's determination under this subsection, the provider will submit the claim to the claim clearinghouse for setoff by the department under this subsection.

6. If the provider prevails in the lawsuit filed under subsection 5 of this section, the provider may submit the claim to the claim clearinghouse for setoff by the department under this section. If the patient prevails in the lawsuit filed by the provider under subsection 5 of this section, the provider shall be:

(1) Forever barred from submitting the claim to the claim clearinghouse for setoff by the department under this section;

7. Any provider may submit a claim to the claim clearinghouse for review. In connection with its submission of a claim to the claim clearinghouse, the provider, whenever possible, shall provide the claim clearinghouse with the patient's full name, Social Security number, address, and any other identifying information that the department advises the claim clearinghouse is necessary for the department to setoff the claim under this section. The provider shall also provide the claim clearinghouse with information demonstrating the provider's compliance with the requirements of this section with respect to the claim.

8. If the claim clearinghouse receives sufficient evidence that a provider has fully complied with the requirements of this section and finds the claim valid, the claim shall be deemed eligible for setoff by the department under this section and shall be forwarded to the department. In connection with its submission of the claim to the department, the claim clearinghouse, whenever possible, shall provide the department with the patient's full name, Social Security number, address, and any other identifying information that the department advises the claim clearinghouse is necessary for the department to setoff the claim under this section.

10. If the department determines that a patient identified by a provider in an eligible claim filed with the department is entitled to a refund, the department shall notify the claim clearinghouse that a refund is available for setoff and the amount of such refund, and whether the refund results from a joint or combined return. Notwithstanding any provision of section 32.057 and any other confidentiality statute of this state to the contrary, the department may provide the claim clearinghouse with all information necessary to accomplish and carry out the provisions of this section and section 143.789, but shall not provide the claim clearinghouse with any information whose disclosure is prohibited by Section 6103(d) of the Internal Revenue Code of 1986, as amended. The information obtained by the claim clearinghouse from the department in accordance with this section and section 143.789 shall retain its confidentiality and shall only be used by the claim clearinghouse for the purpose described in this section and section 143.789.

11. (1) At that time, the department shall also notify the patient by regular mail that setoff against the patient's tax refund has been authorized under this section. The notice shall include the following information:

- (b) That a setoff to the patient's refund against the eligible claim has been performed; and
- (c) Any amount of the refund remaining after the offset of the eligible claim.

(2) In the case of a joint or combined return, the notice shall also state the name of the nonobligated taxpayer named in the return, if any, against whom no claim is asserted, the fact that no claim is asserted against such taxpayer, and the fact that such taxpayer is entitled to receive a refund if it is due the taxpayer regardless of the claim asserted against the taxpayer's spouse. In order to obtain the refund due the taxpayer, the taxpayer shall apply in writing for an apportionment of the refund with the department within thirty days of the date of receipt of the notice unless, in anticipation of the setoff of the taxpayer's spouse's refund, such nonobligated taxpayer provided the department with a request for apportionment of the anticipated refund that was filed at the same time the original tax return was filed, in which case the department shall determine the apportionment of the refund and forward the determination of apportionment and the nonobligated taxpayer's portion of the refund to the nonobligated taxpayer within fifteen working days of the transfer of the obligated taxpayer's portion of the refund to the claim clearinghouse. Unless a request for apportionment of the anticipated refund was provided to the department as provided in this section, within ninety days after the filing of such taxpayer's application for apportionment of the refund with the department, a determination of apportionment shall be mailed to the nonobligated taxpayer by the department. The apportionment of the refund shall be final upon the expiration of thirty days from the date on which the determination of apportionment is mailed to the nonobligated taxpayer unless, within such thirty-day period, the nonobligated taxpayer applies in writing for a hearing with the department.

12. The department shall then pay to the claim clearinghouse the amount that the department has setoff for such provider, which shall include the collection assistance allocable to the claim clearinghouse. In the event the department is unable to setoff the entire eligible claim and collection assistance fee under this section, the setoff of the collection assistance fee shall have priority over the setoff of the eligible claim. If, after the department has paid to the claim clearinghouse the amount that the department has setoff for the provider, and the provider is found not to have complied with any applicable requirement of this section, the provider shall send to the patient the entire amount of the claim offset by the department for the provider plus an amount equal to the collection assistance fee.

13. In addition to refunds, lottery prize payouts made under section 313.321 shall be subject to the setoff procedures established in this section.

14. The director of the department of revenue and the director of the department of health and senior services shall promulgate rules and regulations necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void."; and

2. (1) No such order or ordinance shall become effective unless the governing body of the city submits to the voters of the city at a state general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section. The ballot language shall be in substantially the following form:

"Shall the City of (insert city name) impose a tax on the charges for all sleeping rooms paid by the transient guests of hotels, motels, and bed and breakfast inns in the city at a rate not to exceed six percent per occupied room per night for the sole purpose of promoting tourism, cultural activities, business, and economic development, and for constructing related infrastructure and improvements?"

(2) If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters of the city and such question is approved by a majority of the qualified voters voting on the question.

3. The governing body of any city that has adopted the tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. If a majority of the votes cast on the proposal are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters of the city, and the repeal is approved by a majority of the qualified voters voting on the question.

4. Whenever the governing body of any city that has adopted the tax authorized in this section receives a petition, signed by a number of registered voters of the city equal to at least ten percent of the number of registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters of the city and the repeal is approved by a majority of the qualified voters voting on the question.

5. As used in this section, "transient guests" means a person or persons who occupy a room or rooms in a hotel or motel for thirty-one days or less during any calendar quarter."; and

Speaker Jones resumed the Chair.

On motion of Representative Neth, **House Amendment No. 10** was adopted.

Representative Rowland offered **House Amendment No. 11**.

House Amendment No. 11

AMEND House Committee Substitute for House Bill No. 335, Page 23, Section 321.210, Line 9, by inserting after all of said line the following:

"595.020. 1. Except as hereinafter provided, the following persons shall be eligible for compensation pursuant to sections 595.010 to 595.075:

- (1) A victim of a crime;
- (2) In the case of a sexual assault victim:
 - (a) A relative of the victim requiring counseling in order to better assist the victim in his recovery; [and]
 - (3) In the case of the death of the victim as a direct result of the crime:
 - (a) A dependent of the victim;
 - (b) Any member of the family who legally assumes the obligation, or who pays the medical or burial expenses incurred as a direct result thereof; and
 - (c) A survivor of the victim requiring counseling as a direct result of the death of the victim; **and**
 - (4) **The owner of property damaged by the arresting law enforcement agency during service of process, unless the damaged property is owned by the offender or an accomplice of an offender.**

2. An offender or an accomplice of an offender shall in no case be eligible to receive compensation with respect to a crime committed by the offender. No victim or dependent shall be denied compensation solely because he is a relative of the offender or was living with the offender as a family or household member at the time of the injury or death. However, the department may award compensation to a victim or dependent who is a relative, family or household member of the offender only if the department can reasonably determine the offender will receive no substantial economic benefit or unjust enrichment from the compensation.

3. No compensation of any kind may be made to a victim or intervenor injured while confined in any federal, state, county, or municipal jail, prison or other correctional facility, including house arrest or electronic monitoring.

4. No compensation of any kind may be made to a victim who has been finally adjudicated and found guilty, in a criminal prosecution under the laws of this state, of two felonies within the past ten years, of which one or both involves illegal drugs or violence. The department may waive this restriction if it determines that the interest of justice would be served otherwise.

5. In the case of a claimant who is not otherwise ineligible pursuant to subsection 4 of this section, who is incarcerated as a result of a conviction of a crime not related to the incident upon which the claim is based at the time of application, or at any time following the filing of the application:

- (1) The department shall suspend all proceedings and payments until such time as the claimant is released from incarceration;
- (2) The department shall notify the applicant at the time the proceedings are suspended of the right to reactivate the claim within six months of release from incarceration. The notice shall be deemed sufficient if mailed to the applicant at the applicant's last known address;
- (3) The claimant shall file an application to request that the case be reactivated not later than six months after the date the claimant is released from incarceration. Failure to file such request within the six-month period shall serve as a bar to any recovery.

6. Victims of crime who are not residents of the state of Missouri may be compensated only when federal funds are available for that purpose. Compensation for nonresident victims shall terminate when federal funds for that purpose are no longer available.

7. A Missouri resident who suffers personal physical injury or, in the case of death, a dependent of the victim or any member of the family who legally assumes the obligation, or who pays the medical or burial expenses incurred as a direct result thereof, in another state, possession or territory of the United States may make application for compensation in Missouri if:

- (1) The victim of the crime would be compensated if the crime had occurred in the state of Missouri;
- (2) The place that the crime occurred is a state, possession or territory of the United States, or location outside of the United States that is covered and defined in 18 U.S.C. Section 2331, that does not have a crime victims' compensation program for which the victim is eligible and which provides at least the same compensation that the victim would have received if he had been injured in Missouri.

595.030. 1. No compensation shall be paid unless the claimant has incurred an out-of-pocket loss of at least fifty dollars or has lost two continuous weeks of earnings or support from gainful employment. "Out-of-pocket loss" shall mean unreimbursed or unreimbursable expenses or indebtedness reasonably incurred:

(1) For medical care or other services, including psychiatric, psychological or counseling expenses, necessary as a result of the crime upon which the claim is based, except that the amount paid for psychiatric, psychological or counseling expenses per eligible claim shall not exceed two thousand five hundred dollars; [or]

(2) As a result of personal property being seized in an investigation by law enforcement. Compensation paid for an out-of-pocket loss under this subdivision shall be in an amount equal to the loss sustained, but shall not exceed two hundred fifty dollars; or

(3) As a result of damages incurred during service of process. Compensation paid for an out-of-pocket loss under this subdivision shall be in an amount equal to half of the reasonable reimbursement costs of the property.

2. No compensation shall be paid unless the department of public safety finds that a crime was committed, that such crime directly resulted in personal physical injury to, or the death of, the victim, and that police records show that such crime was promptly reported to the proper authorities. In no case may compensation be paid if the police records show that such report was made more than forty-eight hours after the occurrence of such crime, unless the department of public safety finds that the report to the police was delayed for good cause. If the victim is under eighteen years of age such report may be made by the victim's parent, guardian or custodian; by a physician, a nurse, or hospital emergency room personnel; by the division of family services personnel; or by any other member of the victim's family. In the case of a sexual offense, filing a report of the offense to the proper authorities may include, but not be limited to, the filing of the report of the forensic examination by the appropriate medical provider, as defined in section 595.220, with the prosecuting attorney of the county in which the alleged incident occurred.

3. No compensation shall be paid for medical care if the service provider is not a medical provider as that term is defined in section 595.027, and the individual providing the medical care is not licensed by the state of Missouri or the state in which the medical care is provided.

4. No compensation shall be paid for psychiatric treatment or other counseling services, including psychotherapy, unless the service provider is a:

(1) Physician licensed pursuant to chapter 334 or licensed to practice medicine in the state in which the service is provided;

(2) Psychologist licensed pursuant to chapter 337 or licensed to practice psychology in the state in which the service is provided;

(3) Clinical social worker licensed pursuant to chapter 337; or

(4) Professional counselor licensed pursuant to chapter 337.

5. Any compensation paid pursuant to sections 595.010 to 595.075 for death or personal injury shall be in an amount not exceeding out-of-pocket loss, together with loss of earnings or support from gainful employment, not to exceed two hundred dollars per week, resulting from such injury or death. In the event of death of the victim, an award may be made for reasonable and necessary expenses actually incurred for preparation and burial not to exceed five thousand dollars.

6. Any compensation for loss of earnings or support from gainful employment shall be in an amount equal to the actual loss sustained not to exceed two hundred dollars per week; provided, however, that no award pursuant to sections 595.010 to 595.075 shall exceed twenty-five thousand dollars. If two or more persons are entitled to compensation as a result of the death of a person which is the direct result of a crime or in the case of a sexual assault, the compensation shall be apportioned by the department of public safety among the claimants in proportion to their loss.

7. The method and timing of the payment of any compensation pursuant to sections 595.010 to 595.075 shall be determined by the department."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Rowland, **House Amendment No. 11** was adopted.

Representative Brattin offered **House Amendment No. 12**.

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 2
to
House Amendment No. 13

AMEND House Amendment No. 13 to House Committee Substitute for House Bill No. 335, Page 1, Line 22, by inserting after all of said line, the following:

‘Further amend said bill, page, and section, Line 9, by inserting after all of said section and line, the following:

"610.205. 1. After an investigation is inactive, as defined in section 610.100, crime scene or death scene photographs and video recordings, including photographs and video recordings created or produced by a state or local agency or by a perpetrator or suspect at a crime scene, which depict or describe a deceased person in a state of dismemberment, decapitation, or similar mutilation including, without limitation, where the deceased person's genitalia are exposed, shall be considered open records for inspection, but closed records for purposes of copying under the provisions of this chapter. Unless dissemination is prohibited by 18 U.S.C. Section 2252, this section shall not prohibit disclosure of such material to:

(1) State and local law enforcement agencies, prosecuting attorneys, juvenile officers, courts and court personnel, coroners, the state technical assistance team, child fatality review panels, the department of social services, or other state or local officials who need access to the photograph and video recordings in order to perform their duties; and

(2) The deceased's next of kin or to an individual who has secured a written release from the next of kin. It shall be the responsibility of the next of kin to show proof of the familial relationship. For purposes of such access, the deceased's next of kin shall:

(a) Be the spouse of the deceased if living;

(b) Be an adult child of the deceased if there is no living spouse of the deceased; or

(c) Be a parent of the deceased if there is no living spouse or adult child; and

(d) Not have pleaded guilty to or been found guilty of a crime that resulted in the deceased's death.

2. Subject to the provisions of subsection 3 of this section, in the case of closed criminal investigations a circuit court judge may order the disclosure of such photographs or video recordings, not otherwise prohibited by 18 U.S.C. Section 2252, upon findings in writing that disclosure is in the public interest and outweighs any privacy interest that may be asserted by the deceased person's next of kin. In making such determination, the court shall consider whether such disclosure is necessary for public evaluation of governmental performance, the seriousness of the intrusion into the family's right to privacy, and whether such disclosure is the least intrusive means available considering the availability of similar information in other public records. In any such action, the court shall review the photographs or video recordings in question in camera with the custodian of the crime scene materials present and may condition any disclosure on such condition as the court may deem necessary to accommodate the interests of the parties.

3. Prior to releasing any crime scene material described in subsection 1 of this section, the custodian of such material shall give the deceased person's next of kin at least two weeks' notice. No court shall order a disclosure under subsection 2 of this section which would disregard or shorten the duration of such notice requirement. No court order or notification to the next of kin shall be required for the release or disclosure of information to state and local law enforcement agencies, prosecuting attorneys, juvenile officers, courts and court personnel, coroners, the state technical assistance team, child fatality review panels, the department of social services, or other state or local officials who need access to the photograph and video recordings in order to perform their duties.

4. The provisions of this section shall apply to all undisclosed material which is in the custody of a state or local agency on the effective date of this section and to any such material which comes into the custody of a state or local agency after such date.

5. The provisions of this section shall not apply to disclosure of crime scene material to counsel representing a defendant. Unless otherwise prohibited by 18 U.S.C. Section 2252, counsel may disclose such materials to his or her client and any expert or investigator assisting counsel but shall not otherwise disseminate such materials, except to the extent they may be necessary exhibits in court proceedings. A request under this subsection shall clearly state that such request is being made for the purpose of preparing to file and litigate proceedings enumerated in this subsection."; and'; and

House Amendment No. 3

AMEND House Committee Substitute for House Bill No. 589, Page 3, Section 43.650, Line 55, by inserting after all of said section and line the following:

"160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002 to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;
- (3) Kidnapping under section 565.110;
- (4) First degree assault under section 565.050;
- (5) [Forcible] Rape **in the first degree** under section 566.030;

- (6) [Forcible] Sodomy **in the first degree** under section 566.060;
- (7) Burglary in the first degree under section 569.160;
- (8) Burglary in the second degree under section 569.170;
- (9) Robbery in the first degree under section 569.020;
- (10) Distribution of drugs under section 195.211;
- (11) Distribution of drugs to a minor under section 195.212;
- (12) Arson in the first degree under section 569.040;
- (13) Voluntary manslaughter under section 565.023;
- (14) Involuntary manslaughter under section 565.024;
- (15) Second degree assault under section 565.060;
- (16) [Sexual assault] **Rape in the second degree** under section [566.040] **566.031**;
- (17) Felonious restraint under section 565.120;
- (18) Property damage in the first degree under section 569.100;
- (19) The possession of a weapon under chapter 571;
- (20) Child molestation in the first degree pursuant to section 566.067;
- (21) [Deviate sexual assault] **Sodomy in the second degree** pursuant to section [566.070] **566.061**;
- (22) Sexual misconduct involving a child pursuant to section 566.083;
- (23) Sexual abuse **in the first degree** pursuant to section 566.100;
- (24) Harassment under section 565.090; or
- (25) Stalking under section 565.225; committed on school property, including but not limited to actions on any

school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

- (1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or
- (4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

- (1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;
- (2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school

parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall forward the allegation to the children's division within twenty-four hours of receiving the information. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school

personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio."; and

"167.115. 1. Notwithstanding any provision of chapter 211 or chapter 610 to the contrary, the juvenile officer, sheriff, chief of police or other appropriate law enforcement authority shall, as soon as reasonably practical, notify the superintendent, or the superintendent's designee, of the school district in which the pupil is enrolled when a petition is filed pursuant to subsection 1 of section 211.031 alleging that the pupil has committed one of the following acts:

(1) First degree murder under section 565.020;

- (2) Second degree murder under section 565.021;

2. The notification shall be made orally or in writing, in a timely manner, no later than five days following the filing of the petition. If the report is made orally, written notice shall follow in a timely manner. The notification shall include a complete description of the conduct the pupil is alleged to have committed and the dates the conduct occurred but shall not include the name of any victim. Upon the disposition of any such case, the juvenile office or prosecuting attorney or their designee shall send a second notification to the superintendent providing the disposition of the case, including a brief summary of the relevant finding of facts, no later than five days following the disposition of the case.

3. The superintendent or the designee of the superintendent shall report such information to teachers and other school district employees with a need to know while acting within the scope of their assigned duties. Any information received by school district officials pursuant to this section shall be received in confidence and used for the limited purpose of assuring that good order and discipline is maintained in the school. This information shall not be used as the sole basis for not providing educational services to a public school pupil.

4. The superintendent shall notify the appropriate division of the juvenile or family court upon any pupil's suspension for more than ten days or expulsion of any pupil that the school district is aware is under the jurisdiction of the court.

5. The superintendent or the superintendent's designee may be called to serve in a consultant capacity at any dispositional proceedings pursuant to section 211.031 which may involve reference to a pupil's academic treatment plan.

6. Upon the transfer of any pupil described in this section to any other school district in this state, the superintendent or the superintendent's designee shall forward the written notification given to the superintendent pursuant to subsection 2 of this section to the superintendent of the new school district in which the pupil has enrolled. Such written notification shall be required again in the event of any subsequent transfer by the pupil.

7. As used in this section, the terms "school" and "school district" shall include any charter, private or parochial school or school district, and the term "superintendent" shall include the principal or equivalent chief school officer in the cases of charter, private or parochial schools.

8. The superintendent or the designee of the superintendent or other school employee who, in good faith, reports information in accordance with the terms of this section and section 160.261 shall not be civilly liable for providing such information."; and

"167.171. 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the

action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

- (1) The pupil shall be given oral or written notice of the charges against such pupil;
- (2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;
- (3) The pupil shall be given an opportunity to present such pupil's version of the incident; and
- (4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261 regardless of whether or not such act was committed at a public school or at a private school in this state, provided that such act shall have resulted in the suspension or expulsion of such pupil in the case of a private school, or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall include the appropriate school officials including any teacher employed in that school or district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled to a regular program of instruction if:

- (1) Such pupil has been convicted of; or
- (2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (3) A petition has been filed pursuant to section 211.091 alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:

- (a) First degree murder under section 565.020;
- (b) Second degree murder under section 565.021;
- (c) First degree assault under section 565.050;
- (d) [Forcible] Rape **in the first degree** under section 566.030;
- (e) [Forcible] Sodomy **in the first degree** under section 566.060;
- (f) Statutory rape under section 566.032;
- (g) Statutory sodomy under section 566.062;
- (h) Robbery in the first degree under section 569.020;
- (i) Distribution of drugs to a minor under section 195.212;
- (j) Arson in the first degree under section 569.040;
- (k) Kidnapping, when classified as a class A felony under section 565.110. Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. Nothing in this subsection shall be construed to prohibit a school district which provides an alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another in-state or out-of-state school district including a private, charter or parochial school or school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court-appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another school or district effective in the district in which the pupil is enrolling or

attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll."; and

"168.071. 1. The state board of education may refuse to issue or renew a certificate, or may, upon hearing, discipline the holder of a certificate of license to teach for the following causes:

(2) The certification was obtained through use of fraud, deception, misrepresentation or bribery;

(3) There is evidence of incompetence, immorality, or neglect of duty by the certificate holder;

2. A public school district may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, including annulment of a written contract. Charges shall be in writing, specify the basis for the charges, and be signed by the chief administrative officer of the district, or by the president of the board of education as authorized by a majority of the board of education. The board of education may also petition the office of the attorney general to file charges on behalf of the school district for any cause other than annulment of contract, with acceptance of the petition at the discretion of the attorney general.

3. The department of elementary and secondary education may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, other than annulment of contract. Charges shall be in writing, specify the basis for the charges, and be signed by legal counsel representing the department of elementary and secondary education.

4. Based upon such a request, no hearing shall be held until after a trial has been completed on this criminal charge.

5. The certificate holder shall be given not less than thirty days' notice of any hearing held pursuant to this section.

6. Other provisions of this section notwithstanding, the certificate of license to teach shall be revoked or, in the case of an applicant, a certificate shall not be issued, if the certificate holder or applicant has pleaded guilty to or been found guilty of any of the following offenses established pursuant to Missouri law or offenses of a similar nature established under the laws of any other state or of the United States, or any other country, whether or not the sentence is imposed:

(1) Any dangerous felony as defined in section 556.061, or murder in the first degree under section 565.020;

8. The certificate holder whose certificate was revoked pursuant to subsection 6 of this section may appeal such revocation to the state board of education. Notice of this appeal must be received by the commissioner of education within ninety days of notice of revocation pursuant to this subsection. Failure of the certificate holder to notify the commissioner of the intent to appeal waives all rights to appeal the revocation. Upon notice of the certificate holder's intent to appeal, an appeal hearing shall be held by a hearing officer designated by the commissioner of education, with the final decision made by the state board of education, based upon the record of that hearing. The certificate holder shall be given not less than thirty days' notice of the hearing, and an opportunity to be heard by the hearing officer, together with witnesses.

"188.023. Any licensed health care professional who delivers a baby or performs an abortion, who has prima facie evidence that a patient has been the victim of statutory rape in the first degree or statutory rape in the second degree, or if the patient is under the age of eighteen, that he or she has been a victim of sexual abuse, including [forcible rape, sexual assault] **rape in the first or second degree**, or incest, shall be required to report such offenses in the same manner as provided for by section 210.115."; and

"211.071. 1. If a petition alleges that a child between the ages of twelve and seventeen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, [forcible] **rape in the first degree** under section 566.030, [forcible] **sodomy in the first degree** under section 566.060, first degree robbery under section 569.020, or distribution of drugs under section 195.211, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between seventeen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child

misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

- (1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;
- (2) Whether the offense alleged involved viciousness, force and violence;
- (3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;
- (4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;
- (5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;
- (6) The sophistication and maturity of the child as determined by consideration of his home and environmental situation, emotional condition and pattern of living;
- (7) The age of the child;
- (8) The program and facilities available to the juvenile court in considering disposition;
- (9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and
- (10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

- (1) Findings showing that the court had jurisdiction of the cause and of the parties;
- (2) Findings showing that the child was represented by counsel;
- (3) Findings showing that the hearing was held in the presence of the child and his counsel; and
- (4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171."; and

"211.447. 1. Any information that could justify the filing of a petition to terminate parental rights may be referred to the juvenile officer by any person. The juvenile officer shall make a preliminary inquiry and if it does not appear to the juvenile officer that a petition should be filed, such officer shall so notify the informant in writing within

thirty days of the referral. Such notification shall include the reasons that the petition will not be filed. Thereupon, the informant may bring the matter directly to the attention of the judge of the juvenile court by presenting the information in writing, and if it appears to the judge that the information could justify the filing of a petition, the judge may order the juvenile officer to take further action, including making a further preliminary inquiry or filing a petition.

2. Except as provided for in subsection 4 of this section, a petition to terminate the parental rights of the child's parent or parents shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, when:

(1) Information available to the juvenile officer or the division establishes that the child has been in foster care for at least fifteen of the most recent twenty-two months; or

(2) A court of competent jurisdiction has determined the child to be an abandoned infant. For purposes of this subdivision, an "infant" means any child one year of age or under at the time of filing of the petition. The court may find that an infant has been abandoned if:

(a) The parent has left the child under circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so; or

(3) A court of competent jurisdiction has determined that the parent has:

(a) Committed murder of another child of the parent; or

(b) Committed voluntary manslaughter of another child of the parent; or

(c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter;

or

(d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent.

3. A termination of parental rights petition shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, within sixty days of the judicial determinations required in subsection 2 of this section, except as provided in subsection 4 of this section. Failure to comply with this requirement shall not deprive the court of jurisdiction to adjudicate a petition for termination of parental rights which is filed outside of sixty days.

4. If grounds exist for termination of parental rights pursuant to subsection 2 of this section, the juvenile officer or the division may, but is not required to, file a petition to terminate the parental rights of the child's parent or parents if:

(1) The child is being cared for by a relative; or

(2) There exists a compelling reason for determining that filing such a petition would not be in the best interest of the child, as documented in the permanency plan which shall be made available for court review; or

(3) The family of the child has not been provided such services as provided for in section 211.183.

5. The juvenile officer or the division may file a petition to terminate the parental rights of the child's parent when it appears that one or more of the following grounds for termination exist:

(1) The child has been abandoned. For purposes of this subdivision a "child" means any child over one year of age at the time of filing of the petition. The court shall find that the child has been abandoned if, for a period of six months or longer:

(a) The parent has left the child under such circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so;

(2) The child has been abused or neglected. In determining whether to terminate parental rights pursuant to this subdivision, the court shall consider and make findings on the following conditions or acts of the parent:

(a) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(b) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control of the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control;

(c) A severe act or recurrent acts of physical, emotional or sexual abuse toward the child or any child in the family by the parent, including an act of incest, or by another under circumstances that indicate that the parent knew or should have known that such acts were being committed toward the child or any child in the family; or

(d) Repeated or continuous failure by the parent, although physically or financially able, to provide the child with adequate food, clothing, shelter, or education as defined by law, or other care and control necessary for the child's physical, mental, or emotional health and development. Nothing in this subdivision shall be construed to permit discrimination on the basis of disability or disease;

(3) The child has been under the jurisdiction of the juvenile court for a period of one year, and the court finds that the conditions which led to the assumption of jurisdiction still persist, or conditions of a potentially harmful nature continue to exist, that there is little likelihood that those conditions will be remedied at an early date so that the child can be returned to the parent in the near future, or the continuation of the parent-child relationship greatly diminishes the child's prospects for early integration into a stable and permanent home. In determining whether to terminate parental rights under this subdivision, the court shall consider and make findings on the following:

(a) The terms of a social service plan entered into by the parent and the division and the extent to which the parties have made progress in complying with those terms;

(b) The success or failure of the efforts of the juvenile officer, the division or other agency to aid the parent on a continuing basis in adjusting his circumstances or conduct to provide a proper home for the child;

(c) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(d) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control over the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control; or

(4) The parent has been found guilty or pled guilty to a felony violation of chapter 566 when the child or any child in the family was a victim, or a violation of section 568.020 when the child or any child in the family was a victim. As used in this subdivision, a "child" means any person who was under eighteen years of age at the time of the crime and who resided with such parent or was related within the third degree of consanguinity or affinity to such parent; or

(5) The child was conceived and born as a result of an act of [forcible] **rape in the first degree**. When the biological father has pled guilty to, or is convicted of, the [forcible] **rape in the first degree** of the birth mother, such a plea or conviction shall be conclusive evidence supporting the termination of the biological father's parental rights; or

(6) The parent is unfit to be a party to the parent and child relationship because of a consistent pattern of committing a specific abuse, including but not limited to abuses as defined in section 455.010, child abuse or drug abuse before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental or emotional needs of the child. It is presumed that a parent is unfit to be a party to the parent-child relationship upon a showing that within a three-year period immediately prior to the termination adjudication, the parent's parental rights to one or more other children were involuntarily terminated pursuant to subsection 2 or 4 of this section or subdivisions (1), (2), (3) or (4) of subsection 5 of this section or similar laws of other states.

6. The juvenile court may terminate the rights of a parent to a child upon a petition filed by the juvenile officer or the division, or in adoption cases, by a prospective parent, if the court finds that the termination is in the best interest of the child and when it appears by clear, cogent and convincing evidence that grounds exist for termination pursuant to subsection 2, 4 or 5 of this section.

7. When considering whether to terminate the parent-child relationship pursuant to subsection 2 or 4 of this section or subdivision (1), (2), (3) or (4) of subsection 5 of this section, the court shall evaluate and make findings on the following factors, when appropriate and applicable to the case:

(1) The emotional ties to the birth parent;

(2) The extent to which the parent has maintained regular visitation or other contact with the child;

(3) The extent of payment by the parent for the cost of care and maintenance of the child when financially able to do so including the time that the child is in the custody of the division or other child-placing agency;

(4) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time;

(5) The parent's disinterest in or lack of commitment to the child;

(6) The conviction of the parent of a felony offense that the court finds is of such a nature that the child will be deprived of a stable home for a period of years; provided, however, that incarceration in and of itself shall not be grounds for termination of parental rights;

(7) Deliberate acts of the parent or acts of another of which the parent knew or should have known that subjects the child to a substantial risk of physical or mental harm.

8. The court may attach little or no weight to infrequent visitations, communications, or contributions. It is irrelevant in a termination proceeding that the maintenance of the parent-child relationship may serve as an inducement for the parent's rehabilitation.

9. In actions for adoption pursuant to chapter 453, the court may hear and determine the issues raised in a petition for adoption containing a prayer for termination of parental rights filed with the same effect as a petition permitted pursuant to subsection 2, 4, or 5 of this section.

10. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability or disease and harm to the child."; and

Payment to the innocent coinsured may be limited to such innocent coinsured's ownership interest in the property as reduced by any payment to a mortgagor or other secured interest; however, insurers shall not be required to make any subsequent payment to any other insured for the part of any loss for which the innocent coinsured has received payment. Effective January 1, 2004, a petitioner shall not be required to provide his or her Social Security number on any petition or document filed in connection with a protection order; except that, the court may require that a petitioner's Social Security number be retained on a confidential case sheet or other confidential record maintained in conjunction with the administration of the case.

4. The supreme court shall develop guidelines which ensure that a verified petition may be filed on holidays, evenings and weekends.

455.032. In addition to any other jurisdictional grounds provided by law, a court shall have jurisdiction to enter an order of protection restraining or enjoining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence, stalking**, molesting or disturbing the peace of petitioner, pursuant to sections 455.010 to 455.085, if the petitioner is present, whether permanently or on a temporary basis within the state of Missouri and if the respondent's actions constituting [abuse] **domestic violence** have occurred, have been attempted or have been or are threatened within the state of Missouri. For purposes of this section, if the petitioner has been the subject of [abuse] **domestic violence** within or outside of the state of Missouri, such evidence shall be admissible to demonstrate the need for protection in Missouri.

455.035. 1. Upon the filing of a verified petition pursuant to sections 455.010 to 455.085 and for good cause shown in the petition, the court may immediately issue an ex parte order of protection. An immediate and present danger of [abuse] **domestic violence** to the petitioner **or the child on whose behalf the petition is filed** shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall take effect when entered and shall remain in effect until there is valid service of process and a hearing is held on the motion. **The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.020.**

Not later than fifteen days after the filing of a petition [pursuant to sections 455.010 to 455.085] **that meets the requirements of section 455.020**, a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the petitioner has proved the allegation of [abuse] **domestic violence** or stalking by a preponderance of the evidence, the court shall issue a full order of protection for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. Upon motion by the petitioner, and after a hearing by the court, the full order of protection may be renewed for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year from the expiration date of the originally issued full order of protection. The court may, upon finding that it is in the best interest of the parties, include a provision that any full order of protection for one year shall automatically renew unless the respondent requests a hearing by thirty days prior to the expiration of the order. If for good cause a hearing cannot be held on the motion to renew or the objection to an automatic renewal of the full order of protection prior to the expiration date of the originally issued full order of protection, an ex parte order of protection may be issued until a hearing is held on the motion. When an automatic renewal is not authorized, upon motion by the petitioner, and after a hearing by the court, the second full order of protection may be renewed for an additional period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. For purposes of this subsection, a finding by the court of a subsequent act of [abuse] **domestic violence or stalking** is not required for a renewal order of protection.

2. The court shall cause a copy of the petition and notice of the date set for the hearing on such petition and any ex parte order of protection to be served upon the respondent as provided by law or by any sheriff or police officer

at least three days prior to such hearing. [Such notice shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.] The court shall cause a copy of any full order of protection to be served upon or mailed by certified mail to the respondent at the respondent's last known address. **Notice of an ex parte or full order of protection shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.** Failure to serve or mail a copy of the full order of protection to the respondent shall not affect the validity or enforceability of a full order of protection.

3. A copy of any order of protection granted pursuant to sections 455.010 to 455.085 shall be issued to the petitioner and to the local law enforcement agency in the jurisdiction where the petitioner resides. The clerk shall also issue a copy of any order of protection to the local law enforcement agency responsible for maintaining the Missouri uniform law enforcement system or any other comparable law enforcement system the same day the order is granted. The law enforcement agency responsible for maintaining MULES shall, for purposes of verification, within twenty-four hours from the time the order is granted, enter information contained in the order including but not limited to any orders regarding child custody or visitation and all specifics as to times and dates of custody or visitation that are provided in the order. A notice of expiration or of termination of any order of protection or any change in child custody or visitation within that order shall be issued to the local law enforcement agency and to the law enforcement agency responsible for maintaining MULES or any other comparable law enforcement system. The law enforcement agency responsible for maintaining the applicable law enforcement system shall enter such information in the system within twenty-four hours of receipt of information evidencing such expiration or termination. The information contained in an order of protection may be entered in the Missouri uniform law enforcement system or comparable law enforcement system using a direct automated data transfer from the court automated system to the law enforcement system.

4. The court shall cause a copy of any objection filed by the respondent and notice of the date set for the hearing on such objection to an automatic renewal of a full order of protection for a period of one year to be personally served upon the petitioner by personal process server as provided by law or by a sheriff or police officer at least three days prior to such hearing. Such service of process shall be served at the earliest time and shall take priority over service in other actions except those of a similar emergency nature.

455.045. Any ex parte order of protection granted pursuant to sections 455.010 to 455.085 shall be to protect the petitioner from [abuse] **domestic violence** or stalking and may include:

(3) Temporarily enjoining the respondent from communicating with the petitioner in any manner or through any medium.

2. Mutual orders of protection are prohibited unless both parties have properly filed written petitions and proper service has been made in accordance with sections 455.010 to 455.085.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Establish a visitation schedule that is in the best interests of the child;

(3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452 and shall consider all other factors in accordance with chapter 452.

6. The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further [abuse] **domestic violence**. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

"455.060. 1. After notice and hearing, the court may modify an order of protection at any time, upon subsequent motion filed by the guardian ad litem, the court-appointed special advocate or by either party together with

2. Any order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate prior to the time fixed in the order upon the issuance of a subsequent order pursuant to chapter 452 or any other Missouri statute.

3. No order entered pursuant to sections 455.010 to 455.085 shall be res judicata to any subsequent proceeding, including, but not limited to, any action brought under chapter 452[, RSMo 1978, as amended].

4. All provisions of an order of protection shall terminate upon entry of a decree of dissolution of marriage or legal separation except as to those provisions which require the respondent to participate in a court-approved counseling program or enjoin the respondent from [abusing, molesting, stalking or disturbing the peace of] **committing an act of domestic violence against** the petitioner and which enjoin the respondent from entering the premises of the dwelling unit of the petitioner as described in the order of protection when the petitioner continues to reside in that dwelling unit unless the respondent is awarded possession of the dwelling unit pursuant to a decree of dissolution of marriage or legal separation.

5. Any order of protection or order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate upon the order of the court granting a motion to terminate the order of protection by the petitioner. 6. The order of protection may not change the custody of children when an action for dissolution of marriage has been filed or the custody has previously been awarded by a court of competent jurisdiction."; and

"455.080. 1. Law enforcement agencies may establish procedures to ensure that dispatchers and officers at the scene of an alleged incident of [abuse] **domestic violence or stalking** or violation of an order of protection can be informed of any recorded prior incident of [abuse] **domestic violence or stalking** involving the abused party and can verify the effective dates and terms of any recorded order of protection.

2. The law enforcement agency shall apply the same standard for response to an alleged incident of [abuse] **domestic violence or stalking** or a violation of any order of protection as applied to any like offense involving strangers, except as otherwise provided by law. Law enforcement agencies shall not assign lower priority to calls involving alleged incidents of [abuse] **domestic violence or stalking** or violation of protection orders than is assigned in responding to offenses involving strangers. Existence of any of the following factors shall be interpreted as indicating a need for immediate response:

- (1) The caller indicates that violence is imminent or in progress; or
- (2) A protection order is in effect; or
- (3) The caller indicates that incidents of domestic violence have occurred previously between the parties.

3. Law enforcement agencies may establish domestic crisis teams or, if the agency has fewer than five officers whose responsibility it is to respond to calls of this nature, individual officers trained in methods of dealing with [family and household quarrels] **domestic violence**. Such teams or individuals may be supplemented by social workers, ministers or other persons trained in counseling or crisis intervention. When an alleged incident of [family or household abuse] **domestic violence** is reported, the agency may dispatch a crisis team or specially trained officer, if available, to the scene of the incident.

5. Law enforcement officials at the scene shall provide or arrange transportation for the abused party to a medical facility for treatment of injuries or to a place of shelter or safety."; and

"455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to [abuse or assault] **domestic violence**, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information. Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for

this subsequent offense. The primary report of nonarrest in the preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act of abuse in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest [he], **the officer** is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party [he] **the officer** believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

- (1) The intent of the law to protect victims [of domestic violence] from continuing [abuse] **domestic violence**;
- (2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;
- (3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of [family] **domestic violence** shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether [he] **the officer** should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to [abuse] **domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to [abuse] **domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if the law enforcement officer responding to a call of a reported incident of [abuse] **domestic violence, stalking**, or violation of an order of protection presented a copy of the order of protection to the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270.

An order of protection for a child who has been subject to domestic violence by a present or former [adult] household member or person stalking the child may be sought under sections 455.500 to 455.538 by the filing of a verified petition alleging such domestic violence **or stalking** by the respondent.

2. A child's right to relief under sections 455.500 to 455.538 shall not be affected by [his] **the child's** leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.500 to 455.538 shall be effective throughout the state in all cities and counties."; and

"455.513. 1. Upon the filing of a verified petition under sections 455.500 to 455.538, for good cause shown in the petition, and upon finding that no prior order regarding custody is pending or has been made or that the respondent is less than seventeen years of age, the court may immediately issue an ex parte order of protection. An immediate and present danger of [abuse] **domestic violence or stalking** to a child shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall be in effect until the time of the hearing. **The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.505.**

2. Upon the entry of the ex parte order of protection, the court shall enter its order appointing a guardian ad litem or court-appointed special advocate to represent the child victim.

3. If the allegations in the petition would give rise to jurisdiction under section 211.031, the court may direct the children's division to conduct an investigation and to provide appropriate services. The division shall submit a written investigative report to the court and to the juvenile officer within thirty days of being ordered to do so. The report shall be made available to the parties and the guardian ad litem or court-appointed special advocate.

4. 2. No ex parte order of protection excluding the respondent from the family home shall be issued unless the court finds that:

(1) The order is in the best interests of the child or children remaining in the home;

(2) The verified allegations of domestic violence present a substantial risk to the child or children unless the respondent is excluded; and

(3) A remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party.

455.523. 1. Any full order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence and **stalking** may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

Evidence of a prior plea of guilty or finding of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of a prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

4. An application for a certificate of qualification for a concealed carry endorsement shall be made to the sheriff of the county or any city not within a county in which the applicant resides. An application shall be filed in writing, signed under oath and under the penalties of perjury, and shall state whether the applicant complies with each of the requirements specified in subsection 2 of this section. In addition to the completed application, the applicant for a certificate of qualification for a concealed carry endorsement must also submit the following:

- (2) A nonrefundable certificate of qualification fee as provided by subsection 10 or 11 of this section.

5. Before an application for a certificate of qualification for a concealed carry endorsement is approved, the sheriff shall make only such inquiries as he or she deems necessary into the accuracy of the statements made in the application. The sheriff may require that the applicant display a Missouri driver's license or nondriver's license or military identification and orders showing the person being stationed in Missouri. In order to determine the applicant's suitability for a certificate of qualification for a concealed carry endorsement, the applicant shall be fingerprinted. The sheriff shall request a criminal background check through the appropriate law enforcement agency within three working days after submission of the properly completed application for a certificate of qualification for a concealed carry endorsement. If no disqualifying record is identified by the fingerprint check at the state level, the fingerprints shall be forwarded to the Federal Bureau of Investigation for a national criminal history record check. Upon receipt of the completed background check, the sheriff shall issue a certificate of qualification for a concealed carry endorsement within three working days. The sheriff shall issue the certificate within forty-five calendar days if the criminal background check has not been received, provided that the sheriff shall revoke any such certificate and endorsement within twenty-four hours of receipt of any background check that results in a disqualifying record, and shall notify the department of revenue.

6. The sheriff may refuse to approve an application for a certificate of qualification for a concealed carry endorsement if he or she determines that any of the requirements specified in subsection 2 of this section have not been met, or if he or she has a substantial and demonstrable reason to believe that the applicant has rendered a false statement regarding any of the provisions of sections 571.101 to 571.121. If the applicant is found to be ineligible, the sheriff is required to deny the application, and notify the applicant in writing, stating the grounds for denial and informing the applicant of the right to submit, within thirty days, any additional documentation relating to the grounds of the denial. Upon receiving any additional documentation, the sheriff shall reconsider his or her decision and inform the applicant within thirty days of the result of the reconsideration. The applicant shall further be informed in writing of the right to appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114. After two additional reviews and denials by the sheriff, the person submitting the application shall appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114.

7. If the application is approved, the sheriff shall issue a certificate of qualification for a concealed carry endorsement to the applicant within a period not to exceed three working days after his or her approval of the application. The applicant shall sign the certificate of qualification in the presence of the sheriff or his or her designee and shall within seven days of receipt of the certificate of qualification take the certificate of qualification to the department of revenue. Upon verification of the certificate of qualification and completion of a driver's license or nondriver's license application pursuant to chapter 302, the director of revenue shall issue a new driver's license or nondriver's license with an endorsement which identifies that the applicant has received a certificate of qualification to carry concealed weapons issued pursuant to sections 571.101 to 571.121 if the applicant is otherwise qualified to receive such driver's license or nondriver's license. Notwithstanding any other provision of chapter 302, a nondriver's license with a concealed carry endorsement shall expire three years from the date the certificate of qualification was issued pursuant to this section. The requirements for the director of revenue to issue a concealed carry endorsement pursuant to this subsection shall not be effective until July 1, 2004, and the certificate of qualification issued by a county sheriff pursuant to subsection 1 of this section shall allow the person issued such certificate to carry a concealed weapon pursuant to the requirements of subsection 1 of section 571.107 in lieu of the concealed carry endorsement issued by the director of revenue from October 11, 2003, until the concealed carry endorsement is issued by the director of revenue on or after July 1, 2004, unless such certificate of qualification has been suspended or revoked for cause.

8. The sheriff shall keep a record of all applications for a certificate of qualification for a concealed carry endorsement and his or her action thereon. The sheriff shall report the issuance of a certificate of qualification to the Missouri uniform law enforcement system. All information on any such certificate that is protected information on any driver's or nondriver's license shall have the same personal protection for purposes of sections 571.101 to 571.121. An applicant's status as a holder of a certificate of qualification or a concealed carry endorsement shall not be public information and shall be considered personal protected information. Any person who violates the provisions of this subsection by disclosing protected information shall be guilty of a class A misdemeanor.

9. Information regarding any holder of a certificate of qualification or a concealed carry endorsement is a closed record.

10. For processing an application for a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed one hundred dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

11. For processing a renewal for a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed fifty dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

12. For the purposes of sections 571.101 to 571.121, the term "sheriff" shall include the sheriff of any county or city not within a county or his or her designee and in counties of the first classification the sheriff may designate the chief of police of any city, town, or municipality within such county.

571.117. 1. Any person who has knowledge that another person, who was issued a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, never was or no longer is eligible for such endorsement under the criteria established in sections 571.101 to 571.121 may file a petition with the clerk of the small claims court to revoke that person's certificate of qualification for a concealed carry endorsement and such person's concealed carry endorsement. The petition shall be in a form substantially similar to the petition for revocation of concealed carry endorsement provided in this section. (5) Any meeting of the governing body of a unit of local government; or any meeting of the general assembly or a committee of the general assembly, except that nothing in this subdivision shall preclude a member of the body holding a valid concealed carry endorsement from carrying a concealed firearm at a meeting of the body which he or she is a member. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises. Nothing in this subdivision shall preclude a member of the general assembly, a full-time employee of the general assembly employed under section 17, article III, Constitution of Missouri, legislative employees of the general assembly as determined under section 21.155, or statewide elected officials and their employees, holding a valid concealed carry endorsement, from carrying a concealed firearm in the state capitol building or at a meeting whether of the full body of a house of the general assembly or a committee thereof, that is held in the state capitol building;

(6) The general assembly, supreme court, county or municipality may by rule, administrative regulation, or ordinance prohibit or limit the carrying of concealed firearms by endorsement holders in that portion of a building owned, leased or controlled by that unit of government. Any portion of a building in which the carrying of concealed firearms is prohibited or limited shall be clearly identified by signs posted at the entrance to the restricted area. The statute, rule or ordinance shall exempt any building used for public housing by private persons, highways or rest areas, firing ranges, and private dwellings owned, leased, or controlled by that unit of government from any restriction on the carrying or possession of a firearm. The statute, rule or ordinance shall not specify any criminal penalty for its violation but may specify that persons violating the statute, rule or ordinance may be denied entrance to the building, ordered to leave the building and if employees of the unit of government, be subjected to disciplinary measures for violation of the provisions of the statute, rule or ordinance. The provisions of this subdivision shall not apply to any other unit of government;

The provisions of this subdivision shall not apply to any bona fide restaurant open to the general public having dining facilities for not less than fifty persons and that receives at least fifty-one percent of its gross annual income from the dining facilities by the sale of food. This subdivision does not prohibit the possession of a firearm in a vehicle on the premises of the establishment and shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises. Nothing in this subdivision authorizes any individual who has been issued a concealed carry endorsement to possess any firearm while intoxicated;

(8) Any area of an airport to which access is controlled by the inspection of persons and property. Possession of a firearm in a vehicle on the premises of the airport shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(9) Any place where the carrying of a firearm is prohibited by federal law;

(10) Any higher education institution or elementary or secondary school facility without the consent of the governing body of the higher education institution or a school official or the district school board, **unless the person with the concealed carry endorsement or permit is a teacher or administrator of an elementary or secondary school who has been designated by his or her school district as a school protection officer and is carrying a firearm in a school within that district, in which case no consent is required.** Possession of a firearm in a vehicle on the premises of any higher education institution or elementary or secondary school facility shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(11) Any portion of a building used as a child care facility without the consent of the manager. Nothing in this subdivision shall prevent the operator of a child care facility in a family home from owning or possessing a firearm or a driver's license or nondriver's license containing a concealed carry endorsement;

(12) Any riverboat gambling operation accessible by the public without the consent of the owner or manager pursuant to rules promulgated by the gaming commission. Possession of a firearm in a vehicle on the premises of a riverboat gambling operation shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(13) Any gated area of an amusement park. Possession of a firearm in a vehicle on the premises of the amusement park shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(14) Any church or other place of religious worship without the consent of the minister or person or persons representing the religious organization that exercises control over the place of religious worship. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(15) Any private property whose owner has posted the premises as being off-limits to concealed firearms by means of one or more signs displayed in a conspicuous place of a minimum size of eleven inches by fourteen inches with the writing thereon in letters of not less than one inch. The owner, business or commercial lessee, manager of a private business enterprise, or any other organization, entity, or person may prohibit persons holding a concealed carry endorsement from carrying concealed firearms on the premises and may prohibit employees, not authorized by the employer, holding a concealed carry endorsement from carrying concealed firearms on the property of the employer. If the building or the premises are open to the public, the employer of the business enterprise shall post signs on or about the premises if carrying a concealed firearm is prohibited. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises. An employer may prohibit employees or other persons holding a concealed carry endorsement from carrying a concealed firearm in vehicles owned by the employer;

(16) Any sports arena or stadium with a seating capacity of five thousand or more. Possession of a firearm in a vehicle on the premises shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(17) Any hospital accessible by the public. Possession of a firearm in a vehicle on the premises of a hospital shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises.

2. Carrying of a concealed firearm in a location specified in subdivisions (1) to (17) of subsection 1 of this section by any individual who holds a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall not be a criminal act but may subject the person to denial to the premises or removal from the premises. If such person refuses to leave the premises and a peace officer is summoned, such person may be issued a citation for an amount not to exceed one hundred dollars for the first offense. If a second citation for a similar violation occurs within a six-month period, such person shall be fined an amount not to exceed two hundred dollars and his or her endorsement to carry concealed firearms shall be suspended for a period of one year. If a third citation for a similar violation is issued within one year of the first citation, such person shall be fined an amount not to exceed five hundred dollars and shall have his or her concealed carry endorsement revoked and such person shall not be eligible for a concealed carry endorsement for a period of three years. Upon conviction of charges arising from a citation issued pursuant to this subsection, the court shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement and the department of revenue. The sheriff shall suspend or revoke the certificate of qualification for a concealed carry endorsement and the department of revenue shall issue a notice of such suspension or revocation of the concealed carry endorsement and take action to remove the concealed carry endorsement from the individual's driving record. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302 which does not contain such endorsement. A concealed carry endorsement suspension pursuant to sections 571.101 to 571.121 shall be reinstated at the time of the renewal of his or her driver's license. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing.

2. In lieu of the retirement allowance provided in subsection 1 of this section, a member whose age is sixty years or more on September 28, 1975, may elect to have the member's retirement allowance calculated as a sum of the following items:

(1) Sixty cents plus one and five-tenths percent of the member's final average salary for each year of membership service;

(2) Six-tenths of the amount payable for a year of membership service for each year of prior service not exceeding thirty years;

(3) Three-fourths of one percent of the sum of subdivisions (1) and (2) of this subsection for each month of attained age in excess of sixty years but not in excess of age sixty-five.

3. (1) In lieu of the retirement allowance provided either in subsection 1 or 2 of this section, collectively called "option 1", a member whose creditable service is twenty-five years or more or who has attained the age of fifty-five with five or more years of creditable service may elect in the member's application for retirement to receive the actuarial equivalent of the member's retirement allowance in reduced monthly payments for life during retirement with the provision that:

Option 2. Upon the member's death the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member as the member shall have nominated in the member's election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the retired member elected option 1; OR

Option 3. Upon the death of the member three-fourths of the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1; OR

Option 4. Upon the death of the member one-half of the reduced retirement allowance shall be continued throughout the life of, and paid to, such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance shall be increased to the amount the retired member would be receiving had the member elected option 1; OR

Option 5. Upon the death of the member prior to the member having received one hundred twenty monthly payments of the member's reduced allowance, the remainder of the one hundred twenty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the one hundred twenty monthly payments, the total of the remainder of such one hundred twenty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the one hundred twenty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum; OR

Option 6. Upon the death of the member prior to the member having received sixty monthly payments of the member's reduced allowance, the remainder of the sixty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the sixty monthly payments, the total of the remainder of such sixty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly

allowance in a lump sum payment. If the total of the sixty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum.

(2) The election of an option may be made only in the application for retirement and such application must be filed prior to the date on which the retirement of the member is to be effective. If either the member or the person nominated to receive the survivorship payments dies before the effective date of retirement, the option shall not be effective, provided that:

(a) If the member or a person retired on disability retirement dies after acquiring twenty-five or more years of creditable service or after attaining the age of fifty-five years and acquiring five or more years of creditable service and before retirement, except retirement with disability benefits, and the person named by the member as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either survivorship benefits under option 2 or a payment of the accumulated contributions of the member. If survivorship benefits under option 2 are elected and the member at the time of death would have been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated beneficiary may further elect to defer the option 2 payments until the date the member would have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section;

(b) If the member or a person retired on disability retirement dies before attaining age fifty-five but after acquiring five but fewer than twenty-five years of creditable service, and the person named as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either a payment of the member's accumulated contributions, or survivorship benefits under option 2 to begin on the date the member would first have been eligible to receive an actuarial equivalent of the member's retirement allowance, or to begin on the date the member would first have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section.

4. If the total of the retirement or disability allowance paid to an individual before the death of the individual is less than the accumulated contributions at the time of retirement, the difference shall be paid to the beneficiary of the individual, or to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the individual in that order of precedence. If an optional benefit as provided in option 2, 3 or 4 in subsection 3 of this section had been elected, and the beneficiary dies after receiving the optional benefit, and if the total retirement allowance paid to the retired individual and the beneficiary of the retired individual is less than the total of the contributions, the difference shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence, unless the retired individual designates a different recipient with the board at or after retirement.

5. If a member dies and his or her financial institution is unable to accept the final payment or payments due to the member, the final payment or payments shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated. If the beneficiary of a deceased member dies and his or her financial institution is unable to accept the final payment or payments, the final payment or payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated.

6. If a member dies before receiving a retirement allowance, the member's accumulated contributions at the time of the death of the member shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or to the estate of the member, in that order of precedence; except that, no such payment shall be made if the beneficiary elects option 2 in subsection 3 of this section, unless the beneficiary dies before having received benefits pursuant to that subsection equal to the accumulated contributions of the member, in which case the amount of accumulated contributions in excess of the total benefits paid pursuant to that subsection shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence.

7. If a member ceases to be a public school employee as herein defined and certifies to the board of trustees that such cessation is permanent, or if the membership of the person is otherwise terminated, the member shall be paid the member's accumulated contributions with interest.

8. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, if a member ceases to be a public school employee after acquiring five or more years of membership service in Missouri, the member may at the option of the member leave the member's contributions with the retirement system and claim a retirement allowance any time after reaching the minimum age for voluntary retirement. When the member's claim is presented to the board, the member shall be granted an allowance as provided in sections 169.010 to 169.141 on the basis of the member's age, years

of service, and the provisions of the law in effect at the time the member requests the member's retirement to become effective.

9. The retirement allowance of a member retired because of disability shall be nine-tenths of the allowance to which the member's creditable service would entitle the member if the member's age were sixty, or fifty percent of one-twelfth of the annual salary rate used in determining the member's contributions during the last school year for which the member received a year of creditable service immediately prior to the member's disability, whichever is greater, except that no such allowance shall exceed the retirement allowance to which the member would have been entitled upon retirement at age sixty if the member had continued to teach from the date of disability until age sixty at the same salary rate.

10. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, from October 13, 1961, the contribution rate pursuant to sections 169.010 to 169.141 shall be multiplied by the factor of two-thirds for any member of the system for whom federal Old Age and Survivors Insurance tax is paid from state or local tax funds on account of the member's employment entitling the person to membership in the system. The monetary benefits for a member who elected not to exercise an option to pay into the system a retroactive contribution of four percent on that part of the member's annual salary rate which was in excess of four thousand eight hundred dollars but not in excess of eight thousand four hundred dollars for each year of employment in a position covered by this system between July 1, 1957, and July 1, 1961, as provided in subsection 10 of this section as it appears in RSMo, 1969, shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, and prior to July 1, 1961, the benefits provided in this section as it appears in RSMo, 1959; except that if the member has at least thirty years of creditable service at retirement the member shall receive the benefit payable pursuant to that section as though the member's age were sixty-five at retirement;

(4) For years of membership service after July 1, 1961, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

11. The monetary benefits for each other member for whom federal Old Age and Survivors Insurance tax is or was paid at any time from state or local funds on account of the member's employment entitling the member to membership in the system shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

12. Any retired member of the system who was retired prior to September 1, 1972, or beneficiary receiving payments under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 1, 1972, will be eligible to receive an increase in the retirement allowance of the member of two percent for each year, or major fraction of more than one-half of a year, which the retired member has been retired prior to July 1, 1975. This increased amount shall be payable commencing with January, 1976, and shall thereafter be referred to as the member's retirement allowance. The increase provided for in this subsection shall not affect the retired member's eligibility for compensation provided for in section 169.580 or 169.585, nor shall the amount being paid pursuant to these sections be reduced because of any increases provided for in this section.

13. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases two percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by two percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board with the provision that the increases provided for in this subsection shall not become effective until the fourth January first following the member's retirement or January 1, 1977, whichever later occurs, or in the case of any member retiring on or after July 1, 2000, the increase provided for in this subsection shall not become effective until the third January first following the member's retirement, or in the case of any member retiring on or after July 1, 2001, the increase provided for in this subsection shall not become effective until the second January first following the member's retirement. Commencing with January 1, 1992, if the board of trustees determines that the cost of living has increased five percent or more in the preceding fiscal year, the board shall increase the retirement allowances by five percent. The total of the increases granted to a retired member or the beneficiary after December 31, 1976, may not exceed eighty percent of the retirement allowance established at retirement

or as previously adjusted by other subsections. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

14. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 13 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; except that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1976.

15. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

16. Notwithstanding any other provision of law, any person retired prior to September 28, 1983, who is receiving a reduced retirement allowance under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 28, 1983, and whose beneficiary nominated to receive continued retirement allowance payments under the elected option dies or has died, shall upon application to the board of trustees have his or her retirement allowance increased to the amount he or she would have been receiving had the option not been elected, actuarially adjusted to recognize any excessive benefits which would have been paid to him or her up to the time of application.

17. Benefits paid pursuant to the provisions of the public school retirement system of Missouri shall not exceed the limitations of Section 415 of Title 26 of the United States Code except as provided pursuant to this subsection. Notwithstanding any other law to the contrary, the board of trustees may establish a benefit plan pursuant to Section 415(m) of Title 26 of the United States Code. Such plan shall be created solely for the purpose described in Section 415(m)(3)(A) of Title 26 of the United States Code. The board of trustees may promulgate regulations necessary to implement the provisions of this subsection and to create and administer such benefit plan.

18. Notwithstanding any other provision of law to the contrary, any person retired before, on, or after May 26, 1994, shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties the person shall receive an amount based on the person's years of service so that the total amount received pursuant to sections 169.010 to 169.141 shall be at least the minimum amounts specified in subdivisions (1) to (4) of this subsection. In determining the minimum amount to be received, the amounts in subdivisions (3) and (4) of this subsection shall be adjusted in accordance with the actuarial adjustment, if any, that was applied to the person's retirement allowance. In determining the minimum amount to be received, beginning September 1, 1996, the amounts in subdivisions (1) and (2) of this subsection shall be adjusted in accordance with the actuarial adjustment, if any, that was applied to the person's retirement allowance due to election of an optional form of retirement having a continued monthly payment after the person's death. Notwithstanding any other provision of law to the contrary, no person retired before, on, or after May 26, 1994, and no beneficiary of such a person, shall receive a retirement benefit pursuant to sections 169.010 to 169.141 based on the person's years of service less than the following amounts:

- (1) Thirty or more years of service, one thousand two hundred dollars;
- (2) At least twenty-five years but less than thirty years, one thousand dollars;
- (3) At least twenty years but less than twenty-five years, eight hundred dollars;
- (4) At least fifteen years but less than twenty years, six hundred dollars.

19. Notwithstanding any other provisions of law to the contrary, any person retired prior to May 26, 1994, and any designated beneficiary of such a retired member who was deceased prior to July 1, 1999, shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement or aging and upon request shall give written or oral opinions to the board in response to such requests. Beginning September 1, 1996, as compensation for such service, the member shall have added, pursuant to this subsection, to the member's monthly annuity as provided by this section a dollar amount equal to the lesser of sixty dollars or the product of two dollars multiplied by the member's number of years of creditable service. Beginning September 1, 1999, the designated beneficiary of the deceased member shall as compensation for such service have added, pursuant to this subsection, to the monthly annuity as provided by this section a dollar amount equal to the lesser of sixty dollars or the product of two dollars multiplied by the member's number of years of creditable service. The total compensation provided by this section including the compensation provided by this subsection shall be used in calculating any future cost-of-living adjustments provided by subsection 13 of this section.

20. Any member who has retired prior to July 1, 1998, and the designated beneficiary of a deceased retired member shall be made, constituted, appointed and employed by the board as a special consultant on the matters of

education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties the person shall receive a payment equivalent to eight and seven-tenths percent of the previous month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 13 and 14 of this section for the purposes of the limit on the total amount of increases which may be received.

21. Any member who has retired shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such request. As compensation for such duties, the beneficiary of the retired member, or, if there is no beneficiary, the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the retired member, in that order of precedence, shall receive as a part of compensation for these duties a death benefit of five thousand dollars.

22. Any member who has retired prior to July 1, 1999, and the designated beneficiary of a retired member who was deceased prior to July 1, 1999, shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties, the person shall have added, pursuant to this subsection, to the monthly annuity as provided by this section a dollar amount equal to five dollars times the member's number of years of creditable service.

23. Any member who has retired prior to July 1, 2000, and the designated beneficiary of a deceased retired member shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties, the person shall receive a payment equivalent to three and five-tenths percent of the previous month's benefit, which shall be added to the member or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 13 and 14 of this section for the purposes of the limit on the total amount of increases which may be received.

24. Any member who has retired prior to July 1, 2001, and the designated beneficiary of a deceased retired member shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties, the person shall receive a dollar amount equal to three dollars times the member's number of years of creditable service, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 13 and 14 of this section for the purposes of the limit on the total amount of increases which may be received.

169.670. 1. The retirement allowance of a member whose age at retirement is sixty years or more and whose creditable service is five years or more, or whose sum of age and creditable service equals eighty years or more, or whose creditable service is thirty years or more regardless of age, shall be the sum of the following items:

(1) For each year of membership service, one and sixty-one hundredths percent of the member's final average salary;

(2) Six-tenths of the amount payable for a year of membership service for each year of prior service;

(3) Eighty-five one-hundredths of one percent of any amount by which the member's average compensation for services rendered prior to July 1, 1973, exceeds the average monthly compensation on which federal Social Security taxes were paid during the period over which such average compensation was computed, for each year of membership service credit for services rendered prior to July 1, 1973, plus six-tenths of the amount payable for a year of membership service for each year of prior service credit;

(4) In lieu of the retirement allowance otherwise provided by subdivisions (1) to (3) of this subsection, [between July 1, 2001, and July 1, 2013,] a member may elect to receive a retirement allowance of:

(a) One and fifty-nine hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-nine years or more but less than thirty years and the member has not attained the age of fifty-five;

(b) One and fifty-seven hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-eight years or more but less than twenty-nine years, and the member has not attained the age of fifty-five;

(c) One and fifty-five hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-seven years or more but less than twenty-eight years and the member has not attained the age of fifty-five;

(d) One and fifty-three hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-six years or more but less than twenty-seven years and the member has not attained the age of fifty-five;

(e) One and fifty-one hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is twenty-five years or more but less than twenty-six years and the member has not attained the age of fifty-five; and

(5) In addition to the retirement allowance provided in subdivisions (1) to (3) of this subsection, a member retiring on or after July 1, 2001, whose creditable service is thirty years or more or whose sum of age and creditable service is eighty years or more, shall receive a temporary retirement allowance equivalent to eight-tenths of one percent of the member's final average salary multiplied by the member's years of service until such time as the member reaches the minimum age for Social Security retirement benefits.

2. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases five percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by five percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board; provided that, the increase provided in this subsection shall not become effective until the fourth January first following a member's retirement or January 1, 1982, whichever occurs later, and the total of the increases granted to a retired member or the beneficiary after December 31, 1981, may not exceed eighty percent of the retirement allowance established at retirement or as previously adjusted by other provisions of law. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

3. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 2 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; provided that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1981.

4. (1) In lieu of the retirement allowance provided in subsection 1 of this section, called option 1, a member whose creditable service is twenty-five years or more or who has attained age fifty-five with five or more years of creditable service may elect, in the application for retirement, to receive the actuarial equivalent of the member's retirement allowance in reduced monthly payments for life during retirement with the provision that:

Option 2. Upon the member's death, the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member as the member shall have nominated in the member's election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1; OR

Option 3. Upon the death of the member three-fourths of the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1; OR

Option 4. Upon the death of the member one-half of the reduced retirement allowance shall be continued throughout the life of, and paid to, such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance shall be increased to the amount the retired member would be receiving had the member elected option 1; OR

Option 5. Upon the death of the member prior to the member having received one hundred twenty monthly payments of the member's reduced allowance, the remainder of the one hundred twenty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the one hundred twenty monthly payments, the reserve for the remainder of such one hundred twenty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the one hundred twenty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum; OR

Option 6. Upon the death of the member prior to the member having received sixty monthly payments of the member's reduced allowance, the remainder of the sixty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the sixty monthly payments, the reserve for the remainder of such sixty monthly payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the last person, in that order of precedence, to receive a monthly allowance in a lump sum payment. If the total of the sixty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum; OR

Option 7. A plan of variable monthly benefit payments which provides, in conjunction with the member's retirement benefits under the federal Social Security laws, level or near-level retirement benefit payments to the member for life during retirement, and if authorized, to an appropriate beneficiary designated by the member. Such a plan shall be actuarially equivalent to the retirement allowance under option 1 and shall be available for election only if established by the board of trustees under duly adopted rules.

(2) The election of an option may be made only in the application for retirement and such application must be filed prior to the date on which the retirement of the member is to be effective. If either the member or the person nominated dies before the effective date of retirement, the option shall not be effective, provided that:

(a) If the member or a person retired on disability retirement dies after attaining age fifty-five and acquiring five or more years of creditable service or after acquiring twenty-five or more years of creditable service and before retirement, except retirement with disability benefits, and the person named by the member as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either survivorship payments under option 2 or a payment of the member's accumulated contributions. If survivorship benefits under option 2 are elected and the member at the time of death would have been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated beneficiary may further elect to defer the option 2 payments until the date the member would have been eligible to receive the retirement allowance provided in subsection 1 of this section.

(b) If the member or a person retired on disability retirement dies before attaining age fifty-five but after acquiring five but fewer than twenty-five years of creditable service, and the person named as the beneficiary has an insurable interest in the life of the deceased member or disability retiree, the designated beneficiary may elect to receive either a payment of the person's accumulated contributions or survivorship benefits under option 2 to begin on the date the member would first have been eligible to receive an actuarial equivalent of the person's retirement allowance, or to begin on the date the member would first have been eligible to receive the retirement allowance provided in subsection 1 of this section.

5. If the total of the retirement or disability allowances paid to an individual before the person's death is less than the person's accumulated contributions at the time of the person's retirement, the difference shall be paid to the person's beneficiary or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or person's estate, in that order of precedence; provided, however, that if an optional benefit, as provided in option 2, 3 or 4 in subsection 4 of this section, had been elected and the beneficiary dies after receiving the optional benefit, then, if the total retirement allowances paid to the retired individual and the individual's beneficiary are less than the total of the contributions, the difference shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence, unless the retired individual designates a different recipient with the board at or after retirement.

6. If a member dies and his or her financial institution is unable to accept the final payment or payments due to the member, the final payment or payments shall be paid to the beneficiary of the member or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated. If the beneficiary of a deceased member dies and his or her financial institution is unable to accept the final payment or payments, the final payment or payments shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the member, in that order of precedence, unless otherwise stated.

7. If a member dies before receiving a retirement allowance, the member's accumulated contributions at the time of the member's death shall be paid to the member's beneficiary or, if there is no beneficiary, to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or to the member's estate; provided, however, that no such payment shall be made if the beneficiary elects option 2 in subsection 4 of this section, unless the beneficiary dies before having received benefits pursuant to that subsection equal to the accumulated contributions of the member, in which case the amount of accumulated contributions in excess of the total benefits paid pursuant to that

subsection shall be paid to the surviving spouse, surviving children in equal shares, surviving parents in equal shares, or estate of the beneficiary, in that order of precedence.

8. If a member ceases to be an employee as defined in section 169.600 and certifies to the board of trustees that such cessation is permanent or if the person's membership is otherwise terminated, the person shall be paid the person's accumulated contributions with interest.

9. Notwithstanding any provisions of sections 169.600 to 169.715 to the contrary, if a member ceases to be an employee as defined in section 169.600 after acquiring five or more years of creditable service, the member may, at the option of the member, leave the member's contributions with the retirement system and claim a retirement allowance any time after the member reaches the minimum age for voluntary retirement. When the member's claim is presented to the board, the member shall be granted an allowance as provided in sections 169.600 to 169.715 on the basis of the member's age and years of service.

10. The retirement allowance of a member retired because of disability shall be nine-tenths of the allowance to which the member's creditable service would entitle the member if the member's age were sixty.

11. Notwithstanding any provisions of sections 169.600 to 169.715 to the contrary, any member who is a member prior to October 13, 1969, may elect to have the member's retirement allowance computed in accordance with sections 169.600 to 169.715 as they existed prior to October 13, 1969.

12. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

13. Notwithstanding any other provision of law, any person retired prior to August 14, 1984, who is receiving a reduced retirement allowance under option 1 or 2 of subsection 4 of this section, as the option existed prior to August 14, 1984, and whose beneficiary nominated to receive continued retirement allowance payments under the elected option dies or has died, shall upon application to the board of trustees have the person's retirement allowance increased to the amount the person would have been receiving had the person not elected the option actuarially adjusted to recognize any excessive benefits which would have been paid to the person up to the time of the application.

14. Benefits paid pursuant to the provisions of the public education employee retirement system of Missouri shall not exceed the limitations of Section 415 of Title 26 of the United States Code, except as provided under this subsection. Notwithstanding any other law, the board of trustees may establish a benefit plan under Section 415(m) of Title 26 of the United States Code. Such plan shall be credited solely for the purpose described in Section 415(m)(3)(A) of Title 26 of the United States Code. The board of trustees may promulgate regulations necessary to implement the provisions of this subsection and to create and administer such benefit plan.

15. Any member who has retired prior to July 1, 1999, and the designated beneficiary of a deceased retired member upon request shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging. As compensation for such duties the person shall receive a payment equivalent to seven and four-tenths percent of the previous month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 2 and 3 of this section for the purposes of the limit on the total amount of increases which may be received.

16. Any member who has retired prior to July 1, 2000, and the designated beneficiary of a deceased retired member upon request shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging. As compensation for such duties the person shall receive a payment equivalent to three and four-tenths percent of the previous month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 2 and 3 of this section for the purposes of the limit on the total amount of increases which may be received.

17. Any member who has retired prior to July 1, 2001, and the designated beneficiary of a deceased retired member upon request shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging. House Amendment No. 1

AMEND House Committee Substitute No. 2 for House Bill No. 698, Page 1, Section A, Line 8, by inserting after all of said line the following:

“32.115. 1. The department of revenue shall grant a tax credit, to be applied in the following order until used, against:

- (1) The annual tax on gross premium receipts of insurance companies in chapter 148;
- (2) The tax on banks determined pursuant to subdivision (2) of subsection 2 of section 148.030;
- (3) The tax on banks determined in subdivision (1) of subsection 2 of section 148.030;
- (4) The tax on other financial institutions in chapter 148;
- (5) The corporation franchise tax in chapter 147;
- (6) The state income tax in chapter 143; and
- (7) The annual tax on gross receipts of express companies in chapter 153.

2. For proposals approved pursuant to section 32.110:

(1) The amount of the tax credit shall not exceed fifty percent of the total amount contributed during the taxable year by the business firm or, in the case of a financial institution, where applicable, during the relevant income period in programs approved pursuant to section 32.110;

(2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy percent may be allowed for contributions to programs where activities fall within the scope of special program priorities as defined with the approval of the governor in regulations promulgated by the director of the department of economic development;

(3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for contributions to programs located in any community shall be equal to seventy percent of the total amount contributed where such community is a city, town or village which has fifteen thousand or less inhabitants as of the last decennial census and is located in a county which is either located in:

(a) An area that is not part of a standard metropolitan statistical area;

(b) A standard metropolitan statistical area but such county has only one city, town or village which has more than fifteen thousand inhabitants; or

(c) A standard metropolitan statistical area and a substantial number of persons in such county derive their income from agriculture. Such community may also be in an unincorporated area in such county as provided in subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit of the combined federal and state tax savings to the taxpayer exceed the amount contributed by the taxpayer during the tax year;

(4) Such tax credit allocation, equal to seventy percent of the total amount contributed, shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit allocation is committed, the tax credit allocation for such programs shall then be equal to fifty percent credit of the total amount contributed. Regulations establishing special program priorities are to be promulgated during the first month of each fiscal year and at such times during the year as the public interest dictates. Such credit shall not exceed two hundred and fifty thousand dollars annually except as provided in subdivision (5) of this subsection. No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. Any tax credit not used in the period the contribution was made may be

carried over the next five succeeding calendar or fiscal years until the full credit has been claimed. Except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to sections 32.100 to 32.125 exceed thirty-two million dollars in any one fiscal year, of which six million shall be credits allowed pursuant to section 135.460. If six million dollars in credits are not approved, then the remaining credits may be used for programs approved pursuant to sections 32.100 to 32.125;

(5) The credit may exceed two hundred fifty thousand dollars annually and shall not be limited if community services, crime prevention, education, job training, physical revitalization or economic development, as defined by section 32.105, is rendered in an area defined by federal or state law as an impoverished, economically distressed, or blighted area or as a neighborhood experiencing problems endangering its existence as a viable and stable neighborhood, or if the community services, crime prevention, education, job training, physical revitalization or economic development is limited to impoverished persons.

3. For proposals approved pursuant to section 32.111:

(1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities or market rate housing in distressed communities as defined in section 135.530 by a business firm. Whenever such investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units or market rate housing units in distressed communities for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units or market rate housing units in distressed communities, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year. **Beginning August 28, 2013, no new tax credits shall be authorized for programs under section 32.111 as provided under section 620.2020. The provisions of this subdivision shall not be construed to limit or impair the ability of any administering agency to issue tax credits authorized prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits;**

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify such certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter. The qualifying owner occupant shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to be in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If at any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until

the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.”; and

2. As used in this section, the following terms mean:

(1) "Authority", the agriculture and small business development authority as provided in this chapter;

(2) "Contributor", an individual, partnership, corporation, trust, limited liability company, entity or person that contributes cash funds to the authority;

(3) "Development facility", a facility producing either a good derived from an agricultural commodity or using a process to produce a good derived from an agricultural product;

(4) "Eligible new generation cooperative", a nonprofit cooperative association formed pursuant to chapter 274, or incorporated pursuant to chapter 357, for the purpose of operating within this state a development facility or a renewable fuel production facility;

(5) "Eligible new generation processing entity", a partnership, corporation, cooperative, or limited liability company organized or incorporated pursuant to the laws of this state consisting of not less than twelve members, approved by the authority, for the purpose of owning or operating within this state a development facility or a renewable fuel production facility in which producer members:

(a) Hold a majority of the governance or voting rights of the entity and any governing committee;

(6) "Renewable fuel production facility", a facility producing an energy source which is derived from a renewable, domestically grown, organic compound capable of powering machinery, including an engine or power plant, and any by-product derived from such energy source.

3. For all tax years beginning on or after January 1, 1999, a contributor who contributes funds to the authority may receive a credit against the tax or estimated quarterly tax otherwise due pursuant to chapter 143, other than taxes withheld pursuant to sections 143.191 to 143.265, chapter [148 chapter] 147, **or chapter 148**, in an amount of up to one hundred percent of such contribution. Tax credits claimed in a taxable year may be done so on a quarterly basis and applied to the estimated quarterly tax pursuant to this subsection. If a quarterly tax credit claim or series of claims contributes to causing an overpayment of taxes for a taxable year, such overpayment shall not be refunded but shall be applied to the next taxable year. The awarding of such credit shall be at the approval of the authority, based on the least amount of credits necessary to provide incentive for the contributions. A contributor that receives tax credits for a contribution to the authority shall receive no other consideration or compensation for such contribution, other than a federal tax deduction, if applicable, and goodwill.

4. A contributor shall submit to the authority an application for the tax credit authorized by this section on a form provided by the authority. If the contributor meets all criteria prescribed by this section and the authority, the authority shall issue a tax credit certificate in the appropriate amount. Tax credits issued pursuant to this section may be claimed in the taxable year in which the contributor contributes funds to the authority. For all fiscal years beginning on or after July 1, 2004, tax credits allowed pursuant to this section may be carried back to any of the contributor's three prior tax years and may be carried forward to any of the contributor's five subsequent taxable years. **Through December 31, 2013**, tax credits issued pursuant to this section may be assigned, transferred or sold and the new owner of the tax credit shall have the same rights in the credit as the contributor, **but beginning January 1, 2014, no tax credit issued under this section shall in any manner be transferred, sold, assigned, exchanged, or otherwise conveyed.** Whenever a certificate of tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the authority specifying the name and address of the new owner of the tax credit or the value of the credit.

5. The funds derived from contributions in this section shall be used for financial assistance or technical assistance for the purposes provided in section 348.407 to rural agricultural business concepts as approved by the authority. The authority may provide or facilitate loans, equity investments, or guaranteed loans for rural agricultural business concepts, but limited to two million dollars per project or the net state economic impact, whichever is less. Loans, equity investments or guaranteed loans may only be provided to feasible projects, and for an amount that is the

least amount necessary to cause the project to occur, as determined by the authority. The authority may structure the loans, equity investments or guaranteed loans in a way that facilitates the project, but also provides for a compensatory return on investment or loan payment to the authority, based on the risk of the project.

6. In any given year, at least ten percent of the funds granted to rural agricultural business concepts shall be awarded to grant requests of twenty-five thousand dollars or less. No single rural agricultural business concept shall receive more than two hundred thousand dollars in grant awards from the authority. Agricultural businesses owned by minority members or women shall be given consideration in the allocation of funds.

348.432. 1. The tax credit created in this section shall be known as the "New Generation Cooperative Incentive Tax Credit".

2. As used in this section, the following terms mean:

 - (a) Hold a majority of the governance or voting rights of the entity and any governing committee;
 - (b) Control the hiring and firing of management; and
 - (c) Deliver agricultural commodities or products to the entity for processing, unless processing is required by multiple entities;
- (5) "Employee-qualified capital project", an eligible new generation cooperative with capital costs greater than fifteen million dollars which will employ at least sixty employees;
- (6) "Large capital project", an eligible new generation cooperative with capital costs greater than one million dollars;
- (7) "Producer member", a person, partnership, corporation, trust or limited liability company whose main purpose is agricultural production that invests cash funds to an eligible new generation cooperative or eligible new generation processing entity;

3. Beginning tax year 1999, and ending December 31, 2002, any producer member who invests cash funds in an eligible new generation cooperative or eligible new generation processing entity may receive a credit against the tax or estimated quarterly tax otherwise due pursuant to chapter 143, other than taxes withheld pursuant to sections 143.191 to 143.265 or chapter [148, chapter] 147, **or chapter 148**, in an amount equal to the lesser of fifty percent of such producer member's investment or fifteen thousand dollars.

4. For all tax years beginning on or after January 1, 2003, any producer member who invests cash funds in an eligible new generation cooperative or eligible new generation processing entity may receive a credit against the tax or estimated quarterly tax otherwise due pursuant to chapter 143, other than taxes withheld pursuant to sections 143.191 to 143.265, chapter 147 or chapter 148, in an amount equal to the lesser of fifty percent of such producer member's investment or fifteen thousand dollars. Tax credits claimed in a taxable year may be done so on a quarterly basis and applied to the estimated quarterly tax pursuant to subsection 3 of this section. If a quarterly tax credit claim or series of claims contributes to causing an overpayment of taxes for a taxable year, such overpayment shall not be refunded but shall be applied to the next taxable year.

5. A producer member shall submit to the authority an application for the tax credit authorized by this section on a form provided by the authority. If the producer member meets all criteria prescribed by this section and is approved by the authority, the authority shall issue a tax credit certificate in the appropriate amount. Tax credits issued pursuant to this section may be carried back to any of the producer member's three prior taxable years and carried forward to any of the producer member's five subsequent taxable years regardless of the type of tax liability to which such credits are applied as authorized pursuant to subsection 3 of this section. **Through December 31, 2013**, tax credits issued pursuant

to this section may be assigned, transferred, sold or otherwise conveyed and the new owner of the tax credit shall have the same rights in the credit as the producer member, **but beginning January 1, 2014, no tax credit issued under this section shall in any manner be transferred, sold, assigned, exchanged, or otherwise conveyed.** Whenever a certificate of tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the authority specifying the name and address of the new owner of the tax credit or the value of the credit.

6. Ten percent of the tax credits authorized pursuant to this section initially shall be offered in any fiscal year to small capital projects. If any portion of the ten percent of tax credits offered to small capital costs projects is unused in any calendar year, then the unused portion of tax credits may be offered to employee-qualified capital projects and large capital projects. If the authority receives more applications for tax credits for small capital projects than tax credits are authorized therefor, then the authority, by rule, shall determine the method of distribution of tax credits authorized for small capital projects.

7. Ninety percent of the tax credits authorized pursuant to this section initially shall be offered in any fiscal year to employee-qualified capital projects and large capital projects. If any portion of the ninety percent of tax credits offered to employee-qualified capital projects and large capital costs projects is unused in any fiscal year, then the unused portion of tax credits may be offered to small capital projects. The maximum tax credit allowed per employee-qualified capital project is three million dollars and the maximum tax credit allowed per large capital project is one million five hundred thousand dollars. If the authority approves the maximum tax credit allowed for any employee-qualified capital project or any large capital project, then the authority, by rule, shall determine the method of distribution of such maximum tax credit. In addition, if the authority receives more tax credit applications for employee-qualified capital projects and large capital projects than the amount of tax credits authorized therefor, then the authority, by rule, shall determine the method of distribution of tax credits authorized for employee-qualified capital projects and large capital projects."; and

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-FOURTH DAY, THURSDAY, APRIL 18, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

He that loveth not knoweth not God; for God is love. (1 John 4:8)

God of love and Lord of mercy, lay Your hand upon us and hold us steady amid the troubles of life during this session. The days come and go so fast that we lose our grip on life. We hurry here and there and wonder why we are weary and worn out. In fact, our work controls us - rather than in faith, we control our work.

Halt our haste, heal our ailing spirits, direct us in the doing of our duty, stay with us and we with You until we come to ourselves. Then let us arise with a strength born of Your spirit to face the tasks of this day with courage and to keep our faith even against the foolishness of a world which has lost, at times, its true purpose and real destiny.

Abide with us and encourage us to do Your will that we may be open channels through which Your redeeming love may flow to heal the difference between people and political parties.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Micah Bahr.

The Journal of the fifty-third day was approved as printed.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-FIFTH DAY, MONDAY, APRIL 22, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Representative Lindell Shumake.

Let us pray: Dear Lord, we come before You this morning acknowledging our utter and complete dependence upon You. Today we reach out to You for divine wisdom. As we learn from sacred scripture how King Solomon did not ask for riches, long life, or victory over his enemies, but rather, asked for wisdom to govern Your people, we ask for that kind of wisdom today.

Lord we ask that You remember our fellow Americans who have experienced tragedy in their lives, especially those in Boston and Texas. May their recovery be swift and total. Please remember our own House members and staff who are dealing with sickness, whether their own or that of a family member.

We ask for Your divine guidance as we begin our work week. We cannot thank You enough for the many blessings You have visited upon our great state through the grace of Your Son Jesus.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

OATH OF OFFICE

Representative-elect Mike Moon advanced to the bar and subscribed to the oath of office, which was administered by the Honorable Timothy Jones, Speaker of the Missouri House of Representatives.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-SIXTH DAY, TUESDAY, APRIL 23, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Teach me Thy way, O Lord, that I may walk in Thy truth. (Psalm 86:11)

Eternal God, Who is the refuge and strength of Your people in every age and our refuge and strength in this present hour, come into our hearts as we bow humbly in Your presence. Help us to realize our dependence upon You, our constant need of Your strength, Your guidance, and Your love. Give us knowledge that You are always with us and that with You we can be made ready for every responsibility and equal to every experience.

We pray for peace in our world, for an end to terrorism, for good will among our people, and for a faith in You which makes us strong, gives us courage, and helps us on our upward way. Keep our firefighters safe and protect us from floods.

May Your spirit touch each one of us with healing power. Kindle our faith, make sensitive our consciences, dedicate our strength, fortify us in our troubles, and send us out into this day strong in You and in the power of Your might.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Alex Ricci, Miranda Nelson, Sabrina Drake, Anna Marie Harmon, Alex Loethen, Savannah Feltrop, Faith Koenig, Jacoby Lefort, Gage Rethorn, James Bomen, Johanna Shumake, Sadie Rowden and Stella Sides.

The Journal of the fifty-fifth day was approved as printed.

Representative Gatschenberger offered **House Amendment No. 1.**

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 161, Page 12, Section 77.675, Line 15, by inserting after all of said section and line the following:

"247.225. Notwithstanding any provision of law to the contrary, a water supply district under this chapter in a county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants shall be under the auspices of the public service commission for rates, charges, or other fees."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Gatschenberger, **House Amendment No. 1** was adopted.

Representative Lauer offered **House Amendment No. 2.**

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 161, Section 64.170, Page 3, Line 30, by inserting after all of said line the following:

"67.463. 1. At the hearing to consider the proposed improvements and assessments, the governing body shall hear and pass upon all objections to the proposed improvements and proposed assessments, if any, and may amend the proposed improvements, and the plans and specifications therefor, or assessments as to any property, and thereupon by ordinance or resolution the governing body of the city or county shall order that the improvement be made and direct that financing for the cost thereof be obtained as provided in sections 67.453 to 67.475.

2. After construction of the improvement has been completed in accordance with the plans and specifications therefor, the governing body shall compute the final costs of the improvement and apportion the costs among the property benefitted by such improvement in such equitable manner as the governing body shall determine, charging each parcel of property with its proportionate share of the costs, and by resolution or ordinance, assess the final cost of the improvement or the amount of general obligation bonds issued or to be issued therefor as special assessments against the property described in the assessment roll.

3. After the passage or adoption of the ordinance or resolution assessing the special assessments, the city clerk or county clerk shall mail a notice to each property owner within the district which sets forth a description of each parcel of real property to be assessed which is owned by such owner, the special assessment assigned to such property, and a statement that the property owner may pay such assessment in full, together with interest accrued thereon from the effective date of such ordinance or resolution, on or before a specified date determined by the effective date of the ordinance or resolution, or may pay such assessment in annual installments as provided in subsection 4 of this section.

4. The special assessments shall be assessed upon the property included therein concurrent with general property taxes, and shall be payable in substantially equal annual installments for a duration stated in the ballot measure prescribed in subsection 2 of section 67.457 or in the petition prescribed in subsection 3 of section 67.457, and, if authorized, an assessment in each year thereafter levied and collected in the same manner with the proceeds thereof used solely for maintenance of the improvement, taking into account such assessments and interest thereon, as the governing body determines. The first installment shall be payable after the first collection of general property taxes following the adoption of the assessment ordinance or resolution unless such ordinance or resolution was adopted and certified too late to permit its collection at such time. All assessments shall bear interest at such rate as the governing body determines, not to exceed the rate permitted for bonds by section 108.170. Interest on the assessment between the effective date of the ordinance or resolution assessing the assessment and the date the first installment is payable shall be added to the first installment. The interest for one year on all unpaid installments shall be added to each subsequent installment until paid. In the case of a special assessment by a city, all of the installments, together with the interest accrued or to accrue thereon, may be certified by the city clerk to the county clerk in one instrument at the same time. Such certification shall be good for all of the installments, and the interest thereon payable as special assessments.

5. Special assessments shall be collected and paid over to the city treasurer or county treasurer in the same manner as taxes of the city or county are collected and paid. In any county [of the first classification with more than one hundred thirty-five thousand four hundred but fewer than one hundred thirty-five thousand five hundred inhabitants], the county collector may collect a fee as prescribed by section 52.260 for collection of assessments under this section.

67.469. A special assessment authorized under the provisions of sections 67.453 to 67.475 shall be a lien, from the date of the assessment, on the property against which it is assessed on behalf of the city or county assessing the same to the same extent as a tax upon real property. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale pursuant to chapter 140 or, **if applicable to that county, chapter 141, or**, [by judicial foreclosure proceeding,] at the option of the governing body, **by judicial foreclosure proceeding**. Upon the foreclosure of any such lien, whether by land tax sale or by judicial foreclosure proceeding, the entire remaining assessment may become due and payable and may be recoverable in such foreclosure proceeding at the option of the governing body.

If the project is reapproved, the two-year period for commencement shall apply.

4. (1) The director shall review the STAR bond project plan, feasibility study, and market study, along with other supporting documentation, and determine whether to approve a request and, if approved, issue an approval letter for a STAR bond project based upon the requirements within the STAR bonds financing act and rules and regulations developed by the director.

(2) A special obligation bond issue shall bear interest at a reasonable rate as of the time of sale of the bonds, taking into account such factors as current market conditions, the nature and degree of risk associated with repayment of the bonds, and other relevant factors.

5. (1) Any city or county that has received approval for a STAR bond project may request STAR bond issuance authority to issue additional STAR bonds in an amount in excess of the amount previously approved by the director. (3) Bonds issued under subdivision (1) of this subsection shall not be general obligations of the city or the county, nor in any event shall they give rise to a charge against the city's or county's general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in subdivision (1) of this subsection, and such bonds shall so state on their face. Bonds issued under the provisions of subdivision (1) of this subsection shall be special obligations of the city or county and are declared to be negotiable instruments. revenue. The department of economic development shall compile this information and submit a report annually to the governor and the legislature by February first of each year.

3. A city or county may use the proceeds of special obligation bonds or any uncommitted funds derived from sources set forth in this section to pay the bond project to implement the STAR bond project plan.

67.2073. 1. (4) If a city or county has undertaken a STAR bond project within a STAR bond project district, and either the city or county wishes to subsequently remove more than a de minimus amount of real property from the STAR bond project district, or the city or county wishes to subsequently divide the real property in the STAR bond project district into more than one STAR bond project district, then before any such removal or division the city or county shall provide a feasibility study that shows that the tax revenue from the resulting STAR bond project district within which the STAR bond project is located is expected to be sufficient to pay the project costs.

(5) Removal of real property from one STAR bond project district and addition of all or a portion of that real property to another STAR bond project district may be accomplished by the adoption of an ordinance or resolution, and in such event the determination of the existence or nonexistence of an adverse effect on the county or school district under subsection 2 of section 67.2071 shall apply to both such removal and such addition of real property to a STAR bond project district.

3. (1) Any city or county that has adopted a STAR bond project plan may purchase or otherwise acquire real property in connection with such project plan. Upon a two-thirds vote of the members of the governing body thereof, a city or county may acquire by condemnation any interest in real property, including a fee simple title thereto, that it deems necessary for or in connection with any project plan of an area located within the project district; however, eminent domain shall be used only as provided in state law. Any such city or county may exercise the power of eminent domain in the manner provided in state law. In addition to any compensation or damages allowed under provisions governing eminent domain, such city or county shall also provide for the payment of relocation assistance as provided in subsection 4 of this section.

(1) Provide for relocation payments to be made to persons, families, and businesses who move from real property located in the STAR bond project district, or who move personal property from real property located in the STAR bond project district as a result of the acquisition of the real property by the city or county in carrying out the provisions of the STAR bonds financing act. With respect to any STAR bond project, such payments shall not be less than five hundred dollars;

(2) Provide that no persons or families residing in the STAR bond project district shall be displaced unless and until there is a suitable housing unit available and ready for occupancy by such displaced person or family at rents within the person's or family's ability to pay. Such housing units shall be suitable to the needs of such displaced persons or families and must be a decent, safe, sanitary, and otherwise standard dwelling; and

(3) Provide for the payment of any damages sustained by a seller, as defined in section 144.010, by reason of the liquidation of inventories necessitated by relocation from the STAR bond project district.

otherwise intended to be used in whole or in part for the payment of bonds issued to finance project costs in such STAR bond project area, shall be provided by the director to the bond trustee, escrow agent, or paying agent for such bonds upon the written request of the city or county within fifteen days of receipt by the director. The bond trustee, escrow agent, or paying agent shall keep such sales, use, and transient guest tax returns of sellers and the information contained therein confidential, but may use such information for purposes of allocating and depositing such sales, use, and transient guest tax revenues in connection with the bonds used to finance project costs in such STAR bond project area. Except as otherwise provided herein, the sales, use, and transient guest tax returns received by the bond trustee, escrow agent, or paying agent shall be subject to the confidentiality provisions in chapter 32.

(2) The director shall determine when the amount of sales tax and other revenues that have been collected and distributed to the bond debt service or reserve fund is sufficient to satisfy all principal and interest costs to the maturity date or dates of any special obligation bonds issued by a city or county to finance a STAR bond project. Thereafter, all sales tax and other revenues shall be collected and distributed in accordance with applicable law.

6. For projects involving the use of financing under paragraph (e) of subdivision (1) of subsection 1 of section 67.2072, the director shall set a limit on the total amount of such special obligation bonds that may be issued for a STAR bond project. An issue of special obligation bonds shall bear interest at a reasonable rate as of the time of sale of the bonds, taking into account such factors as current market conditions, the nature and degree of risk associated with repayment of the bonds, and other relevant factors.

Audit results shall be reported to the governor, the director of the department of economic development, the senate committee on commerce, consumer protection, energy and the environment, the house committee on economic development, and any successor committees thereto, and the director, during the legislative session immediately following the audit.

(3) If audit findings indicate that bond funds have been used for unauthorized or ineligible purposes, the city or county shall repay to the bond fund all such unauthorized or ineligible expenditures. Such city or county shall enter into a repayment agreement with the director specifying the terms of such repayment obligation.

8. The STAR bonds financing act shall expire on June 30, 2018."; and

AMEND House Committee Substitute for House Bill No. 161, Page 12, Section 77.675, Line 15, by inserting immediately after said line the following:

"184.800. Sections 184.800 to 184.880 shall be known as the "Missouri Museum **and Cultural** District Act".

[(3)] **(5)** "Museum", a building or area used for the purpose of exhibiting and/or preserving objects or specimens of interest to the public, including but not limited to **photographs**, art, **historical** items, **items** of natural history, and items connected with wildlife [and], conservation, **and historical events**;

[(4)] **(6)** "Owner of real property", the owner of the fee interest in the real property[, except that when the real property is subject to a lease of ten or more years, the lessee rather than the owner of the fee interest shall be considered as the "owner of real property"]. An owner may be either a natural person or a [juridical] **legal** entity.

2. For the purposes of sections 11(c), 16 and 22 of article X of the Constitution of Missouri, section 137.073, and as used in sections 184.800 to 184.880, the following terms shall have the meanings given:

(1) "Approval of the required majority" [or "direct voter approval"], a simple majority;

(2) "Qualified voters", the owners of real property located within the proposed district [or any person residing in the district who is a legal voter within the district].

184.810. 1. A district **where the majority of the property is located within a disaster area** may be created to fund, promote, plan, design, construct, improve, maintain and operate one or more projects relating to [a museum] **one or more museums and cultural assets** or to assist in such activity.

2. A district is a political subdivision of the state.

3. No structures operated by a museum **and cultural** district board pursuant to sections 184.800 to 184.880 shall be named for a commercial venture.

184.815. 1. Whenever the creation of a district is desired, the owners of real property who own at least two-thirds of the real property within the proposed district may file a petition requesting the creation of a district. The petition shall be filed in the circuit court of the county in which the proposed district is located. Any petition to create a museum **and cultural** district pursuant to the provisions of sections 184.800 to 184.880 shall be filed [on or before December 31, 1998] **within five years after the Presidential declaration establishing the disaster area**.

2. The proposed district area [shall be contiguous and] may contain **one or more parcels of real property, which may or may not be contiguous and may further include** any portion of one or more municipalities.

3. The petition shall set forth:

(1) The name and address of each owner of real property located within the proposed district [or who is a legal voter resident within the proposed district];

(2) A specific description of the proposed district boundaries including a map illustrating such boundaries;

(3) A general description of the purpose or purposes for which the district is being formed, including a description of the proposed museum or museums **and cultural asset or cultural assets** and a general plan for [its] operation **of each museum and each cultural asset within the district**; and

(4) The name of the proposed district.

4. In the event any owner of real property within the proposed district who is named in the petition [or any legal voter resident within the district] shall not join in the petition or file an entry of appearance and waiver of service of process in the case, a copy of the petition shall be served upon said owner [or legal voter] in the manner provided by supreme court rule for the service of petitions generally. Any objections to the petition shall be raised by answer within the time provided by supreme court rule for the filing of an answer to a petition.

184.820. 1. Any owner of real property within the proposed district [and any legal voter who is a resident within the proposed district] may join in or file a petition supporting or answer opposing the creation of the district and seeking a judgment respecting these same issues.

2. The court shall hear the case without a jury. If the court determines the petition is defective or the proposed district or its plan of operation is unconstitutional, it shall enter its judgment to that effect and shall refuse to incorporate the district as requested in the pleadings. If the court determines the petition is not legally defective and the proposed district and plan of operation are not unconstitutional, the court shall determine and declare the district organized and incorporated and shall approve the plan of operation stated in the petition.

3. Any party having filed a petition or answer to a petition may appeal the circuit court's order or judgment in the same manner as provided for other appeals. Any order either refusing to incorporate the district or incorporating the district shall be deemed a final judgment for purposes of appeal.

184.827. A museum **and cultural** district created pursuant to sections 184.800 to 184.880 shall be governed by a board of directors consisting of [eight] **five** members[. Five of the members] **who** shall be elected as provided in section 184.830. [Three members of the board of directors shall be appointed by the governor with the advice and consent of the senate for a three-year term. Not more than two of the three members appointed by the governor shall

be of the same political party. The governor shall appoint an interim director to complete the unexpired term of a director caused by resignation or disqualification who was appointed by the governor.]

184.830. 1. Within thirty days after the order declaring the district organized has become final, the circuit clerk of the county in which the petition was filed shall, give notice by causing publication to be made once a week for two consecutive weeks in a newspaper of general circulation in the county, the last publication of which shall be at least ten days before the day of the meeting required by this section, call a meeting of the owners of real property within the district at a day and hour specified in a public place in the county in which the petition was filed for the purpose of electing a board of five directors, to be composed of owners or representatives of owners of real property in the district.

2. The owners of real property, when assembled, shall organize by the election of a chairman and secretary of the meeting who shall conduct the election. At the election, each acre of real property within the district shall be considered as a voting interest, and each owner of real property shall have one vote in person or by proxy for every acre of real property owned within the district for each director to be elected. A director need not be a legal voter of the district.

3. Each director shall serve for a term of three years and until his **or her** successor is duly elected and qualified. Successor directors shall be elected in the same manner as the initial directors at a meeting of the owners of real property called by the board. Each successor director shall serve a three-year term. The remaining directors shall have the authority to elect an interim director to complete any unexpired term of a director caused by resignation or disqualification.

4. Directors shall be at least twenty-one years of age.

184.835. 1. The board shall possess and exercise all of the district's legislative and executive powers.

2. Within thirty days after the election of the initial directors, the board shall meet. At its first meeting and after each election of new board members the board shall elect a chairman, a secretary, a treasurer and such other officers as it deems necessary from its members. A director may fill more than one office, except that a director may not fill both the office of chairman and secretary.

3. [The board may employ such employees as it deems necessary; provided, however, that the board shall not employ any employee who is related within the fourth degree by blood or marriage to a member of the board.

4.] At the first meeting, the board, by resolution, shall define the first and subsequent fiscal years of the district, and shall adopt a corporate seal.

[5.] 4. A simple majority of the board shall constitute a quorum. If a quorum exists, a **simple** majority of those voting shall have the authority to act in the name of the board, and approve any board resolution.

[6.] 5. Each director shall devote such time to the duties of the office as the faithful discharge thereof may require and may be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district.

184.840. 1. A district may receive and use funds for the purposes of planning, designing, constructing, reconstructing, maintaining and operating [a museum] **one or more museums and cultural assets**, conducting educational programs in connection therewith [for any public purpose] which is reasonably connected with the museum **or cultural asset** and for any other purposes authorized by sections 184.840 to 184.880. Such funds may be derived from any funding method which is authorized by sections 184.800 to 184.880 and from any other source, including but not limited to funds from federal sources, the state of Missouri or an agency thereof, a political subdivision of the state or private sources.

2. The general assembly may annually for a period of twenty years after [July 7, 1997] **January 1, 2013**, make appropriations from general revenue to a district which is created pursuant to the provisions of sections 184.800 to 184.880.

184.845. 1. The board of the district may impose a museum **and cultural** district sales tax by resolution on all retail sales made in such museum **and cultural** district which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Such museum **and cultural** district sales tax may be imposed for any museum **or cultural** purpose designated by the board of the museum **and cultural** district. If the resolution is adopted the board of the district may submit the question of whether to impose a sales tax authorized by this section to [either the legal voters of the district and/or to the owners of real property within the district] **the qualified voters**, who shall have the same voting interests as with the election of members of the board of the district.

2. The sales tax authorized by this section shall become effective on the first day of the second calendar quarter following adoption of the tax by the **board or qualified voters, if the board elects to submit the question of whether to impose a sales tax to the** qualified voters.

3. In each museum **and cultural** district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the museum **and cultural** district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

4. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the museum **and cultural** district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section [144.825] **144.285**.

5. All revenue received by a museum **and cultural** district from the tax authorized by this section which has been designated for a certain museum **or cultural** purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. All funds remaining in the special trust fund shall continue to be used solely for such designated museum **or cultural** purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other museum **or cultural** district funds.

6. The sales tax may be imposed at a rate of one-half of one percent, three-fourths of one percent or one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the museum **and cultural** district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any museum **and cultural** district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

7. On and after the effective date of any tax imposed pursuant to this section, the museum **and cultural** district shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the museum **and cultural** district.

8. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

9. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

10. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the museum **and cultural** district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

12. For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order shall be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

13. All sales taxes collected by the museum **and cultural** district shall be deposited by the museum **and cultural** district in a special fund to be expended for the purposes authorized in this section. The museum **and cultural** district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection by the officers and directors of each museum **and cultural** district and the Missouri department of revenue. Tax returns filed by businesses within the district shall otherwise be considered as confidential in the same manner as sales tax returns filed with the Missouri department of revenue.

14. No museum **and cultural** district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has

incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued to finance any project or projects.

184.847. 1. The board of a district may impose an admissions fee on every person, firm, association, company or partnership of whatever form offering or managing any form of entertainment, amusement, athletic or other commercial or nonprofit event or venue for which admission is charged and which is presented within the district. The fee shall be at a rate of no more than one dollar per seat or admission sold. This fee is in addition to any state or local tax. Such admission fee may be imposed for any museum and cultural purpose designated by the board of the museum and cultural district. If the resolution is adopted, the board of the district may submit the question of whether to impose such admission fee authorized by this section to the qualified voters, who shall have the same voting interests as with the election of members of the board of the district. The question shall specify the particular types of events or venues that shall be subject to such admission fee.

2. The admission fee authorized by this section shall become effective on the first day of the second calendar quarter following the adoption of the admission fee by the qualified voters.

3. All revenue received by a museum and cultural district from the admission fee authorized by this section shall be deposited in a special trust fund and shall be used solely for such designated purpose. All funds remaining in the special trust fund shall continue to be used solely for such designated museum or cultural purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other museum and cultural district funds.

4. On and after the effective date of any admission fee imposed pursuant to this section, the museum and cultural district shall perform all functions incident to the administration, collection, enforcement, and operation of the admission fee. The admission fee imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the museum and cultural district.

184.850. 1. A district may contract and incur obligations appropriate to accomplish its purposes.

2. A district may enter into any lease or lease-purchase agreement for or with respect to any real or personal property necessary or convenient for its purposes.

3. A district may enter into operating agreements and/or management agreements [with not-for-profit corporations] to operate [the] **a museum or cultural asset** or carry out any other authorized purposes or functions of the district.

4. A district may borrow money for its purposes at such rates of interest as the district may determine.

5. A district may issue bonds, notes and other obligations, and may secure any of such obligations by mortgage, pledge, assignment, security agreement or deed of trust of any or all of the property and income of the district, subject to the restrictions provided in sections 184.800 to 184.880. The district shall also have the power and authority to secure financing on the issuance of bonds for financing through another political subdivision or an agency of the state.

6. A district may enter into labor agreements, establish all bid conditions, decide all contract awards, pay all contractors and generally supervise the construction of [the] **a museum or cultural asset** project.

7. A district may hire employees, enter leases and contracts and otherwise take such actions and enter into such agreements as are necessary or incidental to the ownership, operation, and maintenance of each museum and each cultural asset within the district.

184.865. The district may contract with a federal agency, a state or its agencies and political subdivisions, a corporation, partnership **or limited partnership, limited liability company**, or individual regarding funding, promotion, planning, designing, constructing, improving, maintaining, or operating [a project] **any museum or cultural asset within the district** or to assist in such activity[]; provided, however, that any contract providing for the overall management and operation of the museum for the district shall only be with a governmental entity or a not-for-profit corporation[]."; and

Four members of the committee, two men and two women, shall be elected from the other townships outside the city] **members of the committee shall be elected from the districts of each state representative that are in any way contained in the county in the following manner: within six months after each legislative reapportionment, each portion of a legislative district contained in the county shall constitute a single committee district. Two men and two women shall be elected from each committee district formed from a legislative district that is wholly contained in the county as members of the committee, two men and two women shall be elected from each committee district formed from a legislative district that is predominantly contained in the county as members of the committee, and one man and one woman shall be elected from each committee district formed from a legislative district that is partially but not predominantly contained in the county as members of the committee.**

3. [In any city which has over three hundred thousand inhabitants, the major portion of which is located in a county with a charter form of government, for the portion of the city located within such county and notwithstanding section 82.110, it shall be the duty of the election authority, not later than six months after the decennial census has been reported to the President of the United States, to divide such cities into not less than twenty-four nor more than twenty-five wards after each decennial census. Wards shall be so divided that the number of inhabitants in any ward shall not exceed any other ward of the city and within the same county, by more than five percent, measured by the number of the inhabitants determined at the preceding decennial census.

4.] In each county of the first classification containing a portion, but not the major portion, of a city which has over three hundred thousand inhabitants, ten members of the committee, five men and five women, shall be elected from the district of each state representative wholly contained in the county in the following manner: within six months after each legislative reapportionment, the election authority shall divide each legislative district wholly contained in the county into five committee districts of contiguous territory as compact and as nearly equal in population as may be; two members of the committee, a man and a woman, shall be elected from each committee district. The election authority shall divide the area of the county located within legislative districts not wholly contained in the county into similar committee districts; two members of the committee, a man and a woman, shall be elected from each committee district.

[6.] 5. In all counties with a charter form of government and a population of over nine hundred thousand inhabitants, the county committee persons shall be elected from each township. Within ninety days after August 28, 2002, and within six months after each decennial census has been reported to the President of the United States, the election authority shall divide the county into twenty-eight compact and contiguous townships containing populations as nearly equal in population to each other as is practical.

[7.] 6. If any election authority has failed to adopt a reapportionment plan by the deadline set forth in this section, the county commission, sitting as a reapportionment commission, shall within sixty days after the deadline, adopt

a reapportionment plan. Changes of township, ward, or precinct lines shall not affect the terms of office of incumbent party committee members elected from districts as constituted at the time of their election."; and

5. Any person detained by a school protection officer for violation of any school policy shall, as soon as practically possible, be turned over to a school administrator. However, in no case shall a person detained under the provisions of this section be detained by a school protection officer for more than four hours.

6. Any teacher or administrator of an elementary or secondary school who seeks to be designated as a school protection officer shall request such designation, in writing, and submit it to the superintendent of the school district which employs him or her as a teacher or administrator. Along with this request the teacher or administrator shall also submit proof that he or she has a valid concealed carry endorsement and shall submit a certificate of school protection officer training program completion from a training program approved by the director of the department of public safety which demonstrates that such person has successfully completed the training requirements established by the POST commission under chapter 590 for school protection officers.

7. No school district may designate a teacher or administrator as a school protection officer unless such person has a valid concealed carry endorsement and has successfully completed a school protection officer training program which has been approved by the director of the department of public safety.

8. Any school district which designates a teacher or administrator as a school protection officer shall, within thirty days, notify, in writing, the director of the department of public safety of the designation which shall include the following:

Notwithstanding any other law, any identifying information collected under the authority of this subsection shall not be considered public information and shall not be subject to a sunshine request made under chapter 610.

9. A school district may revoke the designation of a person as a school protection officer for any reason and shall immediately notify the designated school protection officer, in writing, of the revocation. The school district shall also within thirty days of the revocation notify the director of the department of public safety, in writing, of the revocation of the designation of such person as a school protection officer.

10. The director of the department of public safety shall maintain a listing of all persons designated by school districts as school protection officers and shall make this list available to all law enforcement agencies."; and

Further amend said bill, Section 571.030, Page 7, Line 151, by inserting after all of said section and line the following:

"571.107. 1. A concealed carry endorsement issued pursuant to sections 571.101 to 571.121 or a concealed carry endorsement or permit issued by another state or political subdivision of another state shall authorize the person in whose name the permit or endorsement is issued to carry concealed firearms on or about his or her person or vehicle throughout the state. No driver's license or nondriver's license containing a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 or a concealed carry endorsement or permit issued by another state or political subdivision of another state shall authorize any person to carry concealed firearms into:

(1) Any police, sheriff, or highway patrol office or station without the consent of the chief law enforcement officer in charge of that office or station. Possession of a firearm in a vehicle on the premises of the office or station shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

(2) Within twenty-five feet of any polling place on any election day. Possession of a firearm in a vehicle on the premises of the polling place shall not be a criminal offense so long as the firearm is not removed from the vehicle or brandished while the vehicle is on the premises;

"302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any license without ready detection. All licenses shall bear the licensee's Social Security number, if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that the licensee does not possess a Social Security number, or, if applicable, a certified statement must be submitted as provided in subsection 4 of this section. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored photograph or digitized image of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240 the name and address of the person designated pursuant to sections 404.800 to 404.865 as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is prepared by a private firm, any contract with such firm shall be made in accordance with the competitive purchasing procedures as established by the state director of the division of purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social Security number shall serve as the applicant's license number. Where the licensee has no Social Security number, or where the licensee is issued a license without a Social Security number in accordance with subsection 4 of this section, the director shall issue a license number for the licensee and such number shall also include an indicator showing that the number is not a Social Security number.

2. All film involved in the production of photographs for licenses shall become the property of the department of revenue.

3. The license issued shall be carried at all times by the holder thereof while driving a motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any police officer or peace officer, or any other duly authorized person, for inspection when demand is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

4. The director of revenue shall issue a commercial or noncommercial driver's license without a Social Security number to an applicant therefor, who is otherwise qualified to be licensed, upon presentation to the director of a certified statement that the applicant objects to the display of the Social Security number on the license. The director shall assign an identification number, that is not based on a Social Security number, to the applicant which shall be displayed on the license in lieu of the Social Security number.

5. The director of revenue shall not issue a license without a facial photograph or digital image of the license applicant, except as provided pursuant to subsection 8 of this section. A photograph or digital image of the applicant's full facial features shall be taken in a manner prescribed by the director. No photograph or digital image will be taken wearing anything which cloaks the facial features of the individual.

6. The department of revenue may issue a temporary license or a full license without the photograph or with the last photograph or digital image in the department's records to members of the Armed Forces, except that where such temporary license is issued it shall be valid only until the applicant shall have had time to appear and have his or her picture taken and a license with his or her photograph issued.

7. The department of revenue shall issue upon request a nondriver's license card containing essentially the same information and photograph or digital image, except as provided pursuant to subsection 8 of this section, as the driver's license upon payment of six dollars. All nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. [Notwithstanding any other provision of this chapter, a nondriver's license containing a concealed carry endorsement shall expire three years from the date the certificate of qualification was issued pursuant to section 571.101.] The fee for nondriver's licenses issued for a period exceeding three years is six dollars [or three dollars for nondriver's licenses issued for a period of three years or less]. The nondriver's license card shall be used for identification purposes only and shall not be valid as a license.

8. If otherwise eligible, an applicant may receive a driver's license or nondriver's license without a photograph or digital image of the applicant's full facial features except that such applicant's photograph or digital image shall be taken and maintained by the director and not printed on such license.

In order to qualify for a license without a photograph or digital image pursuant to this section the applicant must:

(1) Present a form provided by the department of revenue requesting the applicant's photograph be omitted from the license or nondriver's license due to religious affiliations. The form shall be signed by the applicant and another member of the religious tenant verifying the photograph or digital image exemption on the license or nondriver's license is required as part of their religious affiliation. The required signatures on the prescribed form shall be properly notarized;

(2) Provide satisfactory proof to the director that the applicant has been a [U.S.] **United States** citizen for at least five years and a resident of this state for at least one year, except that an applicant moving to this state possessing a valid driver's license from another state without a photograph shall be exempt from the one-year state residency requirement. The director may establish rules necessary to determine satisfactory proof of citizenship and residency pursuant to this section;

(3) Applications for a driver's license or nondriver's license without a photograph or digital image must be made in person at a license office determined by the director. The director is authorized to limit the number of offices that may issue a driver's or nondriver's license without a photograph or digital image pursuant to this section.

9. The department of revenue shall make available, at one or more locations within the state, an opportunity for individuals to have their full facial photograph taken by an employee of the department of revenue, or their designee, who is of the same sex as the individual being photographed, in a segregated location.

10. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's license for a period that exceeds an applicant's lawful presence in the United States. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and establish the duration of any driver's license or nondriver's license issued under this section.

11. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall become effective unless it is promulgated pursuant to the provisions of chapter 536."; and

Any person who has been issued a concealed carry endorsement on a driver's license or nondriver's license and such endorsement or license has not been suspended, revoked, cancelled, or denied may carry concealed firearms on or about his or her person or within a vehicle. An application shall be filed in writing, signed under oath and under the penalties of perjury, and shall state whether the applicant complies with each of the

5. Before an application for a certificate of qualification for a concealed carry endorsement is approved, the sheriff shall make only such inquiries as he or she deems necessary into the accuracy of the statements made in the application. The sheriff may require that the applicant display a Missouri driver's license or nondriver's license or military identification and orders showing the person being stationed in Missouri. In order to determine the applicant's suitability for a certificate of qualification for a concealed carry endorsement, the applicant shall be fingerprinted. The sheriff shall request a criminal background check through the appropriate law enforcement agency within three working days after submission of the properly completed application for a certificate of qualification for a concealed carry endorsement. If no disqualifying record is identified by the fingerprint check at the state level, the fingerprints shall be forwarded to the Federal Bureau of Investigation for a national criminal history record check. Upon receipt of the completed background check, the sheriff shall issue a certificate of qualification for a concealed carry endorsement within three working days. The sheriff shall issue the certificate within forty-five calendar days if the criminal background check has not been received, provided that the sheriff shall revoke any such certificate and endorsement within twenty-four hours of receipt of any background check that results in a disqualifying record, and shall notify the department of revenue.

6. The sheriff may refuse to approve an application for a certificate of qualification for a concealed carry endorsement if he or she determines that any of the requirements specified in subsection 2 of this section have not been met, or if he or she has a substantial and demonstrable reason to believe that the applicant has rendered a false statement regarding any of the provisions of sections 571.101 to 571.121. If the applicant is found to be ineligible, the sheriff is required to deny the application, and notify the applicant in writing, stating the grounds for denial and informing the applicant of the right to submit, within thirty days, any additional documentation relating to the grounds of the denial. Upon receiving any additional documentation, the sheriff shall reconsider his or her decision and inform the applicant within thirty days of the result of the reconsideration. The applicant shall further be informed in writing of the right to appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114. After two additional reviews and denials by the sheriff, the person submitting the application shall appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114.

7. If the application is approved, the sheriff shall issue a certificate of qualification for a concealed carry endorsement to the applicant within a period not to exceed three working days after his or her approval of the application. The applicant shall sign the certificate of qualification in the presence of the sheriff or his or her designee and shall within seven days of receipt of the certificate of qualification take the certificate of qualification to the department of revenue. Upon verification of the certificate of qualification and completion of a driver's license or nondriver's license application pursuant to chapter 302, the director of revenue shall issue a new driver's license or nondriver's license with an endorsement which identifies that the applicant has received a certificate of qualification to carry concealed weapons issued pursuant to sections 571.101 to 571.121 if the applicant is otherwise qualified to receive such driver's license or nondriver's license. [Notwithstanding any other provision of chapter 302, a nondriver's license with a concealed carry endorsement shall expire three years from the date the certificate of qualification was issued pursuant to this section.] The requirements for the director of revenue to issue a concealed carry endorsement pursuant to this subsection shall not be effective until July 1, 2004, and the certificate of qualification issued by a county sheriff pursuant to subsection 1 of this section shall allow the person issued such certificate to carry a concealed weapon pursuant to the requirements of subsection 1 of section 571.107 in lieu of the concealed carry endorsement issued by the director of revenue from October 11, 2003, until the concealed carry endorsement is issued by the director of revenue on or after July 1, 2004, unless such certificate of qualification has been suspended or revoked for cause.

8. The sheriff shall keep a record of all applications for a certificate of qualification for a concealed carry endorsement and his or her action thereon. The sheriff shall report the issuance of a certificate of qualification to the Missouri uniform law enforcement system. All information on any such certificate that is protected information on any driver's or nondriver's license shall have the same personal protection for purposes of sections 571.101 to 571.121. An applicant's status as a holder of a certificate of qualification or a concealed carry endorsement shall not be public information and shall be considered personal protected information. Any person who violates the provisions of this subsection by disclosing protected information shall be guilty of a class A misdemeanor.

9. Information regarding any holder of a certificate of qualification or a concealed carry endorsement is a closed record.

10. For processing an application for a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed one hundred dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

11. [For processing a renewal for a certificate of qualification for a concealed carry endorsement pursuant to sections 571.101 to 571.121, the sheriff in each county shall charge a nonrefundable fee not to exceed fifty dollars which shall be paid to the treasury of the county to the credit of the sheriff's revolving fund.

12.] For the purposes of sections 571.101 to 571.121, the term "sheriff" shall include the sheriff of any county or city not within a county or his or her designee and in counties of the first classification the sheriff may designate the chief of police of any city, town, or municipality within such county.

571.104. 1. (1) A concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall be suspended or revoked if the concealed carry endorsement holder becomes ineligible for such concealed carry endorsement under the criteria established in subdivisions (2), (3), (4), (5), and (7) of subsection 2 of section 571.101 or upon the issuance of a valid full order of protection.

(2) When a valid full order of protection, or any arrest warrant, discharge, or commitment for the reasons listed in subdivision (2), (3), (4), (5), or (7) of subsection 2 of section 571.101, is issued against a person holding a concealed carry endorsement issued pursuant to sections 571.101 to 571.121 upon notification of said order, warrant, discharge or commitment or upon an order of a court of competent jurisdiction in a criminal proceeding, a commitment proceeding or a full order of protection proceeding ruling that a person holding a concealed carry endorsement presents a risk of harm to themselves or others, then upon notification of such order, the holder of the concealed carry endorsement shall surrender the driver's license or nondriver's license containing the concealed carry endorsement to the court, to the officer, or other official serving the order, warrant, discharge, or commitment.

(3) The official to whom the driver's license or nondriver's license containing the concealed carry endorsement is surrendered shall issue a receipt to the licensee for the license upon a form, approved by the director of revenue, that serves as a driver's license or a nondriver's license and clearly states the concealed carry endorsement has been suspended. The official shall then transmit the driver's license or a nondriver's license containing the concealed carry endorsement to the circuit court of the county issuing the order, warrant, discharge, or commitment. The concealed carry endorsement issued pursuant to sections 571.101 to 571.121 shall be suspended until the order is terminated or until the arrest results in a dismissal of all charges. Upon dismissal, the court holding the driver's license or nondriver's license containing the concealed carry endorsement shall return it to the individual.

(4) Any conviction, discharge, or commitment specified in sections 571.101 to 571.121 shall result in a revocation. Upon conviction, the court shall forward a notice of conviction or action and the driver's license or nondriver's license with the concealed carry endorsement to the department of revenue. The department of revenue shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement and shall report the change in status of the concealed carry endorsement to the Missouri uniform law enforcement system. The director of revenue shall immediately remove the endorsement issued pursuant to sections 571.101 to 571.121 from the individual's driving record within three days of the receipt of the notice from the court. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302 which does not contain such endorsement. This requirement does not affect the driving privileges of the licensee. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing.

2. [A concealed carry endorsement shall be renewed for a qualified applicant upon receipt of the properly completed renewal application and the required renewal fee by the sheriff of the county of the applicant's residence. The renewal application shall contain the same required information as set forth in subsection 3 of section 571.101, except that in lieu of the fingerprint requirement of subsection 5 of section 571.101 and the firearms safety training, the applicant need only display his or her current driver's license or nondriver's license containing a concealed carry endorsement. Upon successful completion of all renewal requirements, the sheriff shall issue a certificate of qualification which contains the date such certificate was renewed.

3. A person who has been issued a certificate of qualification for a concealed carry endorsement who fails to file a renewal application on or before its expiration date must pay an additional late fee of ten dollars per month for each month it is expired for up to six months. After six months, the sheriff who issued the expired certificate shall notify the director of revenue that such certificate is expired. The director of revenue shall immediately cancel the concealed carry endorsement and remove such endorsement from the individual's driving record and notify the individual of such cancellation. The notice of cancellation of the endorsement shall be conducted in the same manner as described in subsection 1 of this section. Any person who has been issued a certificate of qualification for a concealed carry

endorsement pursuant to sections 571.101 to 571.121 who fails to renew his or her application within the six-month period must reapply for a new certificate of qualification for a concealed carry endorsement and pay the fee for a new application. The director of revenue shall not issue an endorsement on a renewed driver's license or renewed nondriver's license unless the applicant for such license provides evidence that he or she has renewed the certification of qualification for a concealed carry endorsement in the manner provided for such renewal pursuant to sections 571.101 to 571.121.] If an applicant for renewal of a driver's license or nondriver's license containing a concealed carry endorsement does not want to maintain the concealed carry endorsement, the applicant shall inform the director at the time of license renewal of his or her desire to remove the endorsement. When a driver's or nondriver's license applicant informs the director of his or her desire to remove the concealed carry endorsement, the director shall renew the driver's license or nondriver's license without the endorsement appearing on the license if the applicant is otherwise qualified for such renewal.

[4.] 3. Any person issued a concealed carry endorsement pursuant to sections 571.101 to 571.121 shall notify the department of revenue and the sheriffs of both the old and new jurisdictions of the endorsement holder's change of residence within thirty days after the changing of a permanent residence. The endorsement holder shall furnish proof to the department of revenue and the sheriff in the new jurisdiction that the endorsement holder has changed his or her residence. The sheriff of the new jurisdiction may charge a processing fee of not more than ten dollars for any costs associated with notification of a change in residence. The change of residence shall be made by the department of revenue onto the individual's driving record and the new address shall be accessible by the Missouri uniform law enforcement system within three days of receipt of the information.

[5.] 4. Any person issued a driver's license or nondriver's license containing a concealed carry endorsement pursuant to sections 571.101 to 571.121 shall notify the sheriff or his or her designee of the endorsement holder's county or city of residence within seven days after actual knowledge of the loss or destruction of his or her driver's license or nondriver's license containing a concealed carry endorsement. The endorsement holder shall furnish a statement to the sheriff that the driver's license or nondriver's license containing the concealed carry endorsement has been lost or destroyed. After notification of the loss or destruction of a driver's license or nondriver's license containing a concealed carry endorsement, the sheriff shall reissue a new certificate of qualification within three working days of being notified by the concealed carry endorsement holder of its loss or destruction. The reissued certificate of qualification shall contain the same personal information, including expiration date, as the original certificate of qualification. The applicant shall then take the certificate to the department of revenue, and the department of revenue shall proceed on the certificate in the same manner as provided in subsection 7 section 571.101. Upon application for a license pursuant to chapter 302, the director of revenue shall issue a driver's license or nondriver's license containing a concealed carry endorsement if the applicant is otherwise eligible to receive such license.

[6.] 5. If a person issued a concealed carry endorsement changes his or her name, the person to whom the endorsement was issued shall obtain a corrected certificate of qualification for a concealed carry endorsement with a change of name from the sheriff who issued such certificate upon the sheriff's verification of the name change. The sheriff may charge a processing fee of not more than ten dollars for any costs associated with obtaining a corrected certificate of qualification. The endorsement holder shall furnish proof of the name change to the department of revenue and the sheriff within thirty days of changing his or her name and display his or her current driver's license or nondriver's license containing a concealed carry endorsement. The endorsement holder shall apply for a new driver's license or nondriver's license containing his or her new name. Such application for a driver's license or nondriver's license shall be made pursuant to chapter 302. The director of revenue shall issue a driver's license or nondriver's license with concealed carry endorsement with the endorsement holder's new name if the applicant is otherwise eligible for such license. The director of revenue shall take custody of the old driver's license or nondriver's license. The name change shall be made by the department of revenue onto the individual's driving record and the new name shall be accessible by the Missouri uniform law enforcement system within three days of receipt of the information.

[7.] 6. AMEND House Committee Substitute for House Bill No. 387, Page 1, Section A, Line 2, by inserting immediately after said line the following:

"334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in schedules III, IV, and V of section 195.017 for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services.

3. The written collaborative practice arrangement shall contain at least the following provisions:

(1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;

(2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;

(3) A requirement that there shall be posted at every office where the advanced practice registered nurse is authorized to prescribe, in collaboration with a physician, a prominently displayed disclosure statement informing patients that they may be seen by an advanced practice registered nurse and have the right to see the collaborating physician;

(4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;

(5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity, **except the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by P.L. 95-210, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics and provider-based rural health clinics where the main location of the hospital sponsor is more than fifty miles from the clinic. The collaborating physician is required to maintain documentation related to this requirement and to present it to the state board of registration for the healing arts if requested;** and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;

(7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;

(8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse;

(9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's delivery of health care services. The description shall include provisions that the advanced practice

registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and

(10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating

physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Burlison, **House Amendment No. 2** was adopted.

Representative Hinson offered **House Amendment No. 3**.

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. The director of the department of revenue shall have authority to produce or allow others to produce a weather resistant, nontearing temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days from the date of purchase. The temporary permit authorized under this section may be purchased by the purchaser of a motor vehicle or trailer from the central office of the department of revenue or from an authorized agent of the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no

registration plate available for transfer and upon proof of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has registered and is awaiting receipt of registration plates. The director of the department of revenue or a producer authorized by the director of the department of revenue may make temporary permits available to registered dealers in this state, authorized agents of the department of revenue or the department of revenue. The price paid by a motor vehicle dealer, an authorized agent of the department of revenue or the department of revenue for a temporary permit shall not exceed five dollars for each permit. The director of the department of revenue shall direct motor vehicle dealers and authorized agents to obtain temporary permits from an authorized producer. Amounts received by the director of the department of revenue for temporary permits shall constitute state revenue; however, amounts received by an authorized producer other than the director of the department of revenue shall not constitute state revenue and any amounts received by motor vehicle dealers or authorized agents for temporary permits purchased from a producer other than the director of the department of revenue shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of title to be collected by the director of the department of revenue under section 301.190. No motor vehicle dealer, authorized agent or the department of revenue shall charge more than five dollars for each permit issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and are not impaired in any way.

5. The permit shall be issued on a form prescribed by the director of the department of revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer purchased to enable the applicant to temporarily operate the motor vehicle while proper title and registration plates are being obtained, or while awaiting receipt of registration plates, and shall be displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director of the department of revenue shall determine the size, material, design, numbering configuration, construction, and color of the permit. The director of the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer while proper title and registration are being obtained.

6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's date of issuance and expiration date. Upon the issuance of a temporary permit by either the central office of the department of revenue, a motor vehicle dealer or an authorized agent of the department of revenue, the director of the department of revenue shall make the information associated with the issued temporary permit immediately available to the law enforcement community of the state of Missouri.

7. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of motor vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

8. The provisions of subsections 4, 5, and 6 of this section shall expire July 1, 2019.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section.

The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

10. Notwithstanding the provisions of section 301.127, the director may issue a temporary permit to an individual who possesses a salvage motor vehicle which requires an inspection under subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has been issued shall be limited to the most direct route from the residence, maintenance, or storage facility of the individual in possession of such motor vehicle to the nearest authorized inspection facility and return to the originating location. Notwithstanding any other requirements for the issuance of a temporary permit under this section, an individual obtaining a temporary permit for the purpose of operating a motor vehicle to and from an examination facility as prescribed in this subsection shall also purchase the required motor vehicle examination form which is required to be completed for an examination under subsection 9 of section 301.190 and provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required in section 307.350.

11. The director of the department of revenue may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

[11.] **12.** The repeal and reenactment of this section shall become effective on the date the department of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits described in subsection 4 of such section, or on July 1, 2013, whichever occurs first. If the director of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits prior to July 1, 2013, the director of the department of revenue shall notify the revisor of statutes of such fact.

[301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made application for registration, by mail or otherwise, may operate the same for a period of thirty days after taking possession thereof, if during such period the motor vehicle or trailer shall have attached thereto, in the manner required by section 301.130, number plates issued to the dealer. Upon application and presentation of proof of financial responsibility as required under subsection 5 of this section and satisfactory evidence that the buyer has applied for registration, a dealer may furnish such number plates to the buyer for such temporary use. In such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to be returned to the buyer upon return of the number plates as a guarantee that said buyer will return to the dealer such number plates within thirty days. The director shall issue a temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days of the date of purchase.

5. The temporary permit shall be made available by the director of revenue and may be purchased from the department of revenue upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer. The director shall make temporary permits available to registered dealers in this state or authorized agents of the department of revenue in sets of ten permits. The fee for the temporary permit shall be seven dollars and fifty cents for each permit or plate issued. The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.

6. The permit shall be issued on a form prescribed by the director and issued only for the applicant's use in the operation of the motor vehicle or trailer purchased to enable the applicant to legally operate the vehicle while proper title and registration plate are being obtained, and shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable and shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer. The director shall determine the size and numbering configuration, construction, and color of the permit.

7. The dealer or authorized agent shall insert the date of issuance and expiration date, year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The dealer shall also insert such dealer's number on the permit. 8. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

9. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 5 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 5 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. (c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. House Amendment No. 6

AMEND House Committee Substitute for House Bill No. 881, Page 52, Section 536.024, Line 19, by inserting after all of said line the following:

"537.556. In all civil actions involving claims that arise from the ownership, maintenance, management, or control of underground hard rock mining or hard rock milling sites that ceased operations prior to January 1, 1975, or that arise from chat or tailings generated at those sites, brought against persons or entities alleged to have owned, maintained, managed, or controlled such sites, chat, or tailings at any time, such persons and entities shall be exempt from punitive or exemplary damages with respect to all claims that relate in any way to the ownership, maintenance, management, or control of such sites, chat, or tailings, so long as such persons or entities or their employees, agents, owners, parent, subsidiary, or any related companies have made or are making good faith efforts to remediate such sites. Any evidence may be introduced to demonstrate good faith efforts to remediate; however, substantial compliance with an order or permit issued by or negotiated with either the state of Missouri or the United States concerning remediation or closure shall be deemed to be good faith efforts to remediate. The exemption from punitive damages provided for in this section shall not apply if the trier of fact

finds that the injury that is the subject of the civil action is attended by circumstances of fraud, malice, or willful and wanton conduct. In the event that good faith efforts to remediate a site have not been made or the injury is found to be attended by circumstances of fraud, malice, or willful and wanton conduct, then the total of any awards of punitive or exemplary damages shall not exceed five hundred thousand dollars in the aggregate as to all defendants in a civil action within this section. The provision of section 537.675 shall not apply to such action, and one-half of any such awards for punitive or exemplary damages shall be paid into the Missouri lead abatement loan fund established under section 701.337. Nothing in this section shall be construed as precluding any party from pursuing compensatory damages, including claims for natural resource damages."; and

Further amend said bill, Page 57, Section 640.075, Line 7, by inserting after all of said line the following:

"640.230. 1. Natural resources damages authorized to be recovered by the natural resources trustee designated by the Governor of the State of Missouri to carry out trustee responsibilities under any state or federal law, shall be modified as follows:

(1) It is the policy of the State of Missouri to acquire land for future generations. However, nothing in this section shall compel the State to accept a donation of land.

(2) Any claim of natural resources damages against a potentially responsible party for a release shall be offset by a credit for the full value of any economic and ecological benefits to the State of Missouri and its citizens of any land or other property rights donated to the State of Missouri by that potentially responsible party or its predecessor in interest calculated from the later of (1) the date of the donation of land or property rights; (2) the initial date of the release; or (3) the earliest date for which natural resources damages are assessed or claimed.

(3) In determining the economic benefits of any land or other property rights donated to the State of Missouri, the trustee shall include any fees and other revenues directly received or to be received by the State of Missouri as well as indirect economic benefits to the State of Missouri and its citizens, including recognition of user spending in the area and the economic multiplier effects on the geographic region, household income, and jobs.

(4) In determining the ecological benefits of land or other property rights donated to the State of Missouri, the trustee shall include the full value of all past, present, and future ecological benefits related to the biota, including any values calculated consistent with the valuation of damages by the trustees or the National Contingency Plan.

2. Any assessment or claim for natural resources damages of the State of Missouri shall be governed by this section, and the natural resources trustee designated by the Governor of the State of Missouri shall not transfer any such authority to assess or recover damages to such natural resources, whether by agreement or otherwise, to any federal or other trustee of natural resources."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. In lieu of electing councilmen as provided in subsection 1 of this section, the council may elect to establish wards and elect councilmen as provided in this subsection. If the council so elects, it shall, by ordinance, divide the city into not less than four wards, and one councilman shall be elected from each of such wards by the qualified voters thereof at the first election for councilmen held in the city after it adopts the provisions of this subsection. AMEND House Bill No. 163, Page 1, Section Title, Line 2, by striking the word "primary"; and

Further amend Page 2, Section 78.090, Line 23, by inserting immediately after all of said line the following:

"96.229. 1. Notwithstanding subsection 5 of section 96.150 regarding the lease of substantially all of a hospital where the board of trustees is lessor, a city in which a hospital is located that:

(1) Is organized and operated under this chapter;

(2) Has not accepted appropriated funds from the city during the prior twenty years; and

(3) Is licensed by the department of health and senior services for two hundred beds or more pursuant to sections 197.010 to 197.120, shall not have authority to sell, lease, or otherwise transfer all or substantially all of the property from a hospital organized under this chapter, both real and personal, except in accordance with this section.

2. Upon filing with the city clerk of a resolution adopted by no less than two-thirds of the incumbent members of the board of trustees to sell, lease, or otherwise transfer all or substantially all of the hospital property, both real and personal, for reasons specified in the resolution, the clerk shall present the resolution to the city council. If a majority of the incumbent members of the city council determine that sale, lease, or other transfer of the hospital property is desirable, the city council shall submit to the voters of the city the question in substantially the following form:

"Shall the city council of, Missouri and the board of trustees of hospital be authorized to sell (or lease or otherwise transfer) the property, real and personal, of hospital as approved by, and in accordance with, the resolution of the board of trustees authorizing such sale (or lease or transfer)?"

A majority of the votes cast on such question shall be required in order to approve and authorize such sale, lease or other transfer. If the question receives less than the required majority, then the city council and the board of trustees shall have no power to sell, lease or otherwise transfer the property, real and personal, of the hospital unless and until the city council has submitted another question to authorize such sale, lease or transfer authorized under this section and such question is approved by the required majority of the qualified voters voting thereon. However, in no event shall a question under this section be submitted to the voters sooner than twelve months from the date of the last question under this section and after the adoption of another resolution by no less than two-thirds of the board of trustees and a subsequent vote by a majority of the city council to again submit the question to the voters.

3. Upon passage of such question by the voters, the board of trustees shall sell and dispose of such property, or lease or transfer such property, in the manner proposed by the board of trustees. The deed of the board of trustees, duly authorized by the board of trustees and duly acknowledged and recorded, shall be sufficient to convey to the purchaser all the rights, title, interest, and estate in the hospital property.

4. No sale, lease, or other transfer of such hospital property shall be authorized or effective unless such transaction provides sufficient proceeds to be available to be applied to the payment of all interest and principal of any outstanding valid indebtedness incurred for purchase of the site or construction of the hospital, or for any repairs, alterations, improvements, or additions thereto, or for operation of the hospital.

5. Assets donated to the hospital pursuant to section 96.210 shall be used to provide health care services in the city and in the geographic region previously served by the hospital, except as otherwise prescribed by the terms of the deed, gift, devise, or bequest.

Section B. Because of the need to ensure local hospitals can continue the purpose of providing the best care and treatment of the sick, disabled, and infirm persons as decided on by the people in the affected community, the enactment of section 96.229 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 96.229 of this act shall be in full force and effect upon its passage its passage and approval."; and

Further amend the title and enacting clause accordingly.

"473.730. 1. Every county in this state, [and] **except** the city of St. Louis, shall elect a public administrator at the general election in the year 1880, and every four years thereafter, who shall be ex officio public guardian and conservator in and for the public administrator's county. A candidate for public administrator shall be at least twenty-one years of age and a resident of the state of Missouri and the county in which he or she is a candidate for at least one year prior to the date of the general election for such office. The candidate shall also be a registered voter and shall be current in the payment of all personal and business taxes. Before entering on the duties of the public administrator's office, the public administrator shall take the oath required by the constitution, and enter into bond to the state of Missouri in a sum not less than ten thousand dollars, with two or more securities, approved by the court and conditioned that the public administrator will faithfully discharge all the duties of the public administrator's office, which bond shall be given and oath of office taken on or before the first day of January following the public administrator's election, and it shall be the duty of the judge of the court to require the public administrator to make a statement annually, under oath, of the amount of property in the public administrator's hands or under the public administrator's control as such administrator, for the purpose of ascertaining the amount of bond necessary to secure such property; and such court may from time to time, as occasion shall require, demand additional security of such administrator, and, in default of giving the same within twenty days after such demand, may remove the administrator and appoint another.

2. The public administrator in all counties, in the performance of the duties required by chapters 473, 474, and 475, is a public officer. The duties specified by section 475.120 are discretionary. The county shall defend and indemnify the public administrator against any alleged breach of duty, provided that any such alleged breach of duty arose out of an act or omission occurring within the scope of duty or employment.

3. After January 1, 2001, all salaried public administrators shall be considered county officials for purposes of section 50.333, subject to the minimum salary requirements set forth in section 473.742.

4. The public administrator for the city of St. Louis shall be appointed by a majority of the circuit judges and associate circuit judges of the twenty-second judicial circuit, en banc. Such public administrator shall meet the same qualifications and requirements specified in subsection 1 of this section for elected public administrators. The elected public administrator holding office on the effective date of this section shall continue to hold such office for the remainder of his or her term.

473.733. The public administrator's certificate of election, **if applicable**, official oath and bond shall be filed and recorded with the probate clerk, and copies thereof, certified under the seal of such court, shall be evidence. Any person injured by the breach of such bond may sue upon the same in the name of the state for his own use.

473.737. 1. Each public administrator elected **or appointed**, as now or as hereafter provided for in sections 473.730 to 473.767, is hereby declared to be an officer for the county in which such administrator is elected [and for the city of St. Louis, if elected therein] **or appointed**. The county commissions of each county in this state shall make suitable provision for an office for the public administrator in the courthouse of the county if suitable space may be had for such an office, and shall be provided as soon as the county commission shall be of the opinion that the business in charge of the public administrator is such as to reasonably require a separate office for the convenience of the public.

The public administrator of the city of St. Louis shall have suitable and convenient offices provided for him or her in the civil courts building by that city.

2. Each public administrator of a county, except a county of the first classification having a charter form of government, in which a state mental hospital is located, or any county of the second classification which contains a habilitation center operated by the department of mental health and which does not adjoin a county of the first classification shall be entitled to one secretary for one hundred cases or more handled by the office of the public administrator in the immediately preceding calendar year. Each secretary employed pursuant to the provisions of this subsection shall be paid in the same pay range as a court clerk II in the circuit court personnel system. All compensation paid secretaries employed pursuant to the provisions of this subsection shall be paid out of the county treasury and the commissioner of administration shall annually reimburse each county for the compensation so paid upon proper demand being made out of appropriations made for that purpose. The public administrator in such counties may also appoint a person to act as public administrator to serve during the absence of the public administrator.

3. The governing bodies of each county and each city not within a county of this state may provide clerical personnel, not qualifying as status of deputy, for the public administrator of the county, and such personnel shall be provided when the governing body is of the opinion that the business in charge of the public administrator is such as to reasonably require such personnel for the welfare of the public."; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 5

AMEND House Bill No. 163, Page 1, Section Title, Line 2, by striking the word "primary"; and

Further amend said bill, Page 2, Section 78.090, Line 23, by inserting immediately after said line the following:

"190.335. 1. In lieu of the tax levy authorized under section 190.305 for emergency telephone services, the county commission of any county may impose a county sales tax for the provision of central dispatching of fire protection, including law enforcement agencies, emergency ambulance service or any other emergency services, including emergency telephone services, which shall be collectively referred to herein as "emergency services", and which may also include the purchase and maintenance of communications and emergency equipment, including the operational costs associated therein, in accordance with the provisions of this section.

2. Such county commission may, by a majority vote of its members, submit to the voters of the county, at a public election, a proposal to authorize the county commission to impose a tax under the provisions of this section. If the residents of the county present a petition signed by a number of residents equal to ten percent of those in the county who voted in the most recent gubernatorial election, then the commission shall submit such a proposal to the voters of the county.

3. The ballot of submission shall be in substantially the following form:

Shall the county of (insert name of county) impose a county sales tax of (insert rate of percent) percent for the purpose of providing central dispatching of fire protection, emergency ambulance service, including emergency telephone services, and other emergency services?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance shall be in effect as provided herein. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the county commission shall have no power to impose the tax authorized by this section unless and until the county commission shall again have submitted another proposal to authorize the county commission to impose the tax under the provisions of this section, and such proposal is approved by a majority of the qualified voters voting thereon.

4. The sales tax may be imposed at a rate not to exceed one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. The sales tax shall not be collected prior to thirty-six months before operation of the central dispatching of emergency services.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

6. Any tax imposed pursuant to section 190.305 shall terminate at the end of the tax year in which the tax imposed pursuant to this section for emergency services is certified by the board to be fully operational. Any revenues collected from the tax authorized under section 190.305 shall be credited for the purposes for which they were intended.

7. At least once each calendar year, the board shall establish a tax rate, not to exceed the amount authorized, that together with any surplus revenues carried forward will produce sufficient revenues to fund the expenditures authorized by this act. Amounts collected in excess of that necessary within a given year shall be carried forward to subsequent years. The board shall make its determination of such tax rate each year no later than September first and shall fix the new rate which shall be collected as provided in this act. Immediately upon making its determination and fixing the rate, the board shall publish in its minutes the new rate, and it shall notify every retailer by mail of the new rate.

8. Immediately upon the affirmative vote of voters of such a county on the ballot proposal to establish a county sales tax pursuant to the provisions of this section, the county commission shall appoint the initial members of a board to administer the funds and oversee the provision of emergency services in the county. Beginning with the general election in 1994, all board members shall be elected according to this section and other applicable laws of this state. At the time of the appointment of the initial members of the board, the commission shall relinquish and no longer exercise the duties prescribed in this chapter with regard to the provision of emergency services and such duties shall be exercised by the board.

9. The initial board shall consist of seven members appointed without regard to political affiliation, who shall be selected from, and who shall represent, the fire protection districts, ambulance districts, sheriff's department, municipalities, any other emergency services and the general public. This initial board shall serve until its successor board is duly elected and installed in office. The commission shall ensure geographic representation of the county by appointing no more than four members from each district of the county commission.

10. Beginning in 1994, three members shall be elected from each district of the county commission and one member shall be elected at large, such member to be the chairman of the board. Of those first elected, four members from districts of the county commission shall be elected for terms of two years and two members from districts of the county commission and the member at large shall be elected for terms of four years. In 1996, and thereafter, all terms of office shall be four years. **Notwithstanding any other provision of law, if there is no candidate for an open position on the board, then no election shall be held for that position and it shall be considered vacant, to be filled pursuant to the provisions of section 190.339, and, if there is only one candidate for each open position, no election shall be held and the candidate or candidates shall assume office at the same time and in the same manner as if elected.**

11. Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the first classification with more than two hundred forty thousand three hundred but fewer than two hundred forty thousand four hundred inhabitants, any emergency telephone service 911 board appointed by the county under section 190.309 which is in existence on the date the voters approve a sales tax under this section shall continue to exist and shall have the powers set forth under section 190.339.

12. (1) Notwithstanding the provisions of subsections 8 to 10 of this section to the contrary, in any county of the second classification with more than fifty-four thousand two hundred but fewer than fifty-four thousand three hundred inhabitants or any county of the first classification with more than fifty thousand but fewer than seventy thousand inhabitants that has approved a sales tax under this section, the county commission shall appoint the members of the board to administer the funds and oversee the provision of emergency services in the county.

(2) The board shall consist of seven members appointed without regard to political affiliation. Except as provided in subdivision (4) of this subsection, each member shall be one of the following:

- (a) The head of any of the county's fire protection districts, or a designee;
- (b) The head of any of the county's ambulance districts, or a designee;
- (c) The county sheriff, or a designee;
- (d) The head of any of the police departments in the county, or a designee; and
- (e) The head of any of the county's emergency management organizations, or a designee.

(3) Upon the appointment of the board under this subsection, the board shall have the power provided in section 190.339 and shall exercise all powers and duties exercised by the county commission under this chapter, and the commission shall relinquish all powers and duties relating to the provision of emergency services under this chapter to the board.

SCS SCR 5 - Frederick

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-SEVENTH DAY, WEDNESDAY, APRIL 24, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicky, Chaplain.

Let not your heart be troubled; believe in God. (John 14:1)

O Loving God, Who is ever seeking to strengthen Your children, make us strong as we face the arduous tasks of this day and as we carry the heavy responsibilities placed upon us - keeping common sense alive and promoting justice and good will among our citizens. Give to us the faith which will enable us to meet fearlessly the forces of confusion, which threaten to engulf us.

Bless the members of this body. Lead them in their labors, direct them in their decisions, fortify their faith, strengthen their spirits, and elevate their endeavors that they may lead Missouri into wider areas of truth and righteousness.

Finally, bless our men and women in the service of our country - many exposed to danger and death. Heal the wounded, strengthen their families, relieve the suffering, and comfort the sorrowing. Hasten the day when everyone will learn to live in peace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Justice Hoard, Nia Montgomery, Kori Roach, Jack Vollmer, Madisen Schieber, Alysa Schieber, Rachel Schieber, Eli Meniffee, Joy Farrar and Seth Rothermich.

The Journal of the fifty-sixth day was approved as printed.

"143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, **or the manner set forth in subdivision (3) of this subsection**:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

[(3)] **(c)** For the purposes of this [section] **subdivision**, a transaction involving the sale of tangible property is:

[(a)] **a.** "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

[(b)] **b.** "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

[(c)] **c.** Not "wholly in this state" or not "partly within this state and partly without this state" only if both the seller's shipping point and the purchaser's destination point are outside this state[;].

(d) For purposes of this subdivision:

a. The purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale[;]; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access

to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total

mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

- (1) The income from all sources shall be determined as provided;
- (2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter."; and

House Amendment No. 2

AMEND House Committee Substitute for House Bill No. 986, Page 8, Section 208.151, Line 170, by deleting all of said line and inserting in lieu thereof the following:

"2. Beginning July 1, 2014, eligibility for MO HealthNet benefits shall be amended as follows:

(1) Persons eligible under subdivisions (3) and (25) of subsection 1 of this section shall no longer be eligible for MO HealthNet benefits as provided in this section, except for those persons eligible under subdivision (25) who do not have access to employer-sponsored health insurance coverage or subsidized insurance coverage through an exchange at any point after diagnosis, whose income is above one hundred percent of the federal poverty level;

(2) Pregnant women who are eligible under subdivision (12) of subsection 1 of this section, with income that does not exceed one hundred eighty-five percent of the federal poverty level shall be eligible for MO HealthNet benefits. Pregnant women with income between one hundred thirty-three and one hundred eighty-five percent of the federal poverty level may, at the discretion of the department, receive MO HealthNet benefits in the form of a premium subsidy as established by rule of the department in order for them to enroll in a plan offered by a health care exchange, whether federally facilitated, state based, or operated on a partnership basis. The department may direct the pregnant women to choose an exchange plan and the department may provide a premium subsidy equal to the amount of the percentage of income required for premium payments or coinsurance to the pregnant women by federal rule. The department may encourage and incentivize eligible pregnant women to receive MO HealthNet benefits through an exchange plan;

(3) Beginning October 1, 2019, infants under one year of age who are eligible under subdivision (12) of subsection 1 of this section and whose family income does not exceed one hundred eighty-five percent of the federal poverty level as established and amended by the federal Department of Health and Human Services or its successor agency shall be eligible for MO HealthNet benefits. An infant under one year of age born to a woman who was covered under subdivision (2) of this subsection with family income between one hundred thirty-three and one hundred eighty-five percent of the federal poverty level shall only be eligible if, in addition to the other requirements, his or her parents do not have access to health insurance coverage for the child through a health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis, and the parents are not eligible for a premium subsidy for the child or family through such exchange because the parents have been determined to have access to affordable health insurance as defined by the exchange;

(4) The changes in eligibility under subdivisions (1) to (3) of this subsection shall not take place unless and until:

(a) There are health insurance premium tax credits under Section 36B of the Internal Revenue Code of 1986, as amended, available to persons through the purchase of a health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis. The director of the department of revenue shall certify to the director of the department that health insurance premium tax credits are available, and the director of the department shall notify the revisor of statutes;

208.186. 1. Any person participating in the MO HealthNet program who has pled guilty to or been found guilty of a crime involving alcohol or a controlled substance or any crime in which alcohol or substance abuse was, in the opinion of the court, a contributing factor to the person's commission of the crime shall be required to obtain an assessment by a treatment provider approved by the department of mental health to determine the need for services. Recommendations of the treatment provider may be used by the court in sentencing.

2. Any person participating in the MO HealthNet program who is a parent of a child subject to proceedings in juvenile court under subsection 1 or 2 of section 211.031, whose misuse of controlled substances or alcohol is found to be a significant, contributing factor to the reason the child was adjudicated, shall be required to obtain an assessment by a treatment provider approved by the department of mental health to determine the need for services. Recommendations of the treatment provider shall be included in the child's permanency plan. The court may order the parent or guardian to successfully complete treatment before the child is reunified with the parent or guardian.

3. The MO HealthNet division shall certify a MO HealthNet participant's enrollment in MO HealthNet if requested by the court under this section. A letter signed by the director of the MO HealthNet division or his or her designee or the family support division certifying that the individual is a participant in the MO HealthNet program shall be prima facie evidence of such participation and shall be admissible into evidence without further foundation for that purpose. The letter may specify additional information such as anticipated dates of coverage as may be deemed necessary by the department.

208.631. 1. Notwithstanding any other provision of law to the contrary, the MO HealthNet division shall establish a program to pay for health care for uninsured children. Coverage pursuant to sections 208.631 to 208.659 is subject to appropriation. The provisions of sections 208.631 to 208.659, health care for uninsured children, shall be void and of no effect if there are no funds of the United States appropriated by Congress to be provided to the state on the basis of a state plan approved by the federal government under the federal Social Security Act. If funds are appropriated by the United States Congress, the department of social services is authorized to manage the state children's health insurance program (CHIP) allotment in order to ensure that the state receives maximum federal financial participation. Children in households with incomes up to one hundred fifty percent of the federal poverty level may meet all Title XIX program guidelines as required by the Centers for Medicare and Medicaid Services. Children in households with incomes of one hundred fifty percent to three hundred percent of the federal poverty level shall continue to be eligible as they were and receive services as they did on June 30, 2007, unless changed by the Missouri general assembly.

2. For the purposes of sections 208.631 to 208.659, "children" are persons up to nineteen years of age. "Uninsured children" are persons up to nineteen years of age who are emancipated and do not have access to affordable employer-subsidized health care insurance or other health care coverage or persons whose parent or guardian have not had access to affordable employer-subsidized health care insurance or other health care coverage for their children for six months prior to application, are residents of the state of Missouri, and have parents or guardians who meet the requirements in section 208.636. A child who is eligible for MO HealthNet benefits as authorized in section 208.151 is not uninsured for the purposes of sections 208.631 to 208.659.

3. Beginning October 1, 2019, a child eligible under sections 208.631 to 208.658 shall only remain eligible if, in addition to the other requirements, his or her parents do not have access to health insurance coverage for the child through their employment or through a health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis because the parents are not eligible for a

premium subsidy for the child or family through such exchange. This subsection shall not go into effect unless and until, for a six-month period preceding the additional requirements, there are health insurance premium tax credits available for children and family coverage under Section 36B of the Internal Revenue Code of 1986, as amended, available to persons through the purchase of a health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis, which have been in place for a six-month period.

4. The department shall inform participants six months prior to coverage being discontinued under subsection 3 of this section as to the possibility of insurance coverage through the purchase of a subsidized health insurance plan available through a health care exchange.

208.659. 1. The MO HealthNet division shall revise the eligibility requirements for the uninsured women's health program, as established in 13 CSR Section 70-4.090, to include women who are at least eighteen years of age and with a net family income of at or below one hundred eighty-five percent of the federal poverty level. In order to be eligible for such program, the applicant shall not have assets in excess of two hundred and fifty thousand dollars, nor shall the applicant have access to employer-sponsored health insurance. Such change in eligibility requirements shall not result in any change in services provided under the program.

2. Beginning July 1, 2014, the provisions of this section shall no longer be in effect. Such change in eligibility shall not take place unless and until:

(1) For a six-month period preceding the discontinuance of benefits under this subsection there are health insurance premium tax credits available for children and family coverage under Section 36B of the Internal Revenue Code of 1986, as amended, available to persons through the purchase of a health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis, which have been in place for a six-month period, and notice has been provided to the revisor of statutes; and

(2) Eligibility of persons set out in subsection 3 of section 208.995 has received any necessary approvals from the federal Department of Health and Human Services, has been implemented by the department, and notice has been provided to the revisor of statutes.

3. The department shall inform participants six months prior to coverage being discontinued under subsection 2 of this section as to the possibility of insurance coverage through the purchase of a subsidized health insurance plan available through a health care exchange.

208.661. 1. The department shall develop incentive programs, submit state plan amendments and apply for necessary waivers to permit rural health clinics, federally-qualified health centers, or other primary care practices to co-locate on the property of public elementary and secondary schools with fifty percent or more students who are eligible for free or reduced price lunch.

2. No school-based health care clinic established under this section shall perform or refer for abortion services, or provide or refer for contraceptive drugs or devices.

3. The consent of a parent or legal guardian shall be required before a minor may receive health care services under this section.

4. The provisions of this section shall be null and void unless and until any waivers necessary to the implementation of subsections 2 and 3 of this section are granted by the federal government.

208.662. 1. There is hereby established within the department of social services the "Show-Me Healthy Babies Program" as a separate children's health insurance program (CHIP) for any low-income, unborn child, neither of whose parents have access to affordable health insurance coverage for the unborn child through his or her employment or through a health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis. The program shall be established under the authority of Title XXI of the federal Social Security Act, the State Children's Health Insurance Program, as amended, and 42 CFR 457.1.

2. For an unborn child to be enrolled in the show-me healthy babies program, his or her mother shall not be eligible for coverage under Title XIX of the federal Social Security Act, the Medicaid program, as it is administered by the state, and shall not have access to affordable employer-subsidized health care insurance or other affordable health care coverage that includes coverage for the unborn child including any health insurance plan in a health care exchange, whether federally facilitated, state based, or operated on a partnership basis.

3. Coverage for an unborn child enrolled in the show-me healthy babies program shall include all prenatal care and pregnancy-related services that benefit the health of the unborn child and that promote healthy labor, delivery, and birth, as determined by regulations of the department. Coverage shall not include services

that are solely for the benefit of the pregnant mother, that are unrelated to maintaining or promoting a healthy pregnancy, and that provide no benefit to the unborn child.

4. There shall be no waiting period before an unborn child may be enrolled in the show-me healthy babies program. In accordance with the definition of child in 42 CFR 457.10, coverage shall include the period from conception to birth. The department shall develop a presumptive eligibility procedure for enrolling an unborn child.

5. Coverage for the child shall continue for up to one year after birth, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations.

6. Pregnancy-related and postpartum coverage for the mother shall begin on the day the pregnancy ends and extend through the last day of the month that includes the sixtieth day after the pregnancy ends, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations. Coverage for the mother shall be limited to pregnancy-related and postpartum care.

7. Nothing in this section shall be construed to prohibit an unborn child from being enrolled in the show-me healthy babies program at the same time his or her mother is enrolled in MO HealthNet, the children's health insurance program (CHIP), Medicare, or other governmental or government-subsidized health care program. The department shall ensure that there is no duplication of payments for services for an unborn child enrolled in the show-me healthy babies program that are payable under a governmental or nongovernmental health care program for services to an eligible pregnant woman.

8. The department may provide coverage for an unborn child enrolled in the show-me healthy babies program through:

(1) Direct coverage whereby the state pays health care providers directly or by contracting with a managed care organization or with a group or individual health insurance provider;

(2) A premium assistance program whereby the state assists in payment of the premiums, co-payments, coinsurance, or deductibles for a person who is eligible for health coverage through an employer, former employer, labor union, credit union, church, spouse, other organizations, other individuals, or through an individual health insurance policy that includes coverage for the unborn child, when such person needs assistance in paying such premiums, co-payments, coinsurance, or deductibles;

(3) A combination of direct coverage, such as when the unborn child is first enrolled, and premium assistance, such as after the child is born; or

(4) Any other similar arrangement whereby there:

(a) Are lower program costs without sacrificing health care coverage for the unborn child or the child up to one year after birth;

(b) Are greater covered services for the unborn child or the child up to one year after birth;

(c) Is a similar cost for coverage of the participant and also will provide coverage for siblings or other family members; or

(d) Will be an ability for the child to transition more easily to nongovernment or less government-subsidized group or individual health insurance coverage after the child is no longer enrolled in the show-me healthy babies program.

9. The department shall provide information about the show-me healthy babies program to maternity homes as defined in section 135.600, pregnancy resource centers as defined in section 135.630, and other similar agencies and programs in the state that assist unborn children and their mothers. The department shall consider allowing such agencies and programs to assist in the enrollment of unborn children in the program and in making determinations about presumptive eligibility.

10. Within sixty days after the effective date of this section, the department shall submit a state plan amendment or seek any necessary waivers from the federal Department of Health and Human Services requesting approval for the show-me healthy babies program.

11. At least annually, the department shall prepare and submit a report to the governor, the speaker of the house of representatives, and the president pro tem of the senate analyzing the cost savings and benefits, if any, to the state, counties, local communities, school districts, law enforcement agencies, health care providers, employers, other public and private entities, and persons by enrolling unborn children in the show-me healthy babies program. The analysis of cost savings and benefits, if any, shall include but not be limited to:

(1) The higher federal matching rate for having an unborn child enrolled in the show-me healthy babies program versus the lower federal matching rate for a pregnant woman being enrolled in MO HealthNet or other federal programs;

(2) The efficacy in providing services through managed care organizations, group or individual health insurance providers or premium assistance, or through other nontraditional arrangements of providing health care;

(3) The change in the proportion of unborn children who receive care in the first trimester of pregnancy due to a lack of waiting periods, presumptive eligibility, or removal of other barriers, and the attendant decrease in health problems and other problems for unborn children and women throughout pregnancy; at labor, delivery, and birth; and during infancy and childhood;

(4) The change in healthy behaviors by pregnant women, such as the cessation of the use of tobacco, alcohol, illicit drugs, or other harmful practices, and the attendant short-term and long-term decrease in birth defects; poor motor skills; vision, speech, and hearing problems; breathing and respiratory problems; feeding and digestive problems; and other physical, mental, educational, and behavioral problems; and

The provisions of subsections 3 to 8 of this section shall not be implemented unless such waivers and enhanced federal funding rates are granted by the federal government.

11. If at any time the director receives notice that the federal funds at the disposal of the state for payments of money benefits to or on behalf of any persons under subsection 3 of this section shall at any time become less than ninety percent of the funds necessary or are not appropriated to pay the percentages specified in Section 2001 of Public Law 111-148, as that section existed on March 23, 2010, subsections 3 to 8 of this section shall no longer be effective for the individuals whose benefits are no longer matchable at the specified percentages. The date benefits cease shall be stated in a notice sent to the affected individuals.

208.997. 1. The MO HealthNet division shall develop and implement the "Health Care Homes Program" as a provider-directed care coordination program for MO HealthNet recipients who are not enrolled in a prepaid MO HealthNet benefits option and who are receiving services on a fee-for-service basis. The health care homes program shall provide payment to primary care clinics for care coordination for individuals who are deemed medically frail. Clinics shall meet certain criteria, including but not limited to the following:

(1) The capacity to develop care plans;

- (2) A dedicated care coordinator;
- (3) An adequate number of clients, evaluation mechanisms, and quality improvement processes to qualify for reimbursement; and
- (4) The capability to maintain and use a disease registry.

2. For purposes of this section, "primary care clinic" means a medical clinic designated as the patient's first point of contact for medical care, available twenty-four hours a day, seven days a week, that provides or arranges the patient's comprehensive health care needs and provides overall integration, coordination, and continuity over time and referrals for specialty care. A primary care clinic may include a community mental health center.

3. The health care home for recipients of MO HealthNet services defined in paragraph (f) of subdivision (7) of subsection 1 of section 208.995 shall be the primary provider of home- and community-based services received by the recipient if such provider has a qualified, licensed designee to serve as the recipient's care coordinator and the provider can demonstrate the ability to meet the requirements in subsections 1 and 2 of this section. The qualifications for such designees shall be defined by the department by rule.

4. Providers of behavioral, social, and psychophysiological services for the prevention, treatment, or management of physical health problems and screening and brief intervention shall be reimbursed for utilizing the behavior assessment and intervention, and screening and brief intervention reimbursement codes 96150 to 96155 and 99408 to 99409 or their successor codes under the Current Procedural Terminology (CPT) coding system. Location of service may be limited to NCQA Level 3 Patient-Centered Medical Homes and CARF-accredited health homes.

5. The department may designate that the health care homes program be administered through an organization with a statewide primary care presence, experience with Medicaid population health management, and an established health homes outcomes monitoring and improvement system.

6. This section shall be implemented in such a way that it does not conflict with federal requirements for health care home participation by MO HealthNet participants.

7. The department or appropriate divisions of the department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

8. Nothing in this section shall be construed to limit the department's ability to create health care homes for participants in a managed care plan.

208.998. 1. Except for individuals who meet the definition of medically frail, individuals who qualify for coverage under subsections 2 and 3 of section 208.995 shall receive covered services through health plans offered by managed care entities which are authorized by the department. Health plans authorized by the department:

- (1) Shall resemble commercially available health plans while complying with federal Medicaid requirements as authorized by federal law or through a federal waiver, and may include accountable care organizations, administrative service organizations, or managed care organizations paid on a capitated basis;
- (2) Shall promote, to the greatest extent possible, the opportunity for children and their parents to be covered under the same plan;
- (3) Shall offer plans statewide;
- (4) Shall include cost sharing for outpatient services to the maximum extent allowed by federal law;
- (5) May include other co-payments and provide incentives that encourage and reward the prudent use of the health benefit provided;
- (6) Shall encourage access to care through provider rates that include pay-for-performance and are comparable to commercial rates;
- (7) Shall provide incentives, including shared risk and savings, to health plans and providers to encourage cost-effective delivery of care;
- (8) May provide multiple plan options and reward participants for choosing a low-cost plan; and
- (9) Shall include the services of health providers as defined in 42 U.S.C. Section 1396d(l)(1) and (2) and meet the payment requirements for such health providers as provided in 42 U.S.C. Sections 1396a(a)(15) and 1396a(bb).

2. The department may designate that certain health care services be excluded from such health plans if it is determined cost effective by the department.

3. (1) The department may accept regional plan proposals as an additional option for beneficiaries. Such proposals may be submitted by accountable care organizations or other organizations and entities.

(2) The department shall advance the development of systems of care for medically complex children who are recipients of MO HealthNet benefits by accepting cost-effective regional proposals from and contracting with appropriate pediatric care networks, pediatric centers for excellence, and medical homes for children to provide MO HealthNet benefits when the department determines it is cost effective to do so. Such entities shall be treated as accountable care organizations.

(3) The provisions of subsection 1 of this section shall not apply to this subsection.

4. The department shall establish, in collaboration with plans and providers, uniform utilization review protocols to be used by all authorized health plans.

5. The department shall establish a competitive bidding process for contracting with managed care plans.

(1) The department shall solicit bids only from bidders who offer, or through an associated company offer, an identical or substantially similar plan, in services provided and network, within a health care exchange in this state, whether federally facilitated, state based, or operated on a partnership basis. The bidder, if the bidder offers an identical or similar plan, in services provided or network continuity, including primary care providers, or the bidder and the associated company, if the bidder has formed a partnership for purposes of its bid, shall include a process in its bid by which MO HealthNet recipients who choose its plan will be automatically enrolled in the corresponding plan offered within the health care exchange if the recipient's income increases resulting in the recipient's ineligibility for MO HealthNet benefits. The bidder also shall include in its bid a process by which an individual enrolled in an identical or substantially similar plan, in services provided or network continuity, including primary care providers, within a health care exchange in this state, whether federally facilitated, state based, or operated on a partnership basis whose income decreases resulting in eligibility for MO HealthNet benefits shall be enrolled in MO HealthNet after an application is received and the participant is determined eligible for MO HealthNet benefits.

(2) The department shall select a minimum of three winning bids and may select up to a maximum number of bids equal to the quotient derived from dividing the total number of participants anticipated by the department in a region by one hundred thousand.

(3) The department shall accept the lowest conforming bid. For determining other accepted bids, the department shall consider the following factors:

- (a) The cost to Missouri taxpayers;
- (b) The extent of the network of health care providers offering services within the bidder's plan;
- (c) Additional services offered to recipients under the bidder's plan;
- (d) The bidder's history of providing managed care plans for similar populations in Missouri or other states;
- (e) Any other criteria the department deems relevant to ensuring MO HealthNet benefits are provided to recipients in such manner as to save taxpayer money and improve health outcomes of recipients.

6. Any managed care organization that enters into a contract with the state to provide managed care plans shall be required to fulfill the terms of the contract and provide such plans for at least twelve months, or longer if the contract so provides. The state shall not increase the reimbursement rate provided to the managed care organization during the contract period above the rate included in the contract. If the managed care organization breaches the contract, the state shall be entitled to bring an action against the managed care organization for any remedy allowed by law or equity and shall also recover any and all damages provided by law, including liquidated damages in an amount determined by the department during the bidding process. Nothing in this subsection shall be construed to preclude the department or the state of Missouri from terminating the contract as specified in the terms of the contract, including for breach of contract, lack of appropriated funds, or exercising any remedies for breach as may be provided in the contract.

7. (1) Participants enrolling in managed care plans under this section shall have the ability to choose their plan. In the enrollment process, participants shall be provided a list of all plans available ranked by the relative actuarial value of each plan. Each participant shall be informed in the enrollment process that he or she will be eligible to receive a portion of the amount saved by Missouri taxpayers if he or she chooses a lower cost plan offered in his or her region. The portion received by a participant shall be determined by the department according to the department's best judgment as to the portion which will bring the maximum savings to Missouri taxpayers.

(2) If a participant fails or refuses to choose a plan as set forth in subdivision (1) of this subsection, the department shall determine rules for auto-assignment, which shall include incentives for low-cost bids and improved health outcomes as determined by the department.

8. This section shall not be construed to require the department to terminate any existing managed care contract or to extend any managed care contract.

9. All MO HealthNet plans under this section shall provide coverage for the following services unless they are specifically excluded under subsection 2 of this section and instead are provided by an administrative services organization:

- (1) Ambulatory patient services;
- (2) Emergency services;
- (3) Hospitalization;
- (4) Maternity and newborn care;
- (5) Mental health and substance abuse treatment, including behavioral health treatment;
- (6) Prescription drugs;
- (7) Rehabilitative and habilitative services and devices;
- (8) Laboratory services;
- (9) Preventive and wellness care, and chronic disease management;
- (10) Pediatric services, including oral and vision care; and
- (11) Any other services required by federal law.

10. No MO HealthNet plan or program shall provide coverage for an abortion unless a physician certifies in writing to the MO HealthNet agency that, in the physician's professional judgment, the life of the mother would be endangered if the fetus were carried to term.

11. The MO HealthNet program shall provide a high deductible health plan option for uninsured adults nineteen years of age or older and under sixty-five years of age with incomes of less than one hundred percent of the federal poverty level. The high deductible health plan shall include:

(1) After meeting a one thousand dollar deductible, coverage for benefits as specified by rule of the department;

(2) An account, funded by the department, of at least one thousand dollars per adult to pay medical costs for the initial deductible funded by the department;

(3) Preventive care, as defined by the department by rule, that is not subject to the deductible and does not require a payment of moneys from the account described in subdivision (2) of this subsection;

(4) A basic benefits package if annual medical costs exceed one thousand dollars;

(5) A minimum deductible of one thousand dollars;

(6) As soon as practicable, the establishment and maintenance of a record-keeping system for each health care visit or service received by recipients under this subsection. The plan shall require that the recipient's prepaid card number be entered, or electronic strip be swiped, by the health care provider for purposes of maintaining a record of every health care visit or service received by the recipient from such provider, regardless of any balance on the recipient's card. Such information shall include only the date, provider name, and general description of the visit or service provided. The plan shall maintain a complete history of all health care visits and services for which the recipient's prepaid card is entered or swiped in accordance with this subdivision. If required under the federal Health Insurance Portability and Accountability Act (HIPAA) or other relevant state or federal law or regulation, a recipient shall, as a condition of participation in the prepaid card incentive, be required to provide a written waiver for disclosure of any information required under this subdivision;

(7) The determination of a proportion of the amount left in a participant's account described in subdivision (2) of this subsection which shall be paid to the participant for saving taxpayer money. The amount and method of payment shall be determined by the department; and

(8) The determination of a proportion of a participant's account described in subdivision (2) of this subsection which shall be used to subsidize premiums to facilitate a participant's transition from health coverage under MO HealthNet to private health insurance based on cost-effective principles determined by the department.

12. All participants with chronic conditions, as specified by the department, shall be included in an incentive program for MO HealthNet recipients who obtain specified primary care and preventive services, and who participate or refrain from participation in specified activities to improve the overall health of the recipient. Recipients who complete the requirements of the program shall be eligible to receive an annual cash payment for successful completion of the program. The department shall establish, by rule, the specific primary care and preventive services, activities to be included in the incentive program, and the amount of any annual cash payments to recipients.

13. A MO HealthNet recipient shall be eligible for participation in only one of either the high deductible health plan under subsection 11 of this section or the incentive program under subsection 12 of this section.

14. No cash payments, incentives, or credits paid to or on behalf of a MO HealthNet participant under a program established by the department under this section shall be deemed to be income to the participant in any means-tested benefit program unless otherwise specifically required by law or rule of the department.

15. Managed care entities shall inform participants who choose the high deductible health plan under subsection 11 of this section that the participant may lose his or her incentive payment under subdivision (7) of subsection 11 of this section if the participant utilizes visits to the emergency department for non-emergent purposes. Such information shall be included on every electronic and paper correspondence between the managed care plan and the participant.

16. The department shall provide participants formerly enrolled in the Ticket to Work Health Assurance Program any services formerly received under the program that are not provided through health insurance plans purchased through a health insurance exchange. These services shall include home health services, consumer directed services, Medicare Part D co-payments, durable medical equipment, psychiatric rehabilitation services, comprehensive substance treatment and rehabilitation, division of developmental disabilities waiver services, and targeted case management for mental health services.

17. The department shall seek all necessary waivers and state plan amendments from the federal Department of Health and Human Services necessary to implement the provisions of this section. The provisions of this section shall not be implemented unless such waivers and state plan amendments are approved. If this section is approved in part by the federal government, the department is authorized to proceed on those sections for which approval has been granted; except that, any increase in eligibility shall be contingent upon the receipt of all necessary waivers and state plan amendments. The provisions of this section shall not be implemented until eligibility of persons set out in subsection 3 of section 208.995 has been approved by the federal Department of Health and Human Services and has been implemented by the department. However, nothing shall prevent the department from expanding managed care for populations under other granted authority.

18. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as the term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

208.999. Subject to appropriations, the department shall develop incentive programs to encourage the construction and operation of urgent care clinics which operate outside normal business hours and are in or adjoining emergency room facilities which receive a high proportion of patients who are participating in MO HealthNet, to the extent that the incentives are eligible for federal matching funds.

376.961. 1. There is hereby created a nonprofit entity to be known as the "Missouri Health Insurance Pool". All insurers issuing health insurance in this state and insurance arrangements providing health plan benefits in this state shall be members of the pool.

2. Beginning January 1, 2007, the board of directors shall consist of the director of the department of insurance, financial institutions and professional registration or the director's designee, and eight members appointed by the director. Of the initial eight members appointed, three shall serve a three-year term, three shall serve a two-year term, and two shall serve a one-year term. All subsequent appointments to the board shall be for three-year terms. Members of the board shall have a background and experience in health insurance plans or health maintenance organization plans, in health care finance, or as a health care provider or a member of the general public; except that, the director shall not be required to appoint members from each of the categories listed. The director may reappoint members of the board. The director shall fill vacancies on the board in the same manner as appointments are made at the expiration of a member's term and may remove any member of the board for neglect of duty, misfeasance, malfeasance, or nonfeasance in office.

3. Beginning August 28, 2007, the board of directors shall consist of fourteen members. The board shall consist of the director and the eight members described in subsection 2 of this section and shall consist of the following additional five members:

4. The members appointed under subsection 3 of this section shall serve in an ex officio capacity. The terms of the members of the board of directors appointed under subsection 3 of this section shall expire on December 31, 2009. On such date, the membership of the board shall revert back to nine members as provided for in subsection 2 of this section.

5. Beginning on August 28, 2013, the board of directors on behalf of the pool, the executive director, and any other employees of the pool shall have the authority to provide assistance or resources to any department, agency, public official, employee, or agent of the federal government for the specific purpose of transitioning individuals enrolled in the pool to coverage outside of the pool beginning on or before January 1, 2014. Such authority does not extend to authorizing the pool to implement, establish, create, administer, or otherwise operate a state-based exchange.

376.962. 1. The board of directors on behalf of the pool shall submit to the director a plan of operation for the pool and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the pool. After notice and hearing, the director shall approve the plan of operation, provided it is determined to be suitable to assure the fair, reasonable and equitable administration of the pool, and it provides for the sharing of pool gains or losses on an equitable proportionate basis. The plan of operation shall become effective upon approval in writing by the director consistent with the date on which the coverage under sections 376.960 to 376.989 becomes available. If the pool fails to submit a suitable plan of operation within one hundred eighty days after the appointment of the board of directors, or at any time thereafter fails to submit suitable amendments to the plan, the director shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this section. Such rules shall continue in force until modified by the director or superseded by a plan submitted by the pool and approved by the director.

2. In its plan, the board of directors of the pool shall:

- (2) Select an administering insurer **or third-party administrator** in accordance with section 376.968;

(4) Establish procedures for the collection of assessments from all members to provide for claims paid under the plan and for administrative expenses incurred or estimated to be incurred during the period for which the assessment is made. The level of payments shall be established by the board pursuant to the provisions of section 376.973. Assessment shall occur at the end of each calendar year and shall be due and payable within thirty days of receipt of the assessment notice[;

(5) Develop and implement a program to publicize the existence of the plan, the eligibility requirements, and procedures for enrollment, and to maintain public awareness of the plan].

3. On or before September 1, 2013, the board shall submit such amendments to the plan of operation as are necessary or suitable to ensure a reasonable transition period to allow for the termination of issuance of policies by the pool.

4. The amendments to the plan of operation submitted by the board shall include all of the requirements outlined in subsection 2 of this section and shall address the transition of individuals covered under the pool to alternative health insurance coverage as it is available after January 1, 2014. The plan of operation shall also address procedures for finalizing the financial matters of the pool, including assessments, claims expenses, and other matters identified in subsection 2 of this section.

5. The director shall review the plan of operation submitted under subsection 3 of this section and shall promulgate rules to effectuate the transitional plan of operation. Such rule shall be effective no later than October 1, 2013. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

376.964. The board of directors and administering insurers of the pool shall have the general powers and authority granted under the laws of this state to insurance companies licensed to transact health insurance as defined in section 376.960, and, in addition thereto, the specific authority to:

(1) Enter into contracts as are necessary or proper to carry out the provisions and purposes of sections 376.960 to 376.989, including the authority, with the approval of the director, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions;

(2) Sue or be sued, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against pool members;

(3) Take such legal actions as necessary to avoid the payment of improper claims against the pool or the coverage provided by or through the pool;

(4) Establish appropriate rates, rate schedules, rate adjustments, expense allowances, agents' referral fees, claim reserve formulas and any other actuarial function appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into consideration appropriate risk factors in accordance with established actuarial and underwriting practices;

(5) Assess members of the pool in accordance with the provisions of this section, and to make advance interim assessments as may be reasonable and necessary for the organizational and interim operating expenses. Any such interim assessments are to be credited as offsets against any regular assessments due following the close of the fiscal year;

(6) **Prior to January 1, 2014, issue policies of insurance in accordance with the requirements of sections 376.960 to 376.989. In no event shall new policies of insurance be issued on or after January 1, 2014;**

(7) Appoint, from among members, appropriate legal, actuarial and other committees as necessary to provide technical assistance in the operation of the pool, policy or other contract design, and any other function within the authority of the pool;

(8) Establish rules, conditions and procedures for reinsuring risks of pool members desiring to issue pool plan coverages in their own name. Such reinsurance facility shall not subject the pool to any of the capital or surplus requirements, if any, otherwise applicable to reinsurers;

(9) Negotiate rates of reimbursement with health care providers on behalf of the association and its members;

(10) Administer separate accounts to separate federally defined eligible individuals and trade act eligible individuals who qualify for plan coverage from the other eligible individuals entitled to pool coverage and apportion the costs of administration among such separate accounts.

376.966. 1. No employee shall involuntarily lose his or her group coverage by decision of his or her employer on the grounds that such employee may subsequently enroll in the pool. The department shall have authority to promulgate rules and regulations to enforce this subsection.

2. **Prior to January 1, 2014,** the following individual persons shall be eligible for coverage under the pool if they are and continue to be residents of this state:

(1) An individual person who provides evidence of the following:

(a) A notice of rejection or refusal to issue substantially similar health insurance for health reasons by at least two insurers; or

(b) A refusal by an insurer to issue health insurance except at a rate exceeding the plan rate for substantially similar health insurance;

(2) A federally defined eligible individual who has not experienced a significant break in coverage;

(3) A trade act eligible individual;

(4) Each resident dependent of a person who is eligible for plan coverage;

(5) Any person, regardless of age, that can be claimed as a dependent of a trade act eligible individual on such trade act eligible individual's tax filing;

(6) Any person whose health insurance coverage is involuntarily terminated for any reason other than nonpayment of premium or fraud, and who is not otherwise ineligible under subdivision (4) of subsection 3 of this section. If application for pool coverage is made not later than sixty-three days after the involuntary termination, the effective date of the coverage shall be the date of termination of the previous coverage;

(7) Any person whose premiums for health insurance coverage have increased above the rate established by the board under paragraph (a) of subdivision (1) of subsection 3 of this section;

(8) Any person currently insured who would have qualified as a federally defined eligible individual or a trade act eligible individual between the effective date of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the effective date of this act.

3. The following individual persons shall not be eligible for coverage under the pool:

(1) Persons who have, on the date of issue of coverage by the pool, or obtain coverage under health insurance or an insurance arrangement substantially similar to or more comprehensive than a plan policy, or would be eligible to have coverage if the person elected to obtain it, except that:

(a) This exclusion shall not apply to a person who has such coverage but whose premiums have increased to one hundred fifty percent to two hundred percent of rates established by the board as applicable for individual standard risks;

(b) A person may maintain other coverage for the period of time the person is satisfying any preexisting condition waiting period under a pool policy; and

(c) A person may maintain plan coverage for the period of time the person is satisfying a preexisting condition waiting period under another health insurance policy intended to replace the pool policy;

(2) Any person who is at the time of pool application receiving health care benefits under section 208.151;

(3) Any person having terminated coverage in the pool unless twelve months have elapsed since such termination, unless such person is a federally defined eligible individual;

(4) Any person on whose behalf the pool has paid out one million dollars in benefits;

(5) Inmates or residents of public institutions, unless such person is a federally defined eligible individual, and persons eligible for public programs;

(6) Any person whose medical condition which precludes other insurance coverage is directly due to alcohol or drug abuse or self-inflicted injury, unless such person is a federally defined eligible individual or a trade act eligible individual;

(7) Any person who is eligible for Medicare coverage.

4. Any person who ceases to meet the eligibility requirements of this section may be terminated at the end of such person's policy period.

5. If an insurer issues one or more of the following or takes any other action based wholly or partially on medical underwriting considerations which is likely to render any person eligible for pool coverage, the insurer shall notify all persons affected of the existence of the pool, as well as the eligibility requirements and methods of applying for pool coverage:

(1) A notice of rejection or cancellation of coverage;

(2) A notice of reduction or limitation of coverage, including restrictive riders, if the effect of the reduction or limitation is to substantially reduce coverage compared to the coverage available to a person considered a standard risk for the type of coverage provided by the plan.

6. Coverage under the pool shall expire on January 1, 2014.

376.968. The board shall select an insurer [or] , insurers, or **third-party administrators** through a competitive bidding process to administer the pool. The board shall evaluate bids submitted based on criteria established by the board which shall include:

(1) The insurer's proven ability to handle individual accident and health insurance;

(2) The efficiency of the insurer's claim-paying procedures;

(3) An estimate of total charges for administering the plan;

(4) The insurer's ability to administer the pool in a cost-efficient manner.

376.970. 1. The administering insurer shall serve for a period of three years subject to removal for cause. At least one year prior to the expiration of each three-year period of service by an administering insurer, the board shall invite all insurers, including the current administering insurer, to submit bids to serve as the administering insurer for the succeeding three-year period. Selection of the administering insurer for the succeeding period shall be made at least six months prior to the end of the current three-year period.

2. The administering insurer shall:

(1) Perform all eligibility and administrative claim-payment functions relating to the pool;

(2) Establish a premium billing procedure for collection of premium from insured persons. Billings shall be made on a period basis as determined by the board;

(3) Perform all necessary functions to assure timely payment of benefits to covered persons under the pool including:

(a) Making available information relating to the proper manner of submitting a claim for benefits to the pool and distributing forms upon which submission shall be made;

(b) Evaluating the eligibility of each claim for payment by the pool;

(4) Submit regular reports to the board regarding the operation of the pool. The frequency, content and form of the report shall be determined by the board;

(5) Following the close of each calendar year, determine net written and earned premiums, the expense of administration, and the paid and incurred losses for the year and report this information to the board and the department on a form prescribed by the director;

(6) Be paid as provided in the plan of operation for its expenses incurred in the performance of its services.

3. On or before September 1, 2013, the board shall invite all insurers and third-party administrators, including the current administering insurer, to submit bids to serve as the administering insurer or third-party administrator for the pool. Selection of the administering insurer or third-party administrator shall be made prior to January 1, 2014.

4. Beginning January 1, 2014, the administering insurer or third-party administrator shall:

(1) Submit to the board and director a detailed plan outlining the winding down of operations of the pool. The plan shall be submitted no later than January 31, 2014, and shall be updated quarterly thereafter;

(2) Perform all administrative claim-payment functions relating to the pool;

(3) Perform all necessary functions to assure timely payment of benefits to covered persons under the pool including:

(a) Making available information relating to the proper manner of submitting a claim for benefits to the pool and distributing forms upon which submission shall be made; and

(b) Evaluating the eligibility of each claim for payment by the pool;

(4) Submit regular reports to the board regarding the operation of the pool. The frequency, content and form of the report shall be determined by the board;

(5) Following the close of each calendar year, determine the expense of administration, and the paid and incurred losses for the year, and report such information to the board and department on a form prescribed by the director; and

(6) Be paid as provided in the plan of operation for its expenses incurred in the performance of its services.

376.973. 1. Following the close of each fiscal year, the pool administrator shall determine the net premiums (premiums less administrative expense allowances), the pool expenses of administration and the incurred losses for the year, taking into account investment income and other appropriate gains and losses. Health insurance premiums and benefits paid by an insurance arrangement that are less than an amount determined by the board to justify the cost of collection shall not be considered for purposes of determining assessments. The total cost of pool operation shall be the amount by which all program expenses, including pool expenses of administration, incurred losses for the year, and other appropriate losses exceeds all program revenues, including net premiums, investment income, and other appropriate gains.

2. Each insurer's assessment shall be determined by multiplying the total cost of pool operation by a fraction, the numerator of which equals that insurer's premium and subscriber contract charges for health insurance written in the state during the preceding calendar year and the denominator of which equals the total of all premiums, subscriber contract charges written in the state and one hundred ten percent of all claims paid by insurance arrangements in the state during the preceding calendar year; provided, however, that the assessment for each health maintenance organization shall be determined through the application of an equitable formula based upon the value of services provided in the preceding calendar year.

3. Each insurance arrangement's assessment shall be determined by multiplying the total cost of pool operation calculated under subsection 1 of this section by a fraction, the numerator of which equals one hundred ten percent of the benefits paid by that insurance arrangement on behalf of insureds in this state during the preceding calendar year and the denominator of which equals the total of all premiums, subscriber contract charges and one hundred ten percent of all benefits paid by insurance arrangements made on behalf of insureds in this state during the preceding calendar year. Insurance arrangements shall report to the board claims payments made in this state on an annual basis on a form prescribed by the director.

4. If assessments exceed actual losses and administrative expenses of the pool, the excess shall be held at interest and used by the board to offset future losses or to reduce pool premiums. As used in this subsection, "future losses" include reserves for incurred but not paid claims.

5. Assessments shall continue until such time as the director of the pool provides notice to the board and director that all claims have been paid.

6. Any assessment funds remaining at the time the director provides notice that all claims have been paid shall be deposited in the state general revenue fund.

Section 1. 1. Notwithstanding any other provision of law to the contrary, beginning July 1, 2014, any MO HealthNet recipient who elects to receive medical coverage through a private health insurance plan instead of through the MO HealthNet program shall be eligible for a private insurance premium subsidy to assist the recipient in paying the costs of such private insurance if it is determined to be cost effective by the department.

The subsidy shall be provided on a sliding scale based on income, with a graduated reduction in subsidy over a period of time not to exceed two years.

2. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void."; and

House Amendment No. 3

AMEND House Committee Substitute for Senate Substitute No. 2 for Senate Committee Substitute for Senate Bill Nos. 26, 11 & 31, Page 104, Section 143.151, Line 13, by inserting after all of said section and line the following:

"143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, **or the manner set forth in subdivision (3) of this subsection**:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

[(3)] (c) For the purposes of this [section] **subdivision**, a transaction involving the sale of tangible property is:

[(a)] **a.** "Wholly in this state" if both the seller's shipping point and the purchaser's destination point are in this state;

[(b)] **b.** "Partly within this state and partly without this state" if the seller's shipping point is in this state and the purchaser's destination point is outside this state, or the seller's shipping point is outside this state and the purchaser's destination point is in this state;

[(c)] **c.** Not "wholly in this state" or not "partly within this state and partly without this state" only if both the seller's shipping point and the purchaser's destination point are outside this state[;].

(d) For purposes of this subdivision:

a. The purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale[;]; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;
 (g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation

using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

FIFTY-EIGHTH DAY, THURSDAY, APRIL 25, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

Blessed are they that hear the word of God and keep it. (Luke 11:28)

Eternal God, so high above us that we cannot comprehend You and yet so deep within us that we cannot escape You, make Yourself real to us as we pray today.

We are tired of our smallness and pray that You will lift us into the fellowship of great minds. Tired are we of our thoughts of discouragement and pray that You will lift us into the companionship of great hearts. In this fellowship and from this companionship may our faith be renewed, our hope strengthened, and our courage confirmed.

Bless these Representatives of our people. During these days may they be wise with Your wisdom, strong in Your power, and faithful through Your faithfulness to them. According to our needs may the riches of Your grace enter the heart of every one of us.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Catherine Perlik, Claire Giefer, Alec Tapia, Emma Schroeder, Connor Gibbs, Mason Gibbs and Adalyn Gibbs.

The Journal of the fifty-seventh day was approved as printed.

Representative Barnes assumed the Chair.

SIXTIETH DAY, TUESDAY, APRIL 30, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Representative John McCaherty.

Father, Your word tells that this is the day which You have made, let us be glad and rejoice in it. We bow before Your throne of grace this morning asking You for Your help, Your wisdom, and Your foresight. What an honor and privilege You have given us to serve You and the people of Missouri in these great chambers. We ask that You grant us boldness when it is time to speak, humility when it is time to listen and learn, mercy when it is time to forgive, and courage when it is time to act.

And the House says, "Amen."

The Pledge of Allegiance to the flag was recited.
